INSIDE SEAT

In 1953, with the very first SEAT, the dreams of one country started to move forward. Today, more than 60 years later, our technology has evolved with a very focused aim: to make beautiful things happen every day in the world...

Engineers get inspiration from all they see and experience. SEAT is inspired by Barcelona, where design goes through the essence of beauty. And we combine our design, with the top technology and quality standards of the Volkswagen Group.

Our history is built by the stories of millions of people. And we will always be driven by our customers, because all that we want to do is to provide technology to be enjoyed by you.

FAMILY FOCUSED

Power to
the family.

THE PERFECT FIT FOR YOUR FAMILY.

Designed to help you enjoy the very best of family life, the SEAT Alhambra offers all the space and versatility you need along with a stylish, distinctive design. There is also lots of clever technology and entertainment to keep everyone happy. So whether you're taking the whole family on a weekend trip to the countryside or just doing the school run, the SEAT Alhambra is perfect for any adventure.

EXTERIOR DESIGN

For families on the move.

THE SEAT ALHAMBRA IS A CAR THAT'S BEEN DESIGNED TO OFFER EVERYTHING YOU COULD NEED. Its exterior conveys character in every line whilst offering the reassuring safety and comfort everyone looks for in a family car. The high roofline hints at the large interior space and with its arrow shaped bonnet and distinctive front grille, this is a car that doesn't trade sporting appeal for practicality. LED tail lamps add some style and technology to the rear whilst more importantly, improving your safety on the road.

Model Shown: Alhambra SE Lux with optional Bi-Xenon headlights, in Romance Red metallic paint

INTERIOR DESIGN

Travel in
first-class.

WHEN IT COMES TO YOUR FAMILY CAR YOU SHOULDN'T HAVE TO COMPROMISE ON ANYTHING. That's why the interior of the SEAT Alhambra combines comfort, quality and convenience, as well as a design that pays attention to every detail. New, luxurious upholstery options and an expansive cabin that is light-filled and airy make every journey a pleasure, even when all seven passenger seats are taken. Speaking of seats, the SEAT Alhambra's ergonomic seats are designed for maximum comfort, with the option of adding a Massage Seat at the front. The first-class interior of the SEAT Alhambra isn't just big, it's a pleasure to be in.

TECHNOLOGY TO ENJOY

Always
in touch.

BEING AWAY FROM YOUR OFFICE, DOESN'T MEAN BEING OUT OF TOUCH.

The SEAT Alhambra now offers Full Link Technology, which lets you use MirrorLink™, Apple CarPlay™ or Android Auto™ to pair your smartphone with your SEAT Media System. That means you can access everything on your smartphone, right from your the car's screen and utilise features such as dictating texts and emails, search online, or stream your music.

MAKING LIFE EASIER

Room for everything.

WHEN YOU HAVE A FAMILY, EVERY DAY IS FULL OF LITTLE SURPRISES.

But with 2297 litres of space inside, there will always be room for anything that might pop up out of the blue. Space however, isn't just about size but also organisation and we know some family adventures can be messy business, that's why the SEAT Alhambra comes with storage compartments for a whole variety of different things. After all, a well-used family space doesn't have to be a cluttered one. All seven seats inside the SEAT Alhambra can be folded flat in 32 different potential layout configurations. This means that this family car is versatile enough to cater to all your needs, no matter how varied they might be.

EFFICIENCY & PERFORMANCE

Optimum performance.

WHO SAID ALL FAMILY CARS ARE BORING?

We've boosted the already impressive range of engines that drive the SEAT Alhambra, incorporating new driving dynamics and technology to provide a more engaging drive. With a selection of manual and automatic 6-speed transmission, DSG, Ecomotive and a range of 150-184 PS engines to choose from, driving fun is assured behind the wheel of the SEAT Alhambra.

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the SEAT website at www.seat.co.uk and at www.dft.gov.uk/vca.

10 REASONS

Go for it in 10, 9...

YOU PROBABLY DON'T NEED ANY MORE REASONS TO LOVE THE SEAT ALHAMBRA.
But here are ten of them anyway.

1

It fits with your family

Families come in all shapes and sizes. That's why the SEAT Alhambra is versatile enough to adapt to all your needs.

2

Exceptional Design

The LED tail lamps are just one design feature that will leave everyone envious. But it's not only about appearances: LEDs keep you more visible to other cars and therefore safer on the road.

3

The car that adapts to your driving mood

With the SEAT Drive Profile you can adjust your SEAT Alhambra's settings to three different functions: Normal, Comfort or Sport. Just another example of how the SEAT Alhambra adapts to the needs of your lifestyle.

4

At the touch of a button

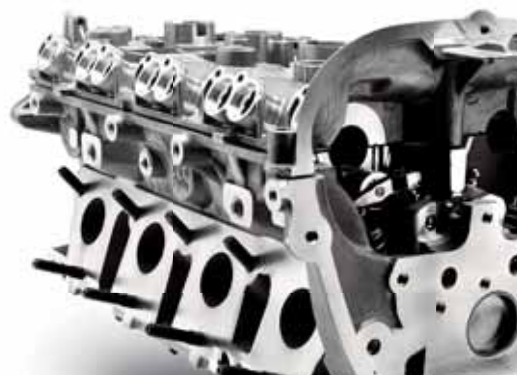

Your kids will think it's magic. You'll think it's incredibly convenient. The SEAT Alhambra's Automatic Sliding Doors open at the touch of a button. Because life can be magical and convenient at the same time.

5

Massive space, more options

Imagine how much you can fit into 2297 litres of interior space? But space isn't just about size, it's about knowing how to get the most out of it. With Easy Fold you can individually fold down any of the seven seats to accommodate cargo and passengers as well.

6

Latest Generation of Engines

The new suite of Alhambra engines are as environmentally friendly as they are economical. The new Alhambra allows you to carry the whole family without losing the dynamism or driving pleasure.*

7

Comfort and quality

You and your family will feel at home inside the SEAT Alhambra. Furnished with new upholsteries that exude quality and are built to last, the SEAT Alhambra makes every journey a comfortable experience.

8

Make sure everyone is safe

There are a lot of reasons that the SEAT Alhambra was awarded a 5-star safety rating. One of them is Blind Spot Detection, an innovative safety technology that helps you to spot oncoming vehicles in your door mirror, even when they're in your blind spot.

9

Connected driving

With Full Link Technology, everything is mirrored on the screen of your SEAT Alhambra's dashboard making driving a more connected experience.

10

Family Friendly

We know the SEAT Alhambra will not only serve as a great vehicle, but will also become a member of your family.

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the SEAT website at www.seat.co.uk and at www.dft.gov.uk/vca.

¹The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

²Where law permits.

³Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

Safety

AIRBAGS.
Imagine: Seven snow-white airbags. But this is no fairy tale. The Alhambra's front, side, curtain, and driver's knee protection airbags make seven. Add passenger airbag deactivation and the option of rear side airbags too, and it's a dream come true.

MULTICOLLISION BRAKING SYSTEM.
With Multi-Collision Braking System your vehicle will automatically brake in the event of a collision, ensuring that the initial impact is reduced and subsequent collisions are prevented or minimised.

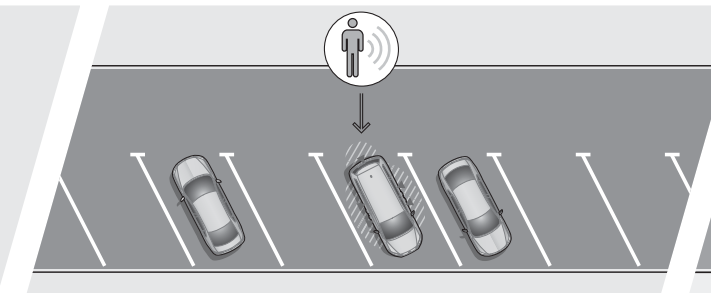

MESSAGE SEAT.
Add these luxurious Massage Seat for extra comfort and relaxation in your SEAT Alhambra. Every Massage Seat comes heated and electronic lumbar massage function.

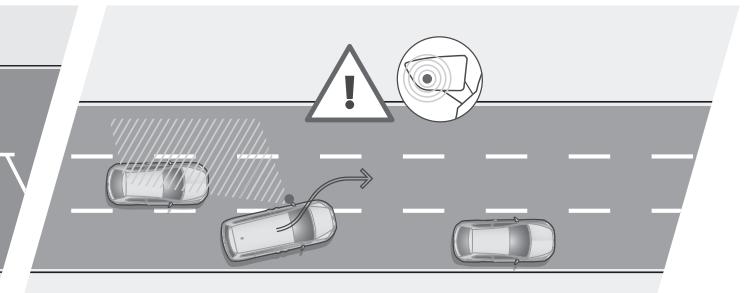

TOP TETHER SEATBELTS.
Top-end safety features don't only belong up front. Top Tether rear seatbelts protect passengers by securing the upper body and reducing the forward rotational motion associated with front impacts.

KESY KEYLESS SYSTEM.
For ultimate convenience and maximum security, add a KESY Keyless System to open and close the doors and boot of your Alhambra without even having to take your keys out of your pocket.

BLIND SPOT DETECTION.
Blind Spot Detection uses an LED warning light in your SEAT Alhambra's door mirror to alert the driver if any cars are approaching when changing lanes.

SEAT SERVICE

Taking care of your SEAT.

WHETHER IT'S REGULAR MAINTENANCE OR REPAIR, WE'RE HERE TO HELP YOU. With our specially-trained technicians, SEAT-approved parts and no-nonsense fixed prices – among a host of other added benefits – you can be confident your car gets the care it deserves.

You love your SEAT. So do we.

Your SEAT is special to you, and deserves special treatment when it's time for a service or repair. So put it in the hands of people who know and care about your car as much as you do: your SEAT Dealer.

We offer competitive, transparent, fixed prices that are great value for money.

We promise that your service or repair will employ all of the following (and plenty more besides), to give your car the care it deserves.

SEAT Technicians with specialist training, using SEAT's latest diagnostic and repair technology.

SEAT-approved parts will be fitted, complete with two-year warranty.

A comprehensive check of SEAT's database for the latest vehicle safety, software and product enhancements.

Free wash and vacuum with every service.

Your approval prior to any additional work we believe needs to be carried out.

Easy drop-off and collection, including loan cars, collection and delivery from your home address, or a courtesy lift.

Online booking. Choose a time and place to suit you.

A SEAT stamp in your service book. The reassurance that only comes with the real thing.

Fixed-price servicing and maintenance for SEAT cars 1-15 years.

At SEAT we want to make it easy for you to know what your servicing costs will be up front so that you can keep a tight rein on your budget. That's why **we have transparent fixed prices on a whole range of services and maintenance jobs for SEAT cars.** Book a fixed-price service or maintenance job online by following six simple steps. Visit seat.co.uk/service to book and for further information.

Book your service online and get

1st year: **free 1 litre Castrol Edge professional oil top-up kit** worth £18.50

2-15 years: **free SEAT European roadside assistance** worth £245

We are so confident about our prices that if you have any 'It's Fixed' job done with us and then find within seven days and five miles that you could have had it done cheaper, **we will refund the difference.**

SERVICE PLANS

Knowing you've got your ongoing servicing costs taken care of is a major bonus in car ownership, and that's where SEAT's fixed-price service plan comes in. Covering all of your scheduled servicing for either two, or three years and the ability to spread the cost **with affordable monthly payments** of £19.99. Visit seat.co.uk/serviceplans for more information.

SEAT SERVICE

More peace of mind from SEAT.

TAKE COMFORT FROM OUR EXTENDED WARRANTY AND FREE ACCIDENT MANAGEMENT. Longer-term ownership of your SEAT is even more appealing with our extended warranty periods, and if you're unfortunate enough to have an accident in your car, we're here to help take the strain with our free accident management Ensurance cover.

Extended Warranty. Extend your peace of mind.

It's reassuring to know you're covered for the cost of unexpected car repairs. And you can enjoy this feeling for up to two years longer with a SEAT Extended Warranty.

When you buy a new SEAT from a SEAT dealer, your new car is covered by a three-year/60,000 miles manufacturer warranty. And if you take out a SEAT Extended Warranty before your new car is registered, **you'll get exactly the same level of cover for up to five years**, at extremely competitive prices.

You can choose a SEAT Extended Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles, whichever is soonest. Plus **it's fully transferable to the new owner** (and subsequent owners) should you sell your car – enhancing the resale value of the car.

For further information and full terms and conditions, go to seat.co.uk/extendedwarrantyterms

Ensurance. Three years free cover for new and used SEATs.

- / One-stop SEAT accident management
- / Dedicated Incident Manager
- / Guarantee that repairs are undertaken by participating SEAT-approved repairers
- / Online claim notification and repair tracking
- / Guarantee that only genuine SEAT parts and paints are used
- / Legal expenses cover
- / Courtesy car where applicable

Ensurance works alongside your main motor insurance policy no matter who it's from, **giving you and your car additional protection.**

For further information and to activate SEAT Ensurance, go to seat-ensurance.co.uk. After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

SOLUTIONS PERSONAL CONTRACT PLAN (PCP)

Making your budget go the extra mile

Solutions (PCP) is a flexible finance package that really puts you in the driving seat. Solutions offers flexibility – from your deposit and monthly repayments to what you do with your SEAT at the end of the agreement.

By paying a small deposit (as little as a single month's repayment) over a period from 18 months up to four years, you can enjoy a plan individually suited to your needs and monthly budget.

Solutions takes away the worry of depreciation because a proportion of the value is left until the end of the agreement (the optional final payment), which acts as a guaranteed minimum future value. By doing this, you can lower your monthly repayments or make your budget stretch even further with a higher spec.

The options are wide open with Solutions.

DECISION TIME

1. Choose a repayment period and annual mileage.
2. Pay your deposit which can be made up of cash or a part exchange.
3. Agree the number of repayments.

Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

AT THE END OF YOUR AGREEMENT YOU HAVE 3 OPTIONS

1. Part exchange your existing car for a new SEAT.
2. Pay the optional final repayment and keep your SEAT.
3. Hand the car back (subject to terms and conditions).

IMPORTANT INFORMATION TO CONSIDER

- / You may end your agreement earlier than the full term. However, depending how far you are in to your agreement will affect the final amount left to pay.
- / If you exceed the anticipated mileage agreed at the start of your agreement and intend to return the vehicle then excess mileage charges will apply.
- / It is important to keep the vehicle in good condition as this will affect the value of the vehicle. If returned you may be charged for any damage that goes beyond fair wear and tear, if you choose to return your vehicle.
