

i20 Turbo Edition

HYUNDAI | NEW THINKING.
NEW POSSIBILITIES.

Introducing the i20 Turbo Edition. A fusion of style, technology and performance.

Your i20 experience will get off to a flying start, thanks to an engine that successfully combines both power and efficiency. You can enjoy the benefits of the exciting touchscreen navigation system, while looking great in a car that's built to impress.

The 1.0 T-GDi engine delivers a significant 100 PS of power while emitting just 104 g/km of CO₂. It more than meets the demand for small petrol turbo engines, while still offering enough power to pack a punch. The 7" touchscreen satellite navigation with TomTom LIVE® services feeds back real-time traffic information, so you can take the least disruptive route and enjoy a more efficient journey. You'll also appreciate greater awareness thanks to a rear view camera for increased visibility. Finally, when it comes to style there's plenty to admire. The sophisticated 16" alloy wheels stand as a final flourish on a car that delivers far beyond your expectations.

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple, you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us, with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required.

You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

5 YEAR UNLIMITED MILEAGE WARRANTY
