

SEAT TOLEDO PRICE LIST OCTOBER 2015

TECHNOLOGY TO ENJOY

ENGINE EMISSIONS INFORMATION

Our CO₂ and consumption values are provisional and are currently under review. Revised values will be published if necessary.

INDEX

- 5 TOLEDO
- 7 TOLEDO Key Specifications
- 8–9 TOLEDO Optional Equipment
- 10 TOLEDO Accessories
- 12 Vehicle Excise Duty (VED)
- 13 CO₂ Benefit In Kind (BIK)
- 14 SEAT Finance
- 15 SEAT Information

USEFUL INFO:

START/STOP SYSTEM

When the car is stopped, the gear lever set to neutral and the clutch pedal released, the Start/Stop System switches the engine off. Once the clutch is engaged again, the engine starts automatically.

ENERGY RECOVERY SYSTEM

An Energy Recovery System works by varying the amount of power absorbed by the alternator. During braking, power which would otherwise be wasted is drawn into the electrical systems and battery. Under acceleration, the alternator draws less energy, so more can be sent to driving the wheels. This system helps you reduce overall fuel consumption, and consequently the CO₂ emission level.

For full details on fuel consumption, CO₂ figures and VED bands (Vehicle Excise Duty) please see page 12.

Model Shown: Toledo Style Advanced with optional Full LED Headlights and Rodium Grey metallic paint.

*For full details on fuel consumption, CO₂ figures and VE bands (Vehicle Excise Duty) please see page 12.

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Optional wheels may affect emissions and fuel consumption figures. More information is available on the SEAT website at www.seat.co.uk and at www.dft.gov.uk/vca.

For detailed information go to www.euroncap.com.

Model Shown: Toledo Style Advanced with optional Winter Pack.

TOLEDO KEY SPECIFICATIONS

SE

- / 15" steel wheels with 'Urban' covers
- / Space-saving spare wheel
- / Body-coloured door handles and door mirrors
- / Body-coloured bumpers
- / Rear wash/wipe
- / Halogen daytime running lights
- / Four speakers
- / Steering wheel-mounted audio and phone controls
- / Trip computer
- / Media System Touch
 - 5.0" black and white touchscreen
 - USB port
 - Aux-in port
 - SD card slot
 - FM/AM radio
 - Bluetooth® audio streaming and handsfree system
 - Steering wheel mounted audio and phone controls
- / Bluetooth® mobile phone connection with voice control
- / MP3 compatible CD player with combined USB/AUX-in port
- / Leather steering wheel and gear knob
- / Height and reach adjustable steering wheel
- / Split folding rear seats (60/40)
- / Height-adjustable driver's seat
- / Height-adjustable rear headrests
- / Air conditioning
- / Rear parking sensors
- / Front and rear electric windows
- / Electro-hydraulic power steering (speed sensitive)
- / 12v socket in centre console
- / ISOFIX points with top tether in outer rear seats
- / Front seatbelt reminders
- / Driver and front passenger airbags
- / Front passenger airbag deactivation
- / Head-thorax front side airbags
- / ABS

- / Electronic Stability Control (ESC) with Emergency Brake Assist (EBA)
- / Tyre pressure monitoring
- / Hill hold control
- / Remote central locking with deadlocks
- / Volumetric alarm with back-up horn
- / Multi-Collision Braking System
- / Tiredness Recognition System

STYLE

IN ADDITION TO THE SE TRIM

- / 16" 'Design' alloy wheels
- / Dark tinted rear windows
- / Front fog lights with cornering function
- / Electrically adjustable and heated door mirrors
- / Navigation System
 - 6.5" colour touchscreen
 - 3D map display
 - High resolution Driver's colour display
 - Digital Audio Broadcasting (DAB) digital radio
 - Bluetooth® audio streaming and voice recognition
 - USB and Aux-in ports
 - SD card slot x 2 for MP3 playback
 - iPod connection
- / Illuminated front footwell and centre console area
- / Six speakers
- / Front and rear armrests
- / Net, hangers and fixing rings in boot
- / Boot storage compartments
- / Climate control with refrigerated glove box
- / Height-adjustable front passenger seat
- / Cruise control

STYLE ADVANCED

IN ADDITION TO THE STYLE TRIM

- / 17" 'Dynamic' alloy wheels with titanium finish
- / LED taillights
- / Grey alcantara and black simil leather upholstery
- / Illuminated gloss black dashboard inlays
- / Front and rear parking sensors with Optical Parking System display
- / KESSY Keyless Enter and Go with deadlocks

TOLEDO OPTIONAL EQUIPMENT

Full Link

Full Link seamlessly integrates your smartphone with your media system, keeping you connected to your digital world at the touch of a button; sync emails, social media and all of your favorite digital playlists via your car's media system. Full Link is compatible with Apple Car Play, Google Android Auto and Mirror Link.

Winter Pack

Keep the cold outside with a host of heated features in the optional Winter Pack such as front seats, headlight washers and heated washer nozzles.

	SE	Style	Style Advanced	Basic Price	VAT @ 20%	Recommended Retail Price

TOLEDO ACCESSORIES

Illuminated Sill Guards

Decorative side sills that illuminate on entry. No electrical installation required. Sills illuminate for 30 seconds when opening the car doors and turn off when doors closed.

Protective Boot Tray (C+G)

Flexible piece of protective rubber that perfectly fits and protects the boot area.

'Click+go' is the quick, simple way to order our most popular SEAT accessories online or at your SEAT dealer. The accessories above are all 'click+go' so the 'fitted' price you see is all you pay. So you know what you're paying upfront, with no hidden extras.

With easy steps to follow it really is straightforward and, of course, you can 'click+go' any time.

You can order at your SEAT dealer or online at: www.seat.co.uk/accessories

All prices shown are fully inclusive of fitting charges where fitting is required.

The full range of SEAT approved accessories is available to view at www.seat.co.uk/accessories. Vehicle specific Accessory brochures can also be downloaded. Always check with your Dealer first to ensure accessories are applicable to your vehicle specification.

* Not available on the high street. Must be professionally applied by the supplying SEAT Dealer. Comes with a complimentary 15 piece car care kit and holdall.

¹ Not suitable for vehicles with a Bodykit or side skirts fitted.

² Safety kit contents include Warning triangle, High visibility vest, torch and first aid kit.

Optional – Not available

Model shown: Toledo Style Advanced
with optional Full LED headlights in
Rodium Grey metallic paint.

VEHICLE EXCISE DUTY

All new vehicles are subject to a form of vehicle excise duty based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grammes per kilometre (g/km). To help you identify the duty you will pay, the DVLA has created thirteen bands. The new first-year rate (or 'showroom tax') is designed to further encourage customers to buy vehicles with lower CO₂ emissions. The table below shows the 12 month RFL rate for petrol and diesel cars:

Effective from 1st April 2015

CO ₂ g/km	Band	1st Year Rate	Standard Rate
1	A	£0	£0
101	B	£0	£20
111	C	£0	£30
121	D	£0	£110
131	E	£130	£130
141	F	£145	£145
151	G	£180	£180
166	H*	£295	£205
176	I*	£350	£225
186	J*	£490	£265
201	K*	£640	£285
226	L*	£870	£485
256	M*	£1100	£500

*No current SEAT models fall into these bands.

FUEL CONSUMPTION AND CO₂

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Optional wheels may affect emissions and fuel consumption figures. More information is available on the SEAT website at

www.seat.co.uk and at www.vca.gov.uk.

How is the fuel consumption test conducted?

- The test is outlined in Directive 93/116/EC as amended by Regulation (EC) 692/2008, and provides results that are more than representative of actual average on-road fuel consumption than previous tests. There are two parts: an urban and an extra-urban cycle. The cars tested have to be run-in and must have been driven for at least 1,800 miles (3,000 kilometres) before testing.
- **Urban Cycle.** The urban test cycle is carried out in a laboratory at an ambient temperature of 20°C to 30°C on a rolling road from a cold start, i.e. the engine has not run for several hours. The cycle consists of a series of accelerations, steady speeds, decelerating and idling. Maximum speed is 31mph (50km/h), average speed 12mph (19km/h) and the distance covered is 2.5 miles (4km).
- **Extra-Urban Cycle.** This cycle is conducted immediately following the urban cycle and consists of roughly half steady-speed driving and the remainder accelerations, decelerations, and some idling. Maximum speed is 75mph (120km/h), average speed is 39mph (63 km/h) and the distance covered is 4.3miles (7km).
- **Combined Fuel Consumption Figure.** The combined figure presented is for the urban and extra-urban cycle together. It is therefore an average of the two parts of the test, weighted by the distances covered in each part.

Additional information can be found at: www.vca.gov.uk.

CO₂ BENEFIT IN KIND (BIK) TAX

How to calculate your liability

The BIK value is calculated by taking the On The Road (OTR) price of the vehicle, less the RFL and first registration fee. This figure, known as the P11D value, is then multiplied by a percentage value based on the CO₂ emissions of the vehicle.

- For tax year 2015/16, the banding starts at 5% for petrol vehicles and 8% for diesels, applicable to cars which emit between 0 and 50 g/km (a 3% surcharge exists for all diesels).
- Cars which emit between 95 and 99 g/km attract a charge of 14% for petrol or 16% for diesel.
- Cars which emit between 100 and 104 g/km attract a charge of 15% for petrol or 18% for diesel. Every 5 g/km increase from 105 g/km adds 1% to the banding.
- The maximum charge is 37% for a petrol or diesel vehicle.
- The exact CO₂ figure is always rounded down to the nearest 5 g/km (e.g. emissions of 139 g/km would be charged at the rate for 135 g/km).

To find out how much you will pay, simply multiply the BIK value by 20% or 40% depending on the level of income tax that you pay.

BIK calculation example – Toledo Style 1.2 TDI 115PS	
P11D value (OTR price less RFL and first registration fee)	£18,745.00
CO ₂ emissions (g/km)	115
Company car BIK tax based on CO ₂ emission level	19%
Taxable BIK (for 2015/16 tax year): 19% of £21,830.00	£3,561.55
Annual company car tax (2015/16)	
20% income tax: 20% of £3561.55	£712.31 per annum
40% income tax: 40% of £3,561.55	£1,424.62 per annum
Monthly company car tax (2015/16)	
20% income tax: £712.31 divided by 12	£59.36 per month
40% income tax: £1,424.62 divided by 12	£118.72 per month

Fuel benefit charge

If your employer provides you with free fuel, this is treated as an additional taxable benefit. The charge for the 2015/16 tax year is based on a set figure of £22,100.00, and uses the same percentage figure used to calculate your company car BIK value.

Fuel benefit charge example – Toledo Style 1.2 TDI 115PS

The percentage used to calculate the BIK value for the Toledo Style 1.2 TDI 115PS is 19%.

If free fuel is supplied with this car for the 2015/16 tax year, the fuel benefit will be:

$$£22,100.00 \times 19\% = £4,199.00$$

$$\text{At 20\% income tax: } £4,199.00 \times 20\% = £839.80. \text{ At 40\% income tax: } £4,199.00 \times 40\% = £1,679.60$$

Effect of Wheel Size on CO₂

Choosing larger wheels than standard as options may result in increased fuel consumption as well as higher CO₂ emissions and consequently increased Vehicle Excise Duty (VED) and BIK rates. This is due to larger wheels having both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase. In some instances, the 'On the Road' price for the vehicle may increase as a result of the increased VED rate. None of the Toledo models are affected by this regardless of the optional wheels chosen.

SOLUTIONS PERSONAL CONTRACT PLAN (PCP)

Making your budget go the extra mile

Solutions (PCP) is a flexible finance package that really puts you in the driving seat.

Solutions offers flexibility – from your deposit and monthly repayments to what you do with your SEAT at the end of the agreement.

By paying a small deposit (as little as a single month's repayment) over a repayment period from 18 months up to four years, you can enjoy a plan individually suited to your needs and monthly budget.

Solutions takes away the worry about depreciation because a proportion of the value is left until the end of the agreement (the optional final payment), which acts as a guaranteed minimum future value. By doing this means you can lower your monthly repayments or make your budget go even further with a higher spec.

The options are wide open with Solutions.

Decision Time

1. Choose a repayment period and annual mileage.
2. Pay your deposit which can be made up of cash or a part exchange.
3. Agree the number of repayments.

Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

At the end of your agreement you have 3 options

1. Part exchange your existing car for a new SEAT on a Solutions (PCP) contract (subject to status).
2. Pay the optional final repayment and keep your SEAT.
3. Hand the car back (subject to terms and conditions).

Important Information to Consider

- You may end your agreement earlier than the full term. However, depending how far you are in to your agreement will affect the final amount left to pay.
- If you exceed the anticipated mileage agreed at the start of your agreement and intend to return the vehicle then excess mileage charges will apply.
- It is important to keep the vehicle in good condition as this will affect the value of the vehicle. You may be charged for any damage that goes beyond fair wear and tear.

COST OF YOUR CAR

Deposit
As little as one repayment

Amount to finance
Divided into any choice of 18 to 48 fixed repayments

Additional final payment
You have three choices at the end of your agreement

SEAT INFORMATION

The SEAT Warranty

Three-year Warranty. All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a

two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest) Dealer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT dealer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines. Full details of the three-year warranty are available from your SEAT dealer or repairer.

SEAT Extended Warranty. If you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover as the three year warranty, but for up to five years. You can choose a SEAT Extended Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles (whichever is soonest).

PLEASE NOTE: SEAT Extended Warranty products are only available at the time of ordering your new SEAT.

Three-year Paint Warranty. The paintwork of all models featured in this price list is covered against manufacturing defects for a period of three years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

Twelve-year Body Protection Warranty. The internal body sections and panels of the models featured in this price list are covered against rusting through from the outside for twelve years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

SEAT Parts Warranty. SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

SEAT Accessories. Every accessory is designed specifically for SEAT and is fully tested to our high quality standards. All accessories unless otherwise stated come with a two year warranty, extended to three years when purchased and fitted prior to delivery of a brand new vehicle, and what's more, they can be fitted by SEAT approved technicians. Where you see the 'click+go' icon, the price you see is what you'll pay including fitting, upfront and with no hidden extras! You can order at your SEAT dealer or online at seat.co.uk/accessories.

Specifications. Specifications refer to Model Year 2016. While SEAT makes every effort to make sure that specifications are accurate at time of going to press (06/15), you should always check details with your SEAT dealer as there may have been changes in view of SEAT's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this price list can therefore be given as guidance only.

SEAT Insurance. Insurance works alongside your existing main motor insurance policy no matter who it's from, giving you three years FREE cover on all new and used SEATs. Activate your policy at seat-ensurance.co.uk and get one-stop accident management in the event of an accident or theft. After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

Fixed-price servicing and maintenance for SEAT cars 1-15 years. Fixed prices on a whole range of services and maintenance jobs for SEAT cars are now available at participating SEAT dealers. Visit seat.co.uk/serviceoffers for further information and to book online.

SEAT Assistance (including European cover). Any new SEAT purchased and registered in the UK from an authorised SEAT dealer, is covered free by SEAT Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of two years. Your member of the SEAT authorised network will ensure that all servicing and repairs are carried out in accordance with the manufacturer's instructions. Terms and conditions apply.

SEAT Finance. SEAT Finance specialises in providing funding solutions for SEAT drivers. Whether your SEAT is for private or business use, you can choose from a range of funding options.

Here is our full range of finance products.

- Solutions – a personal contract plan
- Hire purchase • Lease purchase
- Finance lease • Contract hire

With all of our finance products you can choose one of our fixed-cost maintenance plans designed to help you budget accurately. No matter what finance product you choose, your local SEAT dealer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. SEAT Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Test-Drive a SEAT. To arrange a test drive at your nearest dealer, or for any questions you may have about SEAT, visit our website at seat.co.uk or call us on FREEPHONE 0500 22 22 22.

Fuel Consumption Information. The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The individual vehicles have not been tested and there are inevitable differences between individual examples of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driving style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

Vehicle Excise Duty and CO₂ Emissions. All vehicles first registered on or after 1st March 2001 are subject to a form of Vehicle Excise Duty (Road Fund Licence) based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grammes per kilometre (g/km).

Optional Equipment. Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. Any vehicle ordered with optional equipment (other than metallic paint) will be subject to a 12 week minimum delivery period.

SEAT Business Sales. SEAT Business Sales is committed to meeting all your fleet requirements and driver needs. For Fleet and Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at businesscentre@seatfleet.co.uk. For Fleet and Small Businesses please call our Fleet Business

Centre directly to speak to our business advisors on 0800 096 2328 or email us at businesscentre@seatfleet.co.uk. For more information on SEAT Business Sales and the Business Sales Centre network, please visit the Business Sales area at seat.co.uk.

Print processes do not allow exact reproduction of colour. Please refer to paint colour swatches at your local SEAT showroom before ordering your colour choice. Some illustrations in this price list depict left hand drive models, consequently, controls and some items of equipment may differ or not appear on UK models.

We are Spanish and German. We are passionate perfectionists. We are emotional technologists. Everything we know, is everything you feel. We give design a purpose. We bring technology to life. We call it TECHNOLOGY TO ENJOY.
We are SEAT.

SEAT

TECHNOLOGY TO ENJOY

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this price list can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT dealership for the latest information. The information in this document refers to model year 14 vehicles. Due to limitations of the printing process the colours reproduced in this price list may vary slightly from the actual paint colour and material. These vehicles and all their parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality. SEAT UK has made provision for the correct disposal and recycling* of all SEAT Vehicles when they are delivered by the customer to its national network of Environment Agency authorised treatment facilities. This service is offered at no cost to the last holder and applies to SEAT vehicles of any age which are substantially complete. The service is provided by Cartakeback.com and to find your nearest facility contact 0845 257 32 33 or browse to www.cartakeback.com.

**Since 2006 all vehicles returned to SEAT were certified by UK Government to be recycled to 85%. This price list has been produced from Satimat paper which is Forest Stewardship Council certified.*
