COMMITMENT

AWARD-WINNING DESIGN

Our skill at craftsmanship and ingenuity is fully realised with Mazda6. Stunning athletic looks are thanks to its award-winning KODO: Soul of Motion inspired design. Striking headlights enhance the streamlined and sculptured edges, while the prominent three-dimensional front grille and wide vehicle stance offer an eye-catching spectacle.

Model shown is a Mazda6 Saloon 150ps Sport Nav Diesel with optional Soul Red Metallic paint available at additional cost.

IRRESISTIBLE ROAD PRESENCE

With its bold and athletic proportions, Mazda6 will turn heads wherever you drive. Its low-slung stance and powerful contours are complemented by elegant tail lights, while the sports-inspired rear spoiler on Tourer models adds to its purposeful road presence.

Models shown are a Mazda6 Saloon 150ps Sport Nav Diesel and a Mazda6 Tourer 150ps Sport Nav Diesel both with optional Soul Red Metallic paint available at additional cost.

RE-DISCOVER THE JOY OF DRIVING

Mazda6 encompasses the ideal balance of driving pleasure, ingenuity and efficiency. The flowing lines and sculpted body provide an impression of agility and power. Beneath the surface, a full array of SKYACTIV Technology delivers responsive performance, outstanding fuel economy and low CO₂ emissions. Mazda6, for drivers who don't believe in compromises.

Model shown is a Mazda6 Tourer 150ps Sport Nav Diesel with optional Soul Red Metallic paint available at additional cost.

MOVES YOU. EVEN WHEN IT'S STANDING STILL

The sculpted body of Mazda6 reflects the strength and streamlined beauty of an animal poised to surge forward. A bold front grille emphasises the car's wide stance. Muscular shoulders and gracefully stretched lines convey its lean, sporty character set off by unique signature lights. While dynamically-styled alloy wheels add the ultimate finishing touch. Do you feel your pulse beginning to race?

Model shown is a Mazda6 Saloon 150ps Sport Nav Diesel in Sonic Silver Metallic paint available at additional cost.

SURROUND YOURSELF IN LUXURY

Designed around the driver, to offer exceptional levels of comfort and control, the interior of Mazda6 is spacious and inviting, with room for you and your passengers to sit back, relax and the enjoy the journey ahead. From the simple, yet effective electronic parking brake to the leather-wrapped steering wheel and 7" colour touch-screen display, the interior exudes premium quality, setting new standards in interior design.

Model shown is a Mazda6 Saloon Sport Nav interior with optional Stone leather available at additional cost.

SPACE TRAVEL. IN A NEW DIMENSION

Mazda6's seating provides the comfort and flexibility you need. Sports-style seats provide outstanding comfort and support for five. The driver's seat has six-way adjustment as standard, while the steering wheel can be adjusted for height and reach, so you can always find the position that's right for you. Versatile 60:40 split rear seats can be folded flat, adding a new dimension to Mazda6's comfortable, quiet and accommodating interior.

KARAKURI SEATING

Mazda6 Tourer's Karakuri seating system features 60:40 split independent rear seats with a remote fold-down function, combining maximum functionality with ease of use.

FOLDING SEATS

Karakuri rear seats can be folded flat with a simple flick of levers located in the boot.

FLEXIBLE SEATING

With flexible seating and clever storage solutions, Mazda6 can easily adapt to your needs.

FLAT LOAD FLOOR

All rear seats fold flat to provide a large, level load space.

SPACE AND VERSATILITY

With a load space of between 522 and 1,664 litres, the luggage compartment offers a generous amount of room, meaning whatever your needs Mazda6 Tourer can meet them.

CONNECTIVITY AT YOUR COMMAND

Experience the perfect combination of information, connectivity and entertainment in Mazda6. Standard across the range is MZD-Connect, an advanced infotainment and connectivity system that provides access to a range of features and applications. Connectivity is key in Mazda6 and via a compatible mobile device you can access thousands of internet radio stations from around the world, safely check and reply to text messages, and even keep up to date with Facebook and Twitter*. Enjoy listening to your favourite radio stations via DAB radio or stream your choice of music via a Bluetooth® connection. And all this is easily and safely controlled using the 7" colour touch-screen display and the intuitive Multimedia Commander, leaving you to concentrate on enjoying the drive.

MULTIMEDIA COMMANDER

Located between the driver and front passenger, the Multimedia Commander allows you to operate the infotainment and connectivity system with minimal effort, including a separate volume dial for easy adjustment. Ensuring you can concentrate on enjoying the drive.

The MZD-Connect system is divided into five sections as displayed on the home screen.

COMMUNICATION

- Easily and safely make and receive phone calls via the integrated Bluetooth® functionality*
- Receive texts and reply with programmable pre-defined responses*
- Access previous call history or contact information*

NAVIGATION (Standard on SE Nav, SE-L Nav and Sport Nav models)

- Choice of routes - fastest, shortest, most economical and easiest
- Choose between 2D or 3D map view
- Point of interest search
- 3-years free map updates

ENTERTAINMENT

- AM / FM / DAB radio, CD / MP3, USB, AUX, Bluetooth® and audio transfer
- Listen to a connected device, such as an iPod® or USB storage device
- Aha™ and Stitcher™ apps for internet radio, Facebook and Twitter*

APPLICATIONS

- Fuel economy monitoring including i-stop and i-ELoop status
- View service and maintenance information
- View vehicle warnings

SETTINGS

- Easily adjust audio, vehicle and other settings
- Adjust the Active Driving Display (Sport Nav models)

*With compatible mobile device. Data usage and costs will vary. Please refer to the footnote on page 39 for more information.

INTELLIGENCE AT YOUR FINGERTIPS

Positioned high on the centre of the dashboard, close to the driver's natural line of sight, is the 7" colour touch-screen display. This screen puts information and entertainment at your fingertips and displays a range of useful information, including access to internet applications* and the eco-driving display screen.

CRAFTSMANSHIP FOR THE DIGITAL AGE

Every feature inside Mazda6 reflects the attention to detail our designers and engineers craft into every Mazda. An array of cleverly designed technologies – including the Active Driving Display, Multimedia Commander, premium Bose® surround-sound audio and integrated satellite navigation system* are available to enhance your driving experience, wherever you decide to go and whatever the traffic conditions.

KEEPING YOU IN CONTROL

The spacious interior layout of Mazda6 provides a premium, ergonomic and driver-focussed experience. Essential information in both the stylish instrument panel and 7" colour touch-screen are positioned close to the driver's natural line of sight, whilst Sport Nav models feature a selection of precisely positioned Bose® speakers offering sharp and impressive sound quality. Combining driving comfort and innovative technologies, Mazda6 has been designed to improve every journey and provide an enjoyable driving experience like never before.

BOSE® SOUND SYSTEM

Eleven premium Bose® speakers are precisely positioned throughout the Mazda6 Sport Nav, allowing you to play your music in a rich surround-sound environment to keep you entertained on all of your journeys.

1. One Twiddler® mid/high-range speaker in the instrument panel.

2. Two neodymium mid-range speakers in the instrument panel.

3. Two neodymium tweeters in the instrument panel.

4. Two Nd® woofers, one in each front door.

5. Two wide-range speakers, one in each rear door.
6. Two Twiddler® mid/high-range speakers in the side panels of the load compartment (Tourer); in the rear shelf (Saloon).

7. Digital amplifier under right front seat with Bose® Digital Signal Processing: eight channels of custom equalisation, Centerpoint®2 and Surround-Stage® signal processing circuitry, AudioPilot®2 noise compensation technology.

ACTIVE DRIVING DISPLAY

The Active Driving Display provides essential driving information including speed, turn-by-turn navigation and emergency warnings via a head-up display. Positioned at eye level, meaning you can focus on the road ahead whilst being kept updated on relevant vehicle information (Standard on Sport Nav models).

SATELLITE NAVIGATION

Plan your journey quickly and easily with the integrated satellite navigation system. Select your choice of routes from fastest, shortest and most economical and stay up-to-date with 3-years free map updates (Standard on SE Nav, SE-L Nav and Sport Nav models).

*Active Driving Display and Bose® surround-sound audio are standard on Sport Nav models. Satellite navigation is standard on SE Nav, SE-L Nav and Sport Nav models.

SKYACTIV TECHNOLOGY

CREATED TO EXCITE

Mazda's groundbreaking SKYACTIV Technology has redefined the efficiency, power and performance of our cars. Mazda6 is no exception, combining the perfect balance of driving enjoyment and efficiency, which continues to prove how we create cars that defy convention.

SKYACTIV TRANSMISSIONS

Lightweight and compact, the SKYACTIV-MT manual and SKYACTIV-Drive automatic transmissions deliver smooth, crisp and direct gear shifts which contribute to improved fuel economy.

SKYACTIV ENGINES

Deliver responsive and dynamic performance, as well as lower emissions and outstanding fuel efficiency.

SKYACTIV BODY AND CHASSIS

Rigid and lightweight to offer the protection you need, combining a comfortable and sporty driving experience.

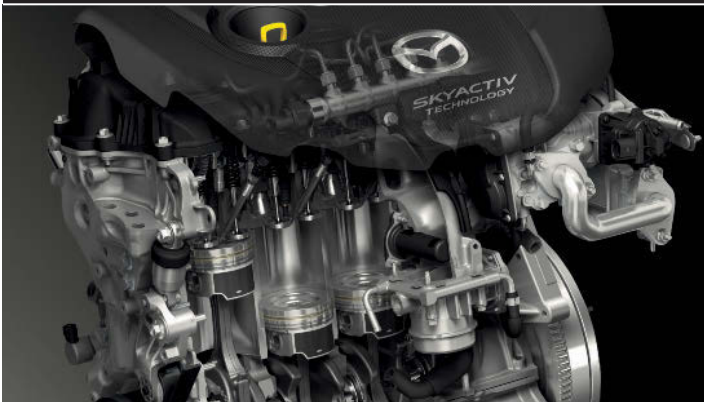

Model shown is a Mazda6 Tourer 150ps Sport Nav Diesel with optional Soul Red Metallic paint available at additional cost.

INTELLIGENCE LIES WITHIN

Mazda6 embodies Mazda's legendary 'fun to drive' DNA. Featuring the complete range of award-winning SKYACTIV Technologies, it delivers performance and efficiency combined, for a responsive, agile, sporty driving experience.

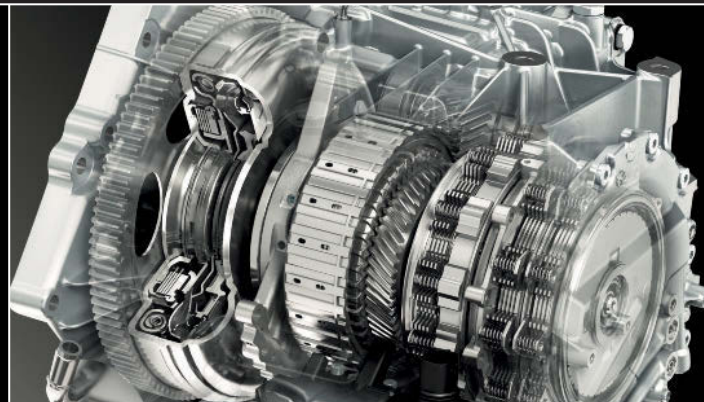

SKYACTIV TECHNOLOGY

SKYACTIV Technology is all about fuel economy, low emissions and making driving more fun. Embracing all the technologies – engines, transmissions, chassis and body – it's an approach that completely reimagines the car from the ground up. Coupled with innovative technologies such as Mazda's i-stop and i-ELOOP, SKYACTIV Technology enables Mazda6 to deliver a unique mix of driving pleasure, balanced with outstanding environmental and safety performance.

NEW BENCHMARKS FOR PERFORMANCE

Choose from the impressive 145ps or 165ps SKYACTIV-G petrol engines which deliver highly competitive fuel economy and low CO₂ emissions, or the equally impressive SKYACTIV-D diesel engines available with 150ps or 175ps power output. Both diesel engines feature a two-stage turbocharger boosting low and mid-range torque for a smoother and more exhilarating acceleration experience. All engines feature Mazda's innovative i-stop technology for superior fuel economy.

MORE POWER TO YOUR WHEELS

Supporting improved fuel economy, the six-speed SKYACTIV-Drive automatic transmission offers a precise and crisp shift, with a kick-down switch providing a smoother feeling of linear acceleration by preventing unwanted downshifting. The six-speed SKYACTIV-MT manual transmission is compact and lightweight in design, resulting in improved fuel economy and a shift feel reminiscent of the legendary Mazda MX-5.

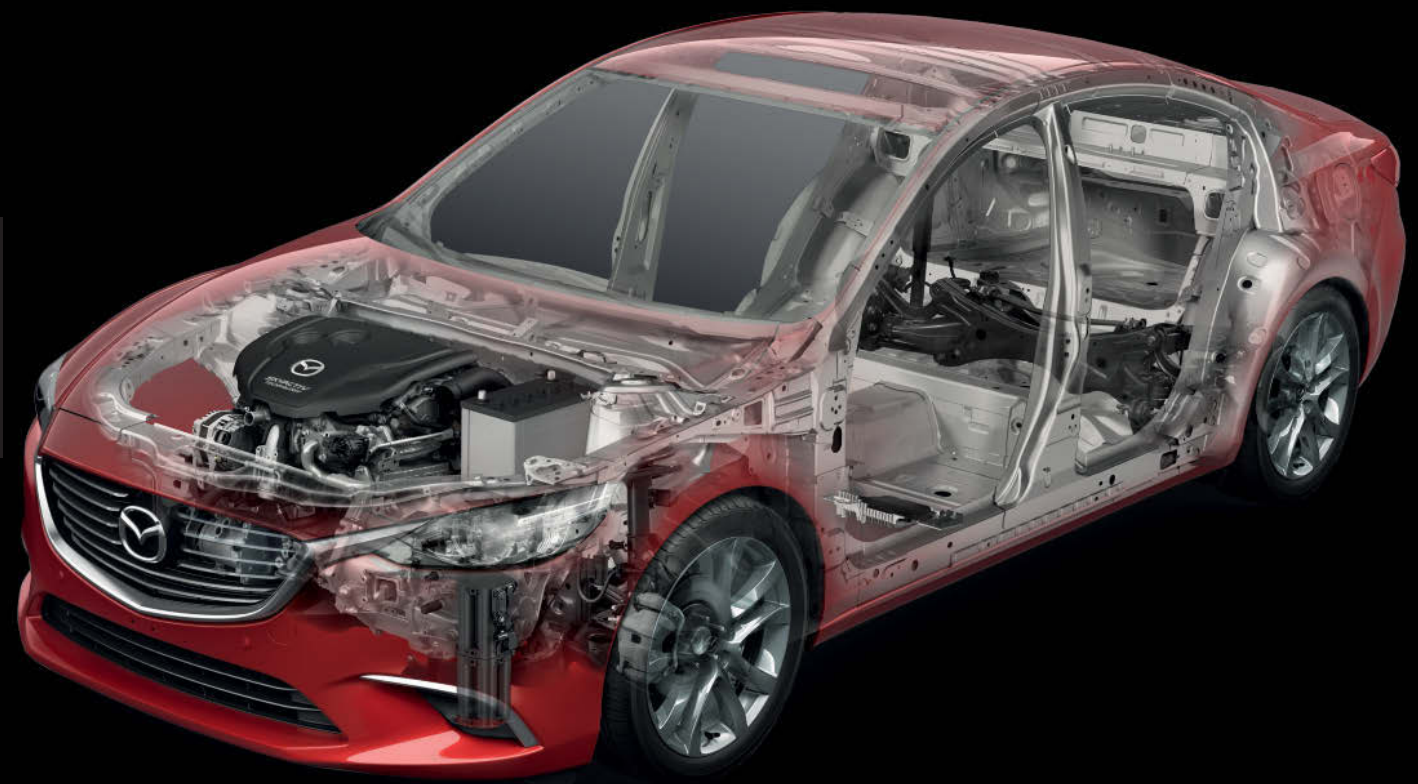

PRECISE AND COMFORTABLE HANDLING

The lightweight SKYACTIV-CHASSIS offers the perfect balance of agility and stability with exceptional handling and ride comfort. Coupled with steering which responds predictably to driver input, it delivers that 'fun to drive' element you have come to expect from Mazda.

WHEN BODY MEETS SOUL

Outstanding crash protection is possible thanks to the SKYACTIV-BODY which utilises lightweight high-tensile steel. The lightweight, ultra-strong and highly rigid body also contributes to improved fuel economy and a more rewarding and responsive drive.

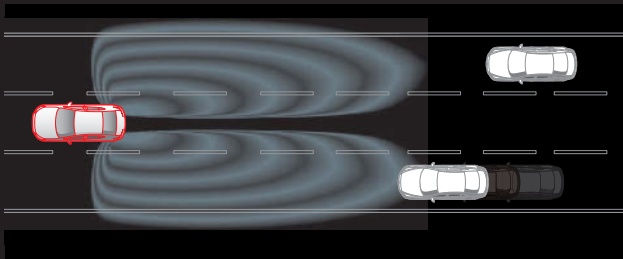

THE SAFEST PLACE ON THE ROAD

Mazda6 contains an array of intelligent safety technologies that are designed to help you relax and enjoy the drive. This is thanks to the i-ACTIVSENSE technologies, an intelligent collection of safety features that use sensors and cameras to monitor your surroundings and provide protection and convenience.

ADVANCED SAFETY TECHNOLOGY

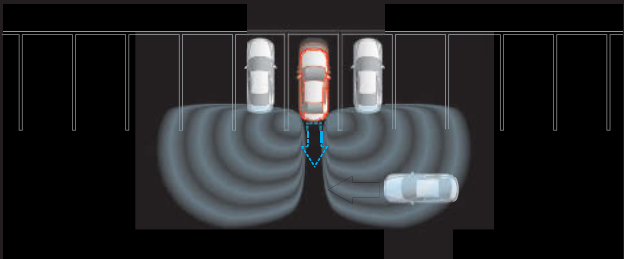

The i-ACTIVSENSE system operates across the entirety of Mazda6 to provide you with generous levels of safety and comfort. Technologies that are specially designed to aid you when driving on busy or overly populated streets, helping to avoid collisions or reduce their severity.

Adaptive LED Headlights*, for example use an array of powerful LEDs, the new system greatly improves night-time visibility by adapting the car's lighting to match the road and traffic conditions. Combined with the rigid body, and both side and curtain airbags, each technology of the i-ACTIVSENSE system ensures you remain safe, without reducing comfort or Mazda's fun-to-drive experience.

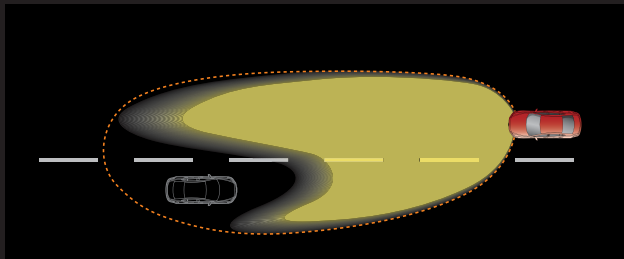

BLIND SPOT MONITORING SYSTEM*

Warns you of a vehicle entering a detection zone situated up to 50 metres behind, by activating a door-mirror mounted warning light on the relevant side of the vehicle. If you then indicate prior to turning in that direction, the warning light flashes and an audible alert sounds. Working at speeds as low as 20mph, this system can prevent drivers from moving into the path of a following vehicle.

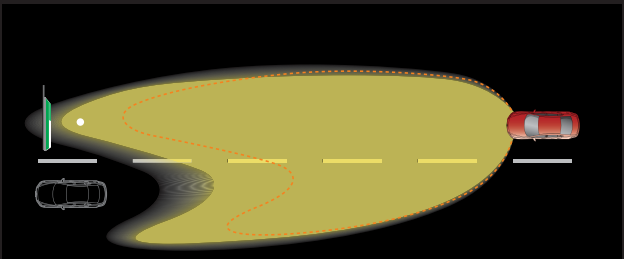

REAR CROSS TRAFFIC ALERT*

Specifically designed for when you are reversing, the system alerts you of any vehicles or obstacles approaching from either side of the rear of the car. A warning light begins flashing in the door mirror and an audible alert sounds. The alarm stops once the area is clear, allowing you to continue reversing safely.

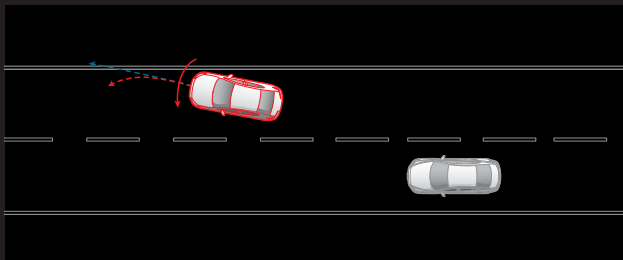

ADAPTIVE LED HEADLIGHTS: GLARE-FREE HIGH BEAM*

Designed to work at night, the system automatically analyses vehicles ahead or those approaching in the opposite direction, and automatically switches between high and low beams by switching individual LED bulbs on and off as necessary. This makes it possible to drive with the high beam on at all times, significantly improving visibility when driving at night, without dazzling drivers of other vehicles.

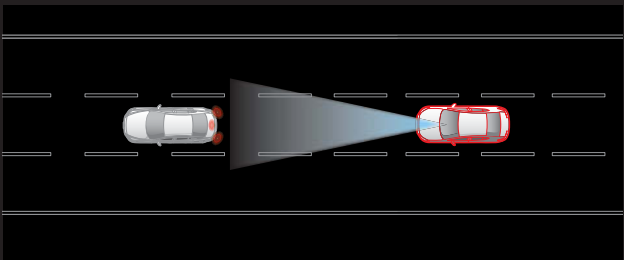

ADAPTIVE LED HEADLIGHTS: HIGHWAY MODE*

When driving on motorways, the angle of the low beams is raised to maximise long distance visibility at night.

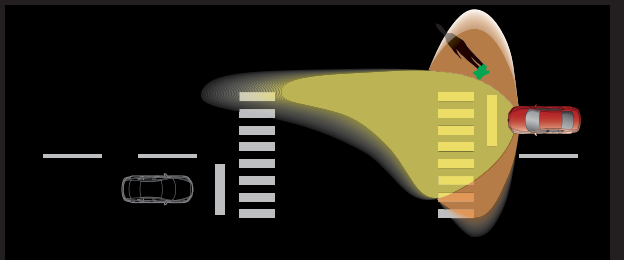

LANE-KEEP ASSIST SYSTEM WITH DRIVER ATTENTION ALERT*

Lane-keep Assist is designed to prevent your vehicle from inadvertently straying from its lane. A front-view camera monitors the road ahead and calculates the car's position relative to the lane markings. If the system detects the vehicle is moving out of its lane unintentionally, the steering wheel will vibrate and an audible alert will sound, the system will also take corrective action to help you stay within the lanes through assisted steering. The Driver Attention Alert system learns your driving style for 20 minutes and alerts you to take a break if it detects driver fatigue.

SMART CITY BRAKE SUPPORT

Take the stress out of city driving with Smart City Brake Support. Designed to help avoid or minimise the effects of low-speed collisions the laser-based system continually monitors the gap and closing speed to the vehicle in front, and applies the brake if a collision is likely, operating at speeds up to approximately 20mph (Not available on SE models).

ADAPTIVE LED HEADLIGHTS: WIDE RANGE LOW BEAM*

At slow speeds, the system will extend the illumination range of the low beams on both sides of the vehicle where traditional headlights can't reach. This makes it easier to see pedestrians and other obstacles at night by expanding the area that is illuminated.

Mazda 6

SE / SE Nav

Saloon

Tourer

STANDARD FEATURES:

- 17" Alloy wheels
- Halogen headlights and daytime running lights
- Heated door mirrors with integrated indicator lights
- Front fog lights
- Electronic parking brake
- Driver and front passenger seat height adjustment
- Leather-wrapped steering wheel and gear knob
- Trip computer
- Cruise control
- Front and rear electric windows
- Manual air-conditioning
- Engine start / stop button

- 7" Colour touch-screen display and Multimedia Commander
- Internet app integration for internet radio, Facebook and Twitter*
- Integrated Bluetooth®
- AM/FM/DAB radio with 4 speakers, CD player, USB and iPod® connectivity
- Steering wheel-mounted audio controls
- Driver and passenger front, side and curtain airbags
- Tyre Pressure Monitoring System
- Dynamic Stability Control
- Traction Control System
- Anti-lock Braking System with Electronic Brake-force distribution and Emergency Brake Assist
- Hill Hold Assist

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Integrated navigation system with 3-years free European map updates

ENGINE START / STOP BUTTON

Allows you to conveniently start or stop the engine without having to insert the key.

7" COLOUR TOUCH-SCREEN DISPLAY

Places information and entertainment at your fingertips.

ELECTRONIC PARKING BRAKE

Automatically releases, allowing you the convenience of driving away instantly.

MANUAL AIR-CONDITIONING

Allows you to easily adjust the temperature of the interior.

Mazda6

SE-L / SE-L Nav

Saloon

Tourer

IN ADDITION TO SE GRADE:

- Power-folding door mirrors
- Dusk-sensing lights
- Front and rear parking sensors
- Rear privacy glass
- Roof rails (Tourer models only)
- Dual-zone climate control air-conditioning
- Rain-sensing front wipers
- Auto-dimming rear-view mirror
- Smart City Brake Support
- Two additional speakers

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Integrated navigation system with 3-years free European map updates

REAR PRIVACY GLASS

Provides an extra level of sophistication by enhancing the stylish looks, and offering extra levels of security.

FRONT AND REAR PARKING SENSORS

Detects obstructions around the vehicle when manoeuvring or parking by sounding an audible warning.

RAIN-SENSING FRONT WIPERS

Automatically switches windscreen wipers on and off dependent upon weather conditions.

DUAL-ZONE CLIMATE CONTROL AIR-CONDITIONING

Ensures that both driver and front passenger ride in comfort with individual climate control zones.

Mazda 6

Sport Nav

Saloon

Tourer

IN ADDITION TO SE-L GRADE:

- 19" Bright alloy wheels
- LED headlights including LED daytime running lights
- LED front fog lights
- Adaptive Front lighting System
- Reversing camera
- Black leather seat trim
- 8-Way power adjustable driver's seat and 6-way passenger power adjustment
- Heated front seats
- Active Driving Display
- Smart keyless entry system
- Premium Bose® surround-sound system with eleven speakers
- Integrated navigation system with 3-years free European map updates

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Stone leather seat trim
- Safety Pack (Adaptive LED headlights, Blind Spot Monitoring with Rear Cross Traffic Alert, Lane-keep Assist System and Rear Smart City Brake Support)
- Mazda Radar Cruise Control (Available on 175ps Sport Nav Auto Diesel in conjunction with Safety Pack. Not available with Stone leather on Tourer models)

LED HEADLIGHTS & FRONT FOG LIGHTS

Striking LED headlights and fog lights enhance the stylish looks as well as improving visibility in adverse weather conditions.

ACTIVE DRIVING DISPLAY (HEAD-UP DISPLAY)

Projects essential driving information including speed, turn-by-turn navigation and emergency warnings via a head-up display.

BOSE® SURROUND-SOUND SYSTEM

The sensational Bose® surround-sound system offers eleven precisely positioned speakers, with premium sound quality to keep you entertained as you drive.

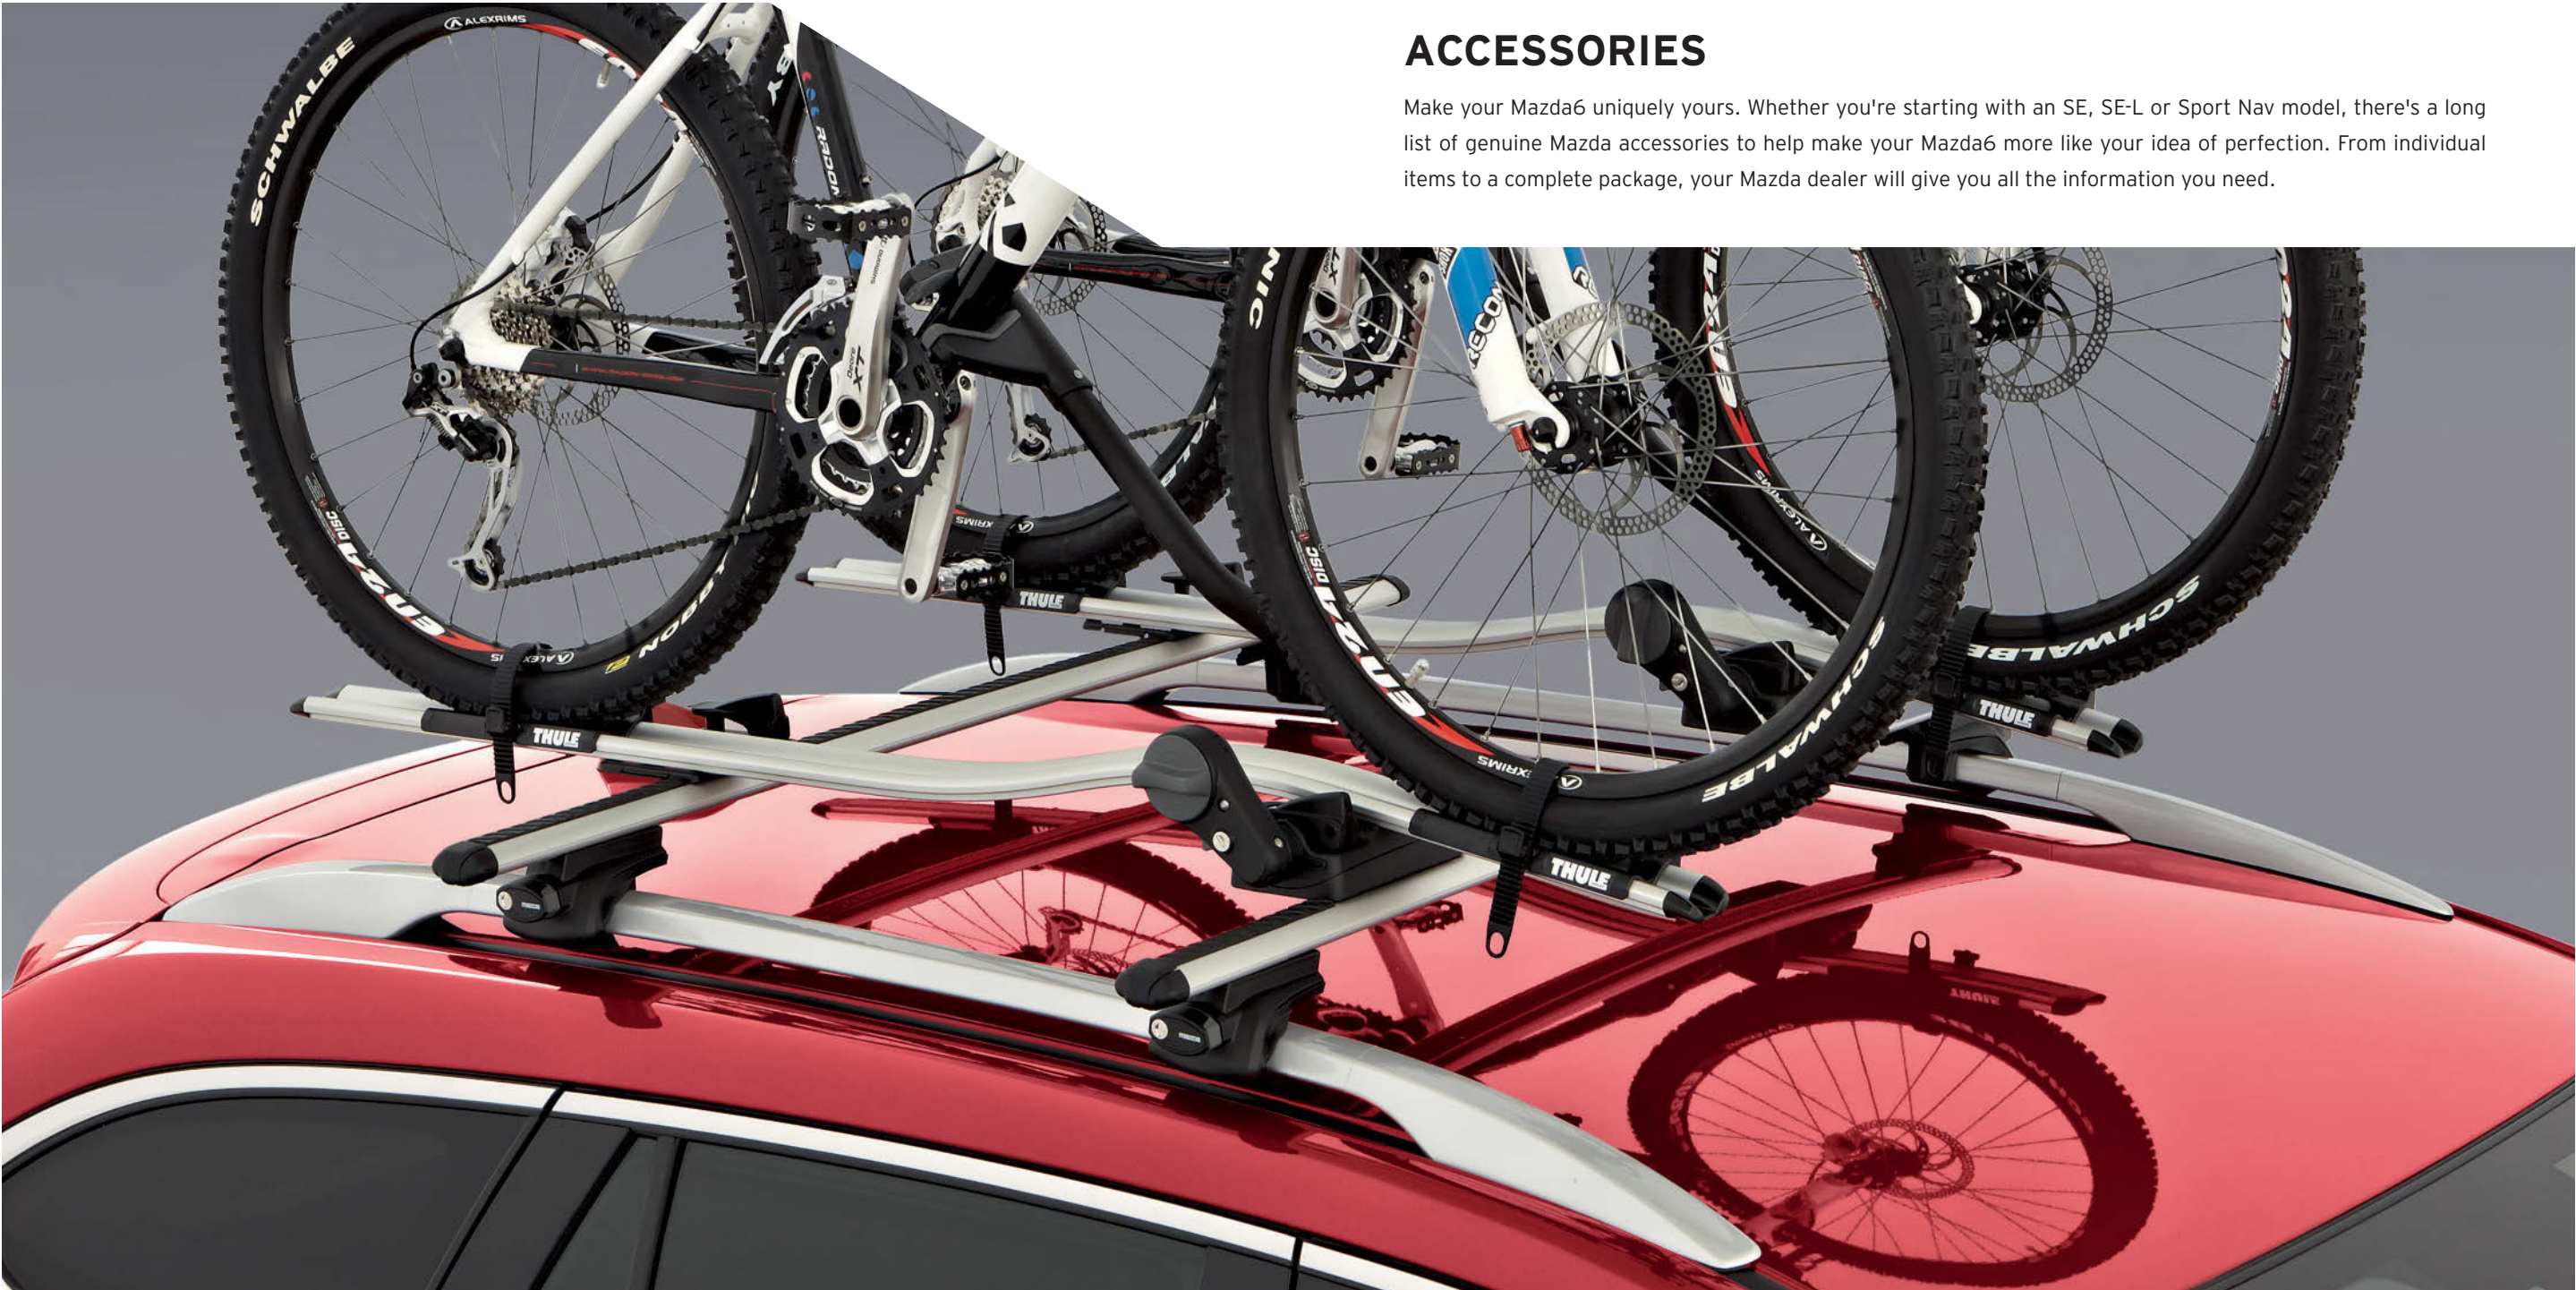

REVERSING CAMERA

Conveniently displayed on the 7" colour touch-screen is the view from the rear of your car, to assist you when reversing or manoeuvring.

ACCESSORIES

Make your Mazda6 uniquely yours. Whether you're starting with an SE, SE-L or Sport Nav model, there's a long list of genuine Mazda accessories to help make your Mazda6 more like your idea of perfection. From individual items to a complete package, your Mazda dealer will give you all the information you need.

TOURER ROOF CARRIER, VARIOUS ATTACHMENTS ARE AVAILABLE SEPARATELY

MY MAZDA APP

Hold your smartphone or tablet over the QR code to download the My Mazda app. Designed exclusively for Mazda owners, it lets you access important vehicle information, as well as being able to locate your nearest Mazda dealer and track your vehicle service history.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a 3-year warranty for up to 60,000 miles, including a 3-year paintwork warranty, and a 12-year perforation warranty. We also offer Extended Warranties to extend the cover for your Mazda. Mazda Roadside Assistance offers cover in the event you require breakdown assistance, your vehicle is stolen or is involved in an accident.

FREE MAZDA ACCIDENT AFTERCARE

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Call Mazda First after an accident and they will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts, additional benefits include providing you with a free courtesy car and maintaining your Mazda warranties.

MAZDA CONTRACT HIRE*

Mazda Contract Hire offers low running costs with market-driven residual values, resulting in extremely competitive ownership costs for businesses and individuals. To find out more about the benefits of Mazda Contract Hire, please speak to your Mazda dealer or phone 0844 600 1410.

Mazda Contract Hire is provided by ALD Automotive Limited, trading as Mazda Contract Hire, Oakwood park, Lodge Causeway, Fishponds, Bristol, BS16 3JA. Guarantees / Indemnities may be required. ALD Automotive Limited is incorporated in the UK and regulated by the Financial Services Authority in respect of general insurance products.

FINANCE

As well as vehicle warranty and service plans, we offer finance packages to help ensure a rewarding ownership experience. Mazda Financial Services provides a variety of finance products to suit the needs of both private and business customers.

WHAT YOU CAN EXPECT FROM MAZDA FINANCIAL SERVICES:

- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs

Please ask your sales executive for a tailor-made finance quote for your new car.

MAZDA FINANCIAL SERVICES FINANCE PLANS:

MAZDA CONDITIONAL SALE:

The traditional way of buying your car. Mazda Conditional Sale is a simple way of financing that provides you with certainty due to a fixed interest rate and fixed monthly repayments throughout the agreement. Your initial deposit and repayment period can be structured to help meet your budget and the length of time you expect to keep the car. You can trade in your existing vehicle and put this towards the initial deposit, or if you wish, just put down a cash deposit. At the end of your contract, when all repayments have been made, the car is yours.

OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again and again. We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

MAZDA PERSONAL CONTRACT PURCHASE:

The finance plan that helps you change your Mazda car at more regular intervals. Personal Contract Purchase is similar to a Conditional Sale agreement but with additional flexibility since part of the vehicle cost is deferred until the end of the agreement which may give you the benefit of lower monthly repayments. The deferred amount is known as the Guaranteed Future Value or Optional Final Payment.

At the end of your contract, when all repayments have been made, you then have three options:

- Renew: Choose another Mazda. Use any excess value above the Optional Final Payment towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account
- Retain: Keep the car. Simply pay the Optional Final Payment, and the car is yours
- Return your car: There's nothing more to pay if the car's in good condition and within the agreed mileage

For further information, please visit <http://www.mazda.co.uk/buying-owning/buying/personal-finance/>

Finance subject to status. Terms and conditions apply. You will not own the vehicle until all payments are made. 18s and over. Guarantee may be required. Mazda Financial Services RH1 1SR.

SKYACTIV TECHNOLOGY – HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our SKYACTIV Technology range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the Configurator on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of engines, trims, exterior colours and accessories. Discover the benefits of becoming part of the community that defies convention with My Mazda – the online home for all Mazda owners. The service lets you view and update your personal information using the Mazda Digital Service Record (DSR), which provides security against counterfeit service documents and guarantees a secure, accurate and permanent service history for the life of the vehicle. Or why not join the Mazda Community Hub? Here you will discover the Mazda Rebels, like-minded individuals who represent Mazda's ethos of defying convention. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.
