THE NEW **HR-V**

These specification details do not apply to any particular product which is supplied or offered for sale. Manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.

Please don't bin me. Pass me on to a friend or recycle. The pulp in the manufacture of this paper is from renewable timber produced on a fully sustainable basis. The paper used in this brochure is manufactured using ECF (Elemental Chlorine Free) pulp.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the HR-V will be a right hand drive vehicle.
Model shown is HR-V 1.5 EX in White Orchid Pearl with manual transmission.

THE NEW
HR-V

BOLD AND BEAUTIFUL
SLEEK DESIGN

The HR-V's contemporary shape catches the eye, but it also stirs the heart. Its robust appearance and sporty side profile have been designed to make it a car you'll love to see and be seen in.

So whatever road you're on, from a weekend away, to meeting friends in town, the HR-V is designed to fit.

WHATCAR?
Car of the
Year 2015
Reader award

The HR-V has won the coveted What Car? Reader Award for 2015 and has been named as the car readers are most eagerly anticipating.

The HR-V offers a choice of engines, from the responsive and efficient 130PS 1.5 i-VTEC petrol, to the economic 120PS 1.6 i-DTEC diesel. Both are available with a 6-speed manual transmission, whilst the 1.5 i-VTEC is also available with a CVT automatic transmission.

All engines have an ECON mode button which maximises fuel economy, and idle stop which helps reduce CO₂ emissions to as little as 104g/km.

GENEROUS PERFORMANCE
GREAT FUEL ECONOMY

THE NEW
HR-V

LIKE THE SPACE **LOVE THE FLEXIBILITY**

The HR-V is engineered to fit your life. It doesn't just give you a lot of space, but a lot of useful space.

The unique Honda Magic Seats adapt effortlessly with one simple motion, folding up towards the headrest providing a tall space behind the driver's seats, or folding flat to provide 1,026 litres of load space.

A wide tailgate opening and low loading height also mean the boot space is quickly and easily accessible.

When you need to keep your eyes on the road, it's great to know that you've got everything to hand. We've intuitively designed the HR-V cockpit, so that every feature is where you need it.

The elegant dashboard uses the very latest technology, yet is incredibly simple to understand and use. Featuring dual climate control, electrically adjustable door mirrors, power windows and front heated seats, you'll find sitting in the HR-V is something you could really warm to.

THINKING BIG
MAKES THINGS A LITTLE EASIER

THE NEW
HR-V

KEEPING YOU CONNECTED WITH THE BIG WIDE WORLD

Enjoy the feeling of open air driving with the HR-V's panoramic opening glass roof, allowing you to control the perfect amount of fresh air and light into your already spacious cabin.

Our Honda CONNECT entertainment system keeps you connected to all the things you love in life, like your music and your friends, all within one central touchscreen display which can be controlled with smartphone-like operation.
