EVERY NEW IDEA BEGINS WITH A CHALLENGE

UNLOCK EXTRA CONTENT

Throughout this brochure, you can hold your smartphone or tablet over the QR codes using a QR code reader app to download and unlock extra content including images, videos and other information. Scan the above QR code to access the Mazda Community. Here you will discover videos, images and additional content related to the Mazda Rebels, like-minded individuals who represent Mazda's vision of defying convention.

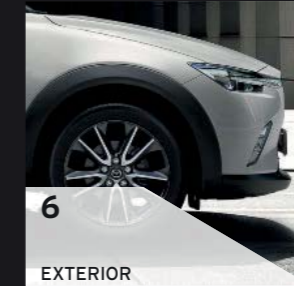

The challenger spirit runs deep at Mazda. We are not afraid to take risks and to challenge conventional wisdom to make things better. We do this to fulfil one simple goal: create cars that are fun to drive. If you've driven a Mazda you already know. If not, get ready for the experience.

winner 2015

AWARD-WINNING DESIGN

The stunning looks of all-new Mazda CX-3 are thanks to its award-winning KODO: Soul of Motion inspired design. Distinctive LED headlights and a silver-edged front grille on Sport Nav models provide an aerodynamic and sleek appearance to the vehicle front. While the compact, sculpted body offers the sensation of enhanced speed and fluid driving.

Models shown are all-new Mazda CX-3 105ps AWD Sport Nav Diesel with optional Soul Red Metallic paint available at additional cost and all-new Mazda CX-3 120ps 2WD Sport Nav with optional Ceramic Metallic paint available at additional cost.

THE START OF SOMETHING NEW

With its muscular shoulders and striking, bold appearance, all-new Mazda CX-3 offers a new approach to vehicle design. Sport Nav models feature chrome-accented side sill trims, rear privacy glass and 18" Gunmetal alloy wheels with three-dimensional contoured spokes, which promise to turn heads. A lightweight SKYACTIV-Body combines with two or all-wheel drive to deliver the sporty, 'fun to drive' performance you expect from Mazda.

Model shown is all-new Mazda CX-3 150ps AWD Sport Nav with optional Ceramic Metallic paint available at additional cost.

IT'S HARD TO LOOK AWAY

The flowing profile of all-new Mazda CX-3 gives an impression of energy in motion. Slim, sharp headlights sweep into Mazda's signature wing to create an imposing front view. Signature lighting on Sport Nav models creates extra impact, featuring LEDs for high performance and efficiency.

Model shown is all-new Mazda CX-3 105ps AWD Sport Nav Diesel with optional Ceramic Metallic paint available at additional cost.

FEELS LIKE HOME

Designed with the driver in mind, the spacious interior of all-new Mazda CX-3 offers hand-crafted levels of quality. Sculptured soft-touch dashboard panels with colour co-ordinated stitching provide a luxurious finish to the interior. Our selection of exclusive seat trims offer you a comfortable and engaging drive, while the elevated seating position provides a perfect view of the road ahead.

COMFORT THAT ADAPTS

All-new Mazda CX-3 seats five in supreme comfort. And when you need to transport something larger, the 60:40 split-folding rear seats easily make extra room possible. The flexible cargo board provides even more functionality, allowing you to secure smaller items beneath the upper boot area, whilst also delivering a flat load space.

FLEXIBLE SEATING

With flexible seating and clever storage solutions, all-new Mazda CX-3 can easily adapt to your needs.

FLAT LOAD FLOOR

The 60:40 split rear seats fold flat to provide a large, level load space with the flexible cargo board in the upper position.

FLEXIBLE CARGO BOARD

In the upper position the cargo board provides a level load space when loading the boot with the added benefit of a completely flat load space with the rear seats folded.

FLEXIBLE CARGO BOARD

A secure separate storage space beneath the cargo board allows storage of smaller items, whilst still allowing larger items to be placed above*.

CONNECTIVITY AT YOUR COMMAND

Experience the perfect combination of information, connectivity and entertainment in all-new Mazda CX-3. Standard across the range is MZD-Connect, an advanced infotainment and connectivity system that provides access to a range of features and applications. Connectivity is key in all-new Mazda CX-3 and via a compatible mobile device you can access thousands of internet radio stations from around the world, safely check and reply to text messages, and even keep up to date with Facebook and Twitter*. Enjoy listening to your favourite radio stations via DAB radio or stream your choice of music via a Bluetooth® connection. All safely and easily controlled using the 7" colour touch-screen display and the intuitive Multimedia Commander, leaving you to concentrate on enjoying the drive.

MULTIMEDIA COMMANDER

Located between the driver and front passenger, the Multimedia Commander allows you to operate the infotainment and connectivity system with minimal effort, including a separate volume dial for easy adjustment. Ensuring you can concentrate on enjoying the drive.

The MZD-Connect system is divided into five sections as displayed on the home screen.

COMMUNICATION

- Easily and safely make and receive phone calls via the integrated Bluetooth® functionality*
- Receive texts and reply with programmable pre-defined responses*
- Access previous call history or contact information*

NAVIGATION (Standard on SE Nav, SE-L Nav and Sport Nav models)

- Choice of routes - fastest, shortest, most economical and easiest
- Choose between 2D or 3D map view
- Point of interest search
- 3-years free European map updates

ENTERTAINMENT

- AM / FM / DAB radio, CD / MP3, USB, AUX, Bluetooth® audio transfer
- Listen to a connected device, such as an iPod® or USB storage device
- Aha™ and Stitcher™ apps for internet radio, Facebook and Twitter*

APPLICATIONS

- Fuel economy monitoring including i-stop and i-ELOOP status (150ps AWD models)
- View service and maintenance information
- View vehicle warnings

SETTINGS

- Easily adjust audio, vehicle and other settings
- Adjust the Active Driving Display (Sport Nav models)

INTELLIGENCE AT YOUR FINGERTIPS

Positioned high on the centre of the dashboard, close to the driver's natural line of sight, is the 7" colour touch-screen display. This screen puts information and entertainment at your fingertips and displays a range of useful information, including access to internet applications* and the eco-driving display screen.

QUALITY IN EVERY DETAIL

Every feature inside all-new Mazda CX-3 reflects the attention to detail that our designers and engineers craft into every Mazda. An array of cleverly designed technologies – including the Active Driving Display, Multimedia Commander, premium Bose® audio and integrated satellite navigation system* are available to enhance your driving experience, wherever you decide to go and whatever the traffic conditions.

KEEPING YOU IN CONTROL

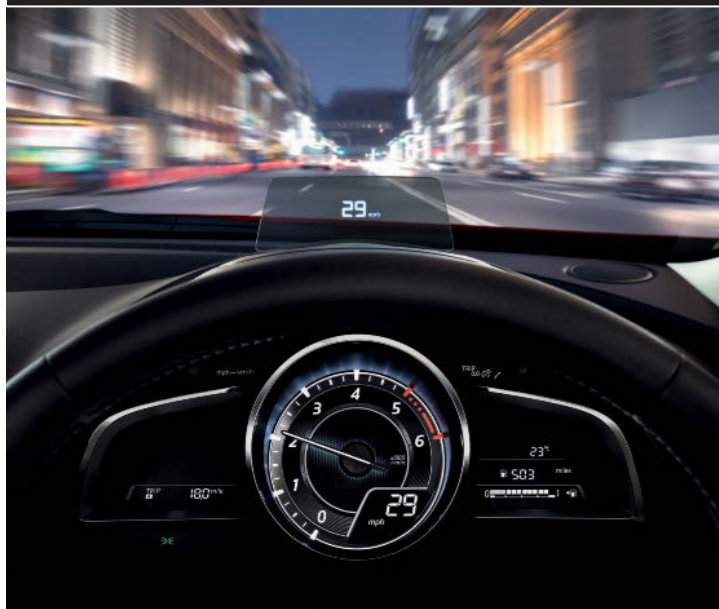

The surprisingly spacious interior of all-new Mazda CX-3 reflects the skill and craftsmanship of our designers to deliver a premium and driver-focused environment. Settle in to the driver's seat and see how the cockpit embraces you, bringing all controls and dials within easy reach, and displaying essential driving information in the stylish instrument panel. Sport Nav models feature a selection of specifically-placed Bose® speakers which deliver sharp and impressive sound quality, whether you are listening to the latest DAB radio station or streaming via the Bluetooth® connection. Combining driving comfort and innovative technologies, all-new Mazda CX-3 has been designed to ensure the journey to your destination is made as easy and enjoyable as possible.

BOSE® SOUND SYSTEM

Seven premium Bose® speakers are precisely positioned throughout all-new Mazda CX-3 Sport Nav models.

BOSE® HIGH-PERFORMANCE SPEAKERS

1. Two 2.5cm neodymium tweeters in the instrument panel.
2. Two 16cm wide-range speakers in the front doors.
3. Two 13cm wide-range speakers in the rear doors.
4. One 13cm Richbass® woofer in a 10-litre custom engineered bass enclosure within the rear cargo space**.
5. Digital amplifier under the driver's seat with Bose® Digital Signal Processing and 7 channels of customised equalisation.

ACTIVE DRIVING DISPLAY

The Active Driving Display provides essential driving information including speed, turn-by-turn navigation and emergency warnings via a head-up display. Positioned at eye level, meaning you can focus on the road ahead whilst being kept updated on relevant vehicle information. (Standard on Sport Nav models).

SATELLITE NAVIGATION

Plan your journey quickly and easily with the integrated satellite navigation system. Select your choice of routes from fastest, shortest and most economical and stay up-to-date with 3-years free European map updates. (Standard on SE Nav, SE-L Nav and Sport Nav models).

*Active Driving Display and Bose® audio are standard on Sport Nav models. Integrated navigation is standard on SE Nav, SE-L Nav and Sport Nav models.
 **The Bose® speaker and bass enclosure uses 63 litres of the available cargo space. Furthermore, the flexible cargo board can only be placed in the higher position as opposed to both higher or lower positions in SE, SE Nav, SE-L or SE-L Nav models.

SKYACTIV TECHNOLOGY

CREATED TO EXCITE

Mazda's groundbreaking and award-winning SKYACTIV Technology has redefined the efficiency, power and performance of our cars. All-new Mazda CX-3 is no exception, combining the perfect balance of performance and efficiency, which continues to prove how we create cars that defy convention.

SKYACTIV TRANSMISSIONS

Lightweight and compact, the SKYACTIV-MT manual and SKYACTIV-Drive automatic transmissions deliver smooth, crisp and direct gear shifts which contribute to excellent fuel economy.

SKYACTIV ENGINES

Deliver responsive and dynamic performance, as well as lower emissions and outstanding fuel economy.

SKYACTIV BODY AND CHASSIS

Rigid and lightweight to offer the protection you need, combining a comfortable and sporty driving experience.

INTELLIGENCE LIES WITHIN

All-new Mazda CX-3 embodies Mazda's legendary 'fun to drive' DNA. Featuring the complete range of award-winning SKYACTIV Technologies, it delivers performance and efficiency combined, for a responsive, agile and sporty driving experience.

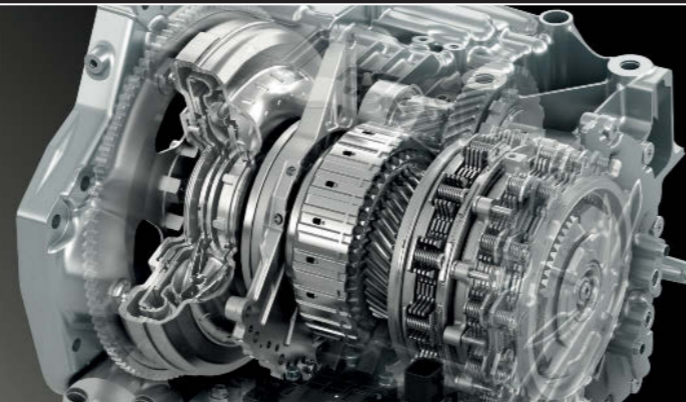

SKYACTIV TECHNOLOGY

SKYACTIV Technology is all about fuel economy, low emissions and making driving more fun. Embracing all the technologies - engines, transmissions, chassis and body - it's an approach that completely reimagines the car from the ground up. Coupled with innovations such as i-stop and i-ELOOP, SKYACTIV Technology enables all-new Mazda CX-3 to deliver a unique mix of driving pleasure, balanced with outstanding environmental and safety performance.

NEW BENCHMARKS FOR PERFORMANCE

Choose from the impressive 120ps SKYACTIV-G petrol engine coupled with 2WD, or the dynamic 150ps SKYACTIV-G petrol engine available with AWD. Both petrol engines provide highly competitive fuel economy and low CO₂ emissions whilst ensuring a no compromise approach to performance. Alternatively there is the 105ps SKYACTIV-D diesel engine available with either 2WD or AWD and an ultra-compact, lightweight turbocharger for excellent efficiency.

MORE POWER TO YOUR WHEELS

Supporting improved fuel economy, the six-speed SKYACTIV-Drive automatic transmission is lightweight and compact. It delivers smooth gear shifts with a 'Sport' mode for greater torque availability and enhanced acceleration. The six-speed SKYACTIV-MT manual transmission is compact and lightweight in design, resulting in excellent fuel economy and a shift feel reminiscent of the legendary Mazda MX-5.

PRECISE AND COMFORTABLE HANDLING

The lightweight SKYACTIV-CHASSIS offers the perfect balance of agility and stability with exceptional handling and ride comfort. Coupled with steering which responds predictably to driver input, it delivers that 'fun to drive' element you have come to expect from Mazda.

WHEN BODY MEETS SOUL

Outstanding crash protection is possible thanks to the SKYACTIV-BODY which utilises lightweight high-tensile steel. The lightweight, ultra-strong and highly rigid body also contributes to improved fuel economy and a more rewarding and responsive drive.

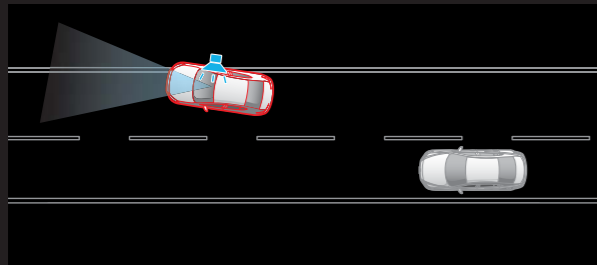

THE SAFEST PLACE ON THE ROAD

All-new Mazda CX-3 contains an array of intelligent safety technologies that are designed to help you relax and enjoy the drive. Mazda's intuitive i-ACTIVSENSE technologies offer an intelligent collection of safety features that use sensors and a camera to monitor your surroundings and provide optimum protection and convenience. All-new Mazda CX-3 delivers on the 'fun to drive' without compromising your safety.

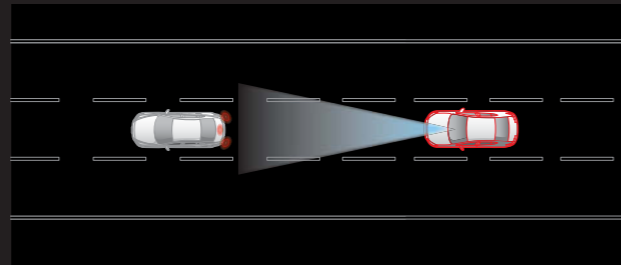

ADVANCED SAFETY TECHNOLOGY

Engineered from the ground up to provide comprehensive all-round protection for you and your passengers, the active and passive safety systems in all-new Mazda CX-3 work together to warn you of impending dangers and help to avoid or reduce the severity of a collision. **Smart City Brake Support*** is designed to avoid or minimise the effects of low-speed collisions, the laser-based system continually monitors the gap and closing speed of the vehicle in front, automatically applying the brakes if a collision is likely at speeds up to approximately 20mph. Inside, all-new Mazda CX-3 is fitted with six airbags as standard and ISOFIX child seat anchor points on the outer rear seats for that extra peace of mind.

LANE DEPARTURE WARNING SYSTEM

Designed to warn the driver if the vehicle inadvertently strays from its lane. A front-view camera monitors the road ahead and calculates the car's position relative to the lane markings. Should the system detect that the car is about to unintentionally move out of lane, it emits an audible warning to alert the driver. (Standard on SE-L, SE-L Nav and Sport Nav models).

SMART CITY BRAKE SUPPORT

Take the stress out of city driving with Smart City Brake Support. Designed to help avoid or minimise the effects of low-speed collisions the laser-based system continually monitors the gap and closing speed to the vehicle in front, and applies the brakes if a collision is likely, operating at speeds up to approximately 20mph. (Standard on SE-L, SE-L Nav and Sport Nav models).

DYNAMIC STABILITY CONTROL TRACTION CONTROL SYSTEM

Dynamic Stability Control enhances stability in critical driving situations, regardless of the road surface the car is driven on. The system, working in conjunction with ABS, reduces engine power when necessary and carefully regulates braking pressure on individual wheels, ensuring that the car can get round corners or obstacles without oversteering or understeering - whilst still maintaining maximum traction and stability. Dynamic Stability Control works in conjunction with the Traction Control System making sure that the wheels do not spin on loose surfaces, at speeds of up to 18mph by regulating the torque of the engine. (Standard on all models).

HILL HOLD ASSIST

Uses the brake control function within the Dynamic Stability Control system to keep your all-new Mazda CX-3 stationary when stopped on an incline, so you can easily pull away without having to use the handbrake or rolling back. The brake function prevents you rolling back and operates for up to a maximum of 2 seconds. (Standard on all models).

ALL-WHEEL DRIVE

Mazda's advanced Active Torque Split All-Wheel Drive system monitors the difference in speed between the front and rear axles, automatically detecting when the wheels lose grip. The system reacts by redistributing up to 50 percent of engine torque to the rear wheels. Not only does this maintain traction, but impressive fuel consumption too, whatever the road conditions. (Standard on AWD models).

ADAPTIVE FRONT LIGHTING SYSTEM

Increase visibility when driving at night with the Adaptive Front lighting System. The system adjusts the LED headlights when cornering to illuminate more of the road ahead, increasing your ability to react to any potential obstacles. (Standard on Sport Nav models).

Model shown is all-new Mazda CX-3 150ps AWD Sport Nav with optional Soul Red Metallic paint available at additional cost.
*Smart City Brake Support is standard on SE-L, SE-L Nav and Sport Nav models.

Mazda CX-3

SE / SE Nav

STANDARD FEATURES:

- 16" Alloy wheels
- Halogen headlights and daytime running lights
- Rear roof spoiler
- Heated, power-folding door mirrors with integrated indicator lights
- Coming home / leaving home lights
- Front and rear electric windows
- Black cloth seat trim with grey piping
- Leather-wrapped steering wheel and gear knob
- Driver's seat height adjustment
- Cruise control
- Adjustable speed limiter
- 60:40 split folding rear seats
- Flexible cargo board
- Manual air-conditioning
- Engine start / stop button
- 7" Colour touch-screen display and Multimedia Commander
- Integrated Bluetooth®
- Internet app integration for internet radio, Facebook and Twitter*
- AM / FM / DAB radio with 6 speakers, CD player, USB and iPod® connectivity
- Steering wheel-mounted audio controls
- Driver and passenger front, side and curtain airbags
- Dynamic Stability Control
- Traction Control System
- Hill Hold Assist

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Integrated navigation with 3-years free European map updates

ENGINE START / STOP BUTTON

Allows you to conveniently start or stop the engine without having to insert the key.

7" COLOUR TOUCH-SCREEN DISPLAY

Places information and entertainment at your fingertips.

FLEXIBLE CARGO BOARD

Two height positions provide flexibility for different cargo loads.

MANUAL AIR-CONDITIONING

Allows you to easily adjust the temperature of the interior to your needs.

Model shown is all-new Mazda CX-3 120ps 2WD SE with optional Dynamic Blue Mica paint available at additional cost.
 *With compatible mobile device. Data usage and costs will vary. Please refer to the footnote on page 38 for more information.

Mazda CX-3
SE-L / SE-L Nav

IN ADDITION TO SE GRADE:

- LED front fog lights
- Rain-sensing front wipers
- Dusk-sensing headlights
- Climate control air-conditioning
- Heated front seats
- Rear privacy glass
- Rear parking sensors
- Lane Departure Warning System
- Smart City Brake Support

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Integrated navigation with 3-years free European map updates

HEATED FRONT SEATS

Perfect to keep you warm on chilly mornings. 3-Stage settings provide an extra level of comfort.

REAR PRIVACY GLASS

Provides an extra level of sophistication by enhancing the stylish looks, and offering extra levels of security.

RAIN-SENSING FRONT WIPERS

Automatically switches windscreen wipers on and off dependent upon weather conditions.

CLIMATE CONTROL AIR-CONDITIONING

Provides a comfortable driving environment with stylish satin chrome dials.

Mazda CX-3
Sport Nav

IN ADDITION TO SE-L GRADE:

- 18" Gunmetal alloy wheels
- LED headlights and daytime running lights
- Adaptive Front lighting System
- Silver-accented front grille
- Chrome-accented side sill trim
- Half black leatherette, half black cloth trim with red piping
- Smart keyless entry system
- Reversing camera
- Active Driving Display
- Premium Bose® sound system with seven speakers
- Integrated navigation system with 3-years free European map updates

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Half Stone leather, half black LUX SUEDE® seat trim

LED HEADLIGHTS

Striking LED headlights enhance the stylish looks as well as significantly improving visibility.

HALF STONE LEATHER, HALF BLACK LUX SUEDE® TRIM

Optional half Stone leather, half black LUX SUEDE® trim enhances your interior with a luxury, premium feel, along with adding comfort to every journey.

BOSE® AUDIO SYSTEM

The sensational Bose® sound system offers seven precisely positioned speakers, with premium sound quality to keep you entertained as you drive.

ACTIVE DRIVING DISPLAY (HEAD-UP DISPLAY)

Projects essential driving information including speed, turn-by-turn navigation and emergency warnings via a head-up display.

MY MAZDA APP

Hold your smartphone or tablet over the QR code to download the My Mazda app. Designed exclusively for Mazda owners, it lets you access important vehicle information, as well as being able to locate your nearest Mazda dealer and track your vehicle service history.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a 3-year warranty for up to 60,000 miles, including a 3-year paintwork warranty, and a 12-year perforation warranty. We also offer Extended Warranties to extend the cover for your Mazda. Mazda Roadside Assistance offers cover in the event you require breakdown assistance, your vehicle is stolen or is involved in an accident.

FREE MAZDA ACCIDENT AFTERCARE

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Call Mazda First after an accident and they will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts, additional benefits include providing you with a free courtesy car and maintaining your Mazda warranties.

MAZDA CONTRACT HIRE*

Mazda Contract Hire offers low running costs with market-driven residual values, resulting in extremely competitive ownership costs for businesses and individuals. To find out more about the benefits of Mazda Contract Hire, please speak to your Mazda dealer or phone 0844 600 1410.

Mazda Contract Hire is provided by ALD Automotive Limited, trading as Mazda Contract Hire, Oakwood park, Lodge Causeway, Fishponds, Bristol, BS16 3JA. Guarantees / Indemnities may be required. ALD Automotive Limited is incorporated in the UK and regulated by the Financial Services Authority in respect of general insurance products.

FINANCE

As well as vehicle warranty and service plans, we offer finance packages to help ensure a rewarding ownership experience. Mazda Financial Services provides a variety of finance products to suit the needs of both private and business customers.

WHAT YOU CAN EXPECT FROM MAZDA FINANCIAL SERVICES:

- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs

Please ask your sales executive for a tailor-made finance quote for your new car.

MAZDA FINANCIAL SERVICES FINANCE PLANS:

MAZDA CONDITIONAL SALE:

The traditional way of buying your car. Mazda Conditional Sale is a simple way of financing that provides you with certainty due to a fixed interest rate and fixed monthly repayments throughout the agreement. Your initial deposit and repayment period can be structured to help meet your budget and the length of time you expect to keep the car. You can trade in your existing vehicle and put this towards the initial deposit, or if you wish, just put down a cash deposit. At the end of your contract, when all repayments have been made, the car is yours.

MAZDA PERSONAL CONTRACT PURCHASE:

The finance plan that helps you change your Mazda car at more regular intervals. Personal Contract Purchase is similar to a Conditional Sale agreement but with additional flexibility since part of the vehicle cost is deferred until the end of the agreement which may give you the benefit of lower monthly repayments. The deferred amount is known as the Guaranteed Future Value or Optional Final Payment.

At the end of your contract, when all repayments have been made, you then have three options:

- Renew: Choose another Mazda. Use any excess value above the Optional Final Payment towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account
- Retain: Keep the car. Simply pay the Optional Final Payment, and the car is yours
- Return your car: There's nothing more to pay if the car's in good condition and within the agreed mileage

For further information, please visit <http://www.mazda.co.uk/buying-owning/buying/personal-finance/>

Finance subject to status. Terms and conditions apply. You will not own the vehicle until all payments are made. 18s and over. Guarantee may be required. Mazda Financial Services RH1 1SR.

SKYACTIV TECHNOLOGY – HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our SKYACTIV Technology range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the Configurator on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of engines, trims, exterior colours and accessories. Discover the benefits of becoming part of the community that defies convention with My Mazda – the online home for all Mazda owners. The service lets you view and update your personal information using the Mazda Digital Service Record (DSR), which provides security against counterfeit service documents and guarantees a secure, accurate and permanent service history for the life of the vehicle. Or why not join the Mazda Community Hub? Here you will discover the Mazda Rebels, like-minded individuals who represent Mazda's ethos of defying convention. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.
