# ENGINE EMISSIONS INFORMATION

Our CO<sub>2</sub> and consumption values are provisional and are currently under review. Revised values will be published if necessary.

# TECHNOLOGY TO ENJOY

At the heart of everything we do is the belief that relevant technology should be available to everyone. We believe that this will make the world a better and more enjoyable place. We want everything we create to inspire you to make beautiful things happen. And nowhere is this better expressed than in the SEAT Leon range. Stunning design, state-of-the-art safety technology and a dynamic driving experience: these are the underpinnings of the Leon family.

## LEON SC

## LEON ST

Model Shown: Leon ST FR with optional Performance 18" Alloy wheels, Technology Pack, Adaptive Cruise Control and Monsoon Grey paint

## WE GIVE DESIGN A PURPOSE

The SEAT Leon family has been redesigned from the ground up. Quality engineering and technology ensure the Leon is a driving experience like no other. With iconic angular design at its heart, the Leon benefits from sporty, streamlined proportions that make it responsive at every turn. The sharp angles merge seamlessly with fluid curves and flowing lines to ensure a bold exterior. One that truly sparkles in sunlight and embraces the warmth you have come to expect from a SEAT.

The **Leon 5DR** is confident, dynamic and filled with some of our brightest ideas yet. Like the EasyConnect System, which controls the entertainment, communications and car functions via a touchscreen. And the SEAT Drive Profile, allowing you to select different driving modes depending on what driving mood you're in. Available with a range of engines, you'll wonder why all cars aren't engineered like the SEAT Leon. After all, every detail has a higher purpose. Put simply, this is a car to enjoy.

Model Shown: Leon 5DR SE with optional Appearance Pack, Electric Sunroof, Technology Pack, Park Assistance Pack, Winter Pack and Nevada White paint.

LEON 5DR

LEON SC

# DYNAMIC DRIVING FOR A DYNAMIC LIFE

And for the sportier amongst us, look no further than the **SEAT Leon Sports Coupé (SC)** a three door variant of the Leon. The Leon SC has everything the Leon 5DR has, with a specific focus on agility to provide a dynamic driving experience. Being agile allows you to respond rapidly to change. The Leon SC comes with sports seats, standard in all trims, but is also fitted with a shorter wheelbase than the Leon 5DR, resulting in a more dynamic chassis, a more responsive drive and more impressive design proportions.

Just like the Leon 5DR, the Leon SC benefits from one of the best sound systems in its class with built in subwoofers, and also has an optional Tiredness Recognition System that will alert you if you lose concentration. But if you still want more, there's also a Direct Shift Gearbox (DSG) with steering wheel paddles\* that puts sporty driving at your fingertips.

Welcome to a dynamic and exciting style of driving.

\* On FR & CUPRA models.  
Model Shown: Leon SC FR in Emocion Red.

# MORE SPACE MORE LIFE

We can never be sure what life has in store for us, that's why we built the **Leon Sports Tourer (ST)** with versatility at its heart. It's our first Leon estate, so naturally we wanted it to be first class.

That's why along with all the other great features of the Leon 5DR and Leon SC, we packed it full of space. It comes with an impressive boot of 587 litres of capacity that can easily turn to 1470 litres at the pull of a handle thanks to the innovative Easy Rear Seat-back Release mechanism\*. The boot has a chrome loading sill\* for added protection and offers endless possibilities thanks to its double boot floor design.

If that's not enough, add to it the optional Adaptive Cruise Control (ACC) that automatically adjusts your speed to keep you safe and panoramic sunroof that gives your view a fresh new perspective. Now that's the new Leon ST.

Never again will you have to decide between style and versatility.

\* Standard on SE, FR and CUPRA models.  
Model Shown: Leon ST SE with optional Appearance Pack Technology Pack,  
Adaptive Cruise Control, Park Assistance Pack and Monsoon Grey paint.

LEON ST

# LEON X-PERIENCE DESIGNED FOR DISCOVERY

The **SEAT Leon X-PERIENCE**, the first all road Leon with 4Drive, permanently on demand all-wheel drive technology, combines distinctive design with exclusive features, giving you the perfect vehicle to explore new destinations and have new experiences.

The SEAT Leon X-PERIENCE continues the same beautiful design that characterises the Leon family with specific enhancement that match the demands of off-road surfaces. Features such as protective cladding on the wheel arches and side skirts combine robustness with protection, while a higher suspension ensures an effortless drive on even the most challenging of roads.

Inside materials of the highest quality are used throughout, with details like the orange stitching on the leather steering wheel, adding a touch of sophistication and better grip too. As versatile as it is attractive, with the adaptable boot space of up to 1470 litres, you have the flexibility to pack exactly what you need.

Travel in safety and comfort thanks to its state-of-the-art technology. The 4Drive system automatically adapts to the road, distributing power between the wheels to ensure agility and control in every situation.

Leon X-PERIENCE SE Technology with optional Adaptive Cruise Control and Adventure Brown Metallic Paint.

**LEON X-PERIENCE**

# WHERE BEAUTY MEETS BEAST

Sometimes beauty is better appreciated when you take your time to contemplate it. Other times you enjoy it by taking it to the limit. This is the Leon CUPRA.

The CUPRA 290 blends power and handling with precise agility. From the Dynamic Chassis Control, which adapts the characteristics of your CUPRA's chassis to the conditions of the road, to the front mechanical differential lock, designed to improve traction and handling while also delivering a more precise and relaxed steering feel. The CUPRA engine provides maximum power and its high performance brake system delivers a safe and reliable deceleration every time. Even the SEAT Drive Profile has been redesigned to suit the car's ultra-sporty characteristics.

Just by looking at the CUPRA, its design identity stands out. Impressive air intakes, full LED headlights, dual chrome exhaust pipes as well as its 19" alloy wheels with titanium finish and red brake callipers reflect its sporty appearance. The accentuated dynamics of the exterior continue seamlessly throughout the interior. The aluminium finished pedals add refinement and its door sill trim displays the CUPRA logo. The Leon CUPRA is our highest performance SEAT, and all of this combined with good fuel economy for such a powerful engine (ST DSG: urban 33.2 mpg, extra-urban 51.4 mpg and combined 42.8 mpg), make the CUPRA 290 the car that best expresses SEAT's racetrack heritage on the road.

Model Shown: Leon ST CUPRA 290 with optional Winter Pack, 19" Multi Black alloy wheels, CUPRA Black-Line and Adaptive Cruise Control in Nevada White metallic paint. Fuel consumption and CO<sub>2</sub> figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the SEAT website at [www.seat.co.uk](http://www.seat.co.uk) and at [www.dft.gov.uk/vca](http://www.dft.gov.uk/vca).

LEON ST CUPRA

## PACKED FULL OF TECHNOLOGY

Our ambition was to make the Leon an unforgettable driving experience. That's why our attention to detail is easy to see. From the ergonomic seats and moulded instrument clusters, to the chrome door handles and leather steering wheel; everything in the Leon breathes an air of quality.

There's also a range of upholstery choices, including cloth, Alcantara or leather in black and grey. An extra touch of distinction is provided by the LED Interior Illumination Pack, optional as part of Convenience Pack Plus for SE and FR and standard on CUPRA and X-PERIENCE models. And you'll find sophisticated infotainment systems that will keep you up-to-date and entertained.

# TECHNOLOGY AT YOUR FINGERTIPS

The SEAT Sound System and radio, Navigation System, Bluetooth®, and more, are all controlled through our very own EasyConnect entertainment system, which is standard on all models. This allows you to manage the Leon's large array of infotainment options through a single touchscreen mounted on the dashboard. The entire console is driver-orientated for easier control and syncs easily through SEAT Full Link technology, optional or part of Navigation System High, for social media and your favourite playlists, wherever you are.

A substantial 5" screen comes as standard, with the option to upgrade to a 6.5" Media System Plus, Navigation System or Navigation System High. Navigation System High, features a super high resolution 6.5" colour touch-screen display incorporating: 3D map views, SEAT Full Link, 10gb jukebox, image and video viewer, SMS reader and improved voice recognition. Whichever you choose, the three-dimensional button designs, razor-sharp display and logical interface will keep you connected to the world and to your inner-child.

Optional Navigation System High shown

# DRIVING PLEASURE IS ABOUT ENJOYING THE DETAILS

Look deep into the Leon's sculpted front and rear lights, and you'll see the future: SEAT Full LED headlights. A unique feature that brings the benefits of daylight to night time driving.

LED lights are smarter and more efficient than their halogen equivalents. With pure white 'daylight' at the front for improved vision and faster response lighting at the back to give drivers behind you more time to react when you brake. Not only do they make you more visible, they also give the Leon a sleek look that's sure to be admired.

With futuristic lights outside, we had to create the optimum experience inside too.

Why not combine the full LED headlights with two more convenient features of navigation system and DAB digital radio. The optional Technology Pack combines all three of these most popular options and offers great value.

## TECHNOLOGY PACK

**DIGITAL AUDIO BROADCASTING (DAB) RADIO TUNER.**  
Enjoy listening to your favourite radio station with complete clarity, in addition to AM/FM and MW frequencies.

**NAVIGATION SYSTEM.**  
Let it guide you to your destination with its 7 digit post code functionality, 3D map display and navigation via voice command.

**FULL LED HEADLIGHTS.**  
The Leon is the first car in its segment to offer full LED headlights. They make use of LED technology both in the main and dipped beams, but also the daytime running lights. They also give the Leon a sleek, contemporary look. Headlamp washers are optional as part of the optional Winter Pack.

# SYSTEMS THAT CAN FORESEE YOUR REACTION

The most important things that go into the Leon are you and your passengers. That's why we've designed it to be one of the safest places you can be on the road.

There are a host of ways the Leon also looks out for you. With the aid of a mono-video camera installed on the windscreen, the High Beam Assist automatically alters the intensity of the headlights when faced with oncoming traffic. Lane Assist warns you if you unintentionally drift into another lane and automatically corrects the car's trajectory. There's even a Tiredness Recognition System that measures your fatigue and helps to keep you alert at the wheel.

Seven airbags come as standard, including knee airbag. And in the rear seats there's an ISOFIX system to keep the smallest passengers safe and sound.

And with the Leon being awarded the maximum 5-star Euro NCAP\* safety rating.

Wherever you sit in the Leon, you'll always be on the safe side.

\*For detailed information go to [www.euroncap.com](http://www.euroncap.com), the 5 star EuroNCAP rating was awarded to the SEAT Leon 5DR, ST and X-PERIENCE model tested in 2012.

## FRONT & REAR PARKING SENSOR.

These intelligent sensors help guide you into a parking space without incident, warning you if you are too close to the kerb, or another car. Standard on FR and CUPRA models, available as an option for SE and X-PERIENCE models as part of Park assistance pack.

## REAR VIEW CAMERA.

Make squeezing into those tight spots a breeze with the Rear View Camera. Located in your rear bumper, the camera features sensors that alert you to possible obstacles or hazards via your car's interior display for easier, safer parking. Available as an option for SE, FR and CUPRA and X-PERIENCE models.

## MULTI-COLLISION BRAKING SYSTEM.

In the unlikely event of an accident, when the airbags have been deployed this innovative new braking system will slow the vehicle to avoid any further collisions, keeping you and your passengers safer than ever. Standard on all models.

## LANE ASSIST.

Lane assist helps the driver to stay in lane and is particularly useful on motorways. The system informs the driver if the car is drifting out of its lane unintentionally and provides gentle steering impulses to guide the driver back into lane. Available as part of the optional Safety Pack Plus on SE and FR, CUPRA and X-PERIENCE SE Technology models.

## HIGH BEAM ASSIST.

Where necessary, the Leon switches from high to low beam settings automatically so as not to dazzle oncoming traffic. And it leaves you free to concentrate on the road ahead. Available as part of the optional Safety Pack Plus on SE and FR, CUPRA and X-PERIENCE SE Technology models.

## ADAPTIVE CRUISE CONTROL (ACC) WITH FRONT ASSIST.

The Adaptive Cruise Control works with a sensor installed on the front of the car to measure the distance and speed relative to vehicles up to 200 metres ahead, and automatically adjusts your speed to maintain a safe braking distance. The Front Assist uses audio and visual alerts to notify you when danger of a head on collision is detected. If you don't react the system briefly applies the brakes, before automatically applying the emergency braking system to minimise or avoid collision. Adaptive Cruise Control (ACC) with Front Assist is available as an option on SE, FR, CUPRA and X-PERIENCE SE Technology models.

# TRIMS

## S

- / 15" steel wheels with 'Urban' covers
- / Emergency tyre repair kit
- / Halogen daytime running lights
- / Body-coloured door mirrors with integrated LED indicators
- / Black roof rails (Leon ST only)
- / Double boot floor (Leon ST only)
- / Electrically adjustable and heated door mirrors
- / Media System Colour
  - 5.0" colour touchscreen
  - Combined USB/AUX-in port
  - SD card slot
  - FM / AM radio
  - Bluetooth® audio streaming with handsfree system
  - Integrated voice control
  - Steering wheel mounted audio and phone controls
- / Six speakers
- / Front courtesy light with front reading light
- / Height-adjustable driver's seat
- / Electro-mechanical power steering (speed-sensitive)
- / 12V socket in centre console
- / 12V socket in boot (Leon ST only)
- / Height-and reach-adjustable steering wheel
- / Electric front windows (one touch with anti-squeeze)
- / Air conditioning
- / Driver and front passenger airbags
- / Front passenger airbag deactivation
- / Front side airbags
- / Two curtain airbags
- / Driver's knee airbag
- / Three-point seatbelts on all seats
- / Front seatbelt reminders
- / ISOFIX points in outer rear seats with top tether anchorage points
- / Remote central locking with deadlocks
- / Electronic Stability Control (ESC) with Emergency Brake Assist (EBA)
- / Tyre pressure monitoring
- / Alarm (perimeter and interior monitoring) with back-up horn and tow-away protection
- / Electronic engine immobiliser
- / Automatic Post-Collision Braking System

SE

**IN ADDITION TO THE S TRIM**

- / 16" 'Design' alloy wheels
- / Chrome roof rails (Leon ST only)
- / Front fog lights with cornering function
- / Rear courtesy light with rear reading light
- / Ambient spot lighting and footwell illumination
- / Front armrest (height and reach adjustable) with storage compartment
- / Chrome loading sill (Leon ST only)
- / Rear armrest (Leon ST only)
- / Leather steering wheel and gear knob
- / Height-adjustable front passenger's seat
- / Driver's seat with lumbar adjustment
- / Easy rear seat-back release mechanism (Leon ST only)
- / Chrome interior decorative mouldings
- / Cruise control
- / Electric rear windows (one-touch with anti-squeeze)
- / Electronic differential lock system (XDS)
- / Hill hold control

**TECHNOLOGY PACK**

The Technology Pack includes the SEAT Navigation System which integrates high quality audio with voice recognition with a high resolution 6.5" colour touchscreen. DAB Digital radio for superior sound and less interference and Full LED headlights with LED daytime running lights and LED taillights.

**APPEARANCE PACK.**

The optional Appearance Pack helps you to customise your Leon to suit you. With 'Dynamic' alloy wheels and dark tinted windows, your Leon will stand out from the crowd.

**CONVENIENCE PACK PLUS.**

With the optional convenience pack plus, you can sit back and relax. Features include an interior mirror that dims automatically to avoid glare from following vehicles and rain sensors that automatically activate the windscreen wipers. There's also a Coming Home function, which keeps your car's headlights on when you arrive, giving you enough time to get into your front door safely. How convenient.

Optional Technology Pack and Duel Zone Climate Control shown

## FR

### IN ADDITION TO THE SE TRIM

- / 17" 'Dynamic' alloy wheels
- / LED taillights
- / Dark tinted rear windows
- / Twin exhaust pipe
- / Exclusive FR front and rear bumpers
- / Electrically folding door mirrors
- / Eight speakers
- / Flat-bottomed perforated leather steering wheel with red stitching and FR logo
- / Aluminium front door sill trims with FR logo
- / Front passenger's seat with lumbar adjustment
- / Front sports seats with cloth, red stitching and simil leather bolsters
- / Dual-zone climate control
- / Passenger door mirror with 'kerb' function when reversing
- / SEAT Drive Profile with four different modes (Eco-Normal-Sport-Individual)
- / Sports suspension
- / Steering wheel-mounted gearshift paddles (DSG models only)
- / Front and rear parking sensors with Optical Parking System display

Tip: Why not add Navigation System high to remain connected whilst on the move with Full Link technology

### FR LEATHER UPHOLSTERY PACK.

The optional FR leather upholstery pack includes leather upholstery with perforated simil leather bolsters and winter pack with electrically adjustable driver's seat on 5DR and ST variants.

### ADAPTIVE CRUISE CONTROL (ACC) WITH FRONT ASSIST.

This innovative safety feature means the Leon always maintains a safe braking distance in relation to the car in front. Sensors monitor the situation of the preceding traffic so when the distance increases, the ACC automatically accelerates to the required speed. Combined with the emergency braking function, the car can even stop completely, avoiding a direct collision.

### NAVIGATION SYSTEM HIGH.

The SEAT Navigational System High includes a high resolution 6.5" touchscreen with CD, AUX-in, 2 SD cards and Bluetooth® connectivity for hands-free and audio streaming. This advanced navigational system also includes voice recognition, Full Link, WiFi, SMS, DVD playback, 3D navigational view and a 10 GB hard drive so you're totally at home when on the road.

## CUPRA 290

### IN ADDITION TO THE FR TRIM

- / 19" 'CUPRA 290' Titanium finished alloy wheels
- / Red brake callipers with CUPRA logo
- / Black door mirrors
- / Black exterior mouldings and frames
- / Rear roof spoiler with black underside
- / Dual exhaust pipe
- / Exclusive CUPRA front and rear bumpers
- / Full LED Headlights (dipped and main beam)
  - LED daytime running lights
  - Automatic range adjustment
- / SEAT Media System Plus
  - 6.5" colour touchscreen proximity sensor
  - Digital Audio Broadcasting (DAB) digital radio
- / Navigation System
  - 3D map display
  - High resolution colour driver's display
  - SD card slot x2
  - Full Link
- / Black interior decorative mouldings
- / LED interior illumination pack
- / Front sports seats in alcantara with simil leather bolsters and white accents
- / Aluminium front door sill trims with CUPRA logo
- / Steering wheel-mounted gearshift paddles (DSG models only)
- / Flat-bottomed perforated leather steering wheel with white stitching and CUPRA logo
- / Auto-dimming rear view mirror
- / Rain-sensing wipers
- / Auto-headlights
- / ESC switch-off key
- / SEAT CUPRA Drive Profile with four different modes (Normal-Sport-CUPRA-Individual)
- / Dynamic chassis control (DCC)
- / Electro-mechanical progressive power steering (speed-sensitive)
- / Mechanical limited slip differential

Tip: Why not customise your CUPRA 290 with the CUPRA Colour Lines

### CUPRA 290 LEATHER UPHOLSTERY PACK.

The optional CUPRA 290 leather upholstery pack includes perforated simil leather bolsters, winter pack and rear seat armrest; with electrically adjustable driver's seat on the 5DR and ST variants to make each journey as luxurious as the last.

### CUPRA BLACK-LINE.

The optional CUPRA Black Line features 19" CUPRA alloy wheels with black accents, gloss black door mirrors, black CUPRA tailgate lettering, gloss black front grille surround and black rear side spoilers to make your CUPRA exclusive and customised to you.

## X-PERIENCE SE

### IN ADDITION TO THE SE TRIM

- / 17" 'Twin spoke' alloy wheels
- / Black roof rails
- / Dark tinted rear windows
- / Exclusive X-PERIENCE front and rear bumpers
- / LED interior illumination pack
- / Aluminium front door sill trims with X-PERIENCE logo
- / Perforated leather steering wheel with orange stitching and X-PERIENCE logo
- / Front passenger's seat with lumbar adjustment
- / Front sports seats in cloth with simil leather bolsters
- / 4Drive System - permanently on demand all-wheel drive
- / Dual-zone climate control
- / Improved ground clearance (28mm)
- / Twin exhaust pipe
- / Rear parking sensors

Tip: Why not add the optional X-PERIENCE Lux pack to enhance the interior upholstery and finish the exterior style with chrome trimmed roof rails

## X-PERIENCE SE TECHNOLOGY

### IN ADDITION TO X-PERIENCE SE

- / 18" 'X-PERIENCE' machined alloy wheels
- / Electrically folding door mirrors
- / Full LED headlights (dipped and main beam)
  - LED daytime running lights
  - Automatic range adjustment
- / LED taillights
- / Interior ambient door panel lighting (DSG models only)
- / SEAT Media System Plus
  - 6.5" colour touchscreen proximity sensor
  - Digital Audio Broadcasting (DAB) digital radio
- / Navigation System
  - 3D map display
  - High resolution colour driver's display
  - SD card slot x2
- / Eight speakers
- / Front sports seats in alcantara with simil leather bolsters
- / Steering wheel-mounted gearshift paddles (DSG models only)
- / SEAT Drive Profile with four different modes (Eco-Sport-Normal-Individual) (DSG models only)
- / Auto-dimming rear view mirror
- / Auto-headlights
- / Rain-sensing wipers
- / Dynamic Chassis control (DCC) (DSG-models only)

### ELECTRIC PANORAMIC SUNROOF.

The optional electric sunroof opens up the interior, giving every passenger a little more room to breathe.

### SEAT SOUND SYSTEM.

Explosive sound throughout the Leon, with 10 high quality speakers and a powerful boot mounted subwoofer for an intense audio experience

### X-PERIENCE LUX PACK.

The LUX pack features a sumptuous black leather interior with electrically adjustable driver's seat, heated front seats and heated washer nozzles for all weather conditions. The exterior is finished with chrome trimmed roof rails for an even more luxurious look.

# BRINGING COLOUR TO YOUR CUPRA 290

New CUPRA Black, White & Orange lines

The SEAT Leon CUPRA takes sporty performance and dynamic design to new heights. Now the new optional Black, White and Orange Lines bring yet more individualism, vitality and sportiness to this eye-catching model.

Design is so much more than appearance. The design choices you make reflect your character, your emotions and your identity. These new colours allow you to perfectly express yourself with outstanding exterior features in classic black, brilliant white, or sporty orange each accentuating the powerful appearance of your CUPRA.

With the CUPRA Black Line, enjoy an understated elegant and classic look, while with the CUPRA White Line, accentuates vitality and freshness. The CUPRA Orange Line gives your car a youthful, athletic, standout look: exterior mirrors, lettering on the tailgate, outlined front grille frame and 19" CUPRA Alloy wheels, each in Black High Gloss, Pure White or Cupracer Orange.

CUPRA Colour Lines only available for CUPRA 290.

Model shown: CUPRA 290 with optional CUPRA Orange Line, Winter Pack, Electric Sunroof, Adaptive Cruise Control and Monsoon Grey metallic paint.

# EXCLUSIVE BLACK AND ORANGE SUB8 PERFORMANCE PACKS

Take your performance even further

The most powerful SEAT just got even more intense. These Sub8 Performance Packs were developed by SEAT Sport in recognition of the previous CUPRA 280 completing the Nurburgring Nordschleife Circuit in a record breaking 7 minutes 58.4 seconds. These packs add an extra dimension of excitement to the New CUPRA 290, providing a competition-level driving experience and even more dynamism on the road. These exclusive Sub8 Performance Packs come in two signature colours that give your CUPRA 290 a powerfully sporty look: stylish Black or striking Orange. Each pack gives you racing- standard 19" alloy wheels, high-tech Brembo brake callipers and aerodynamic side skirts. Add the optional "Pilot Sport Cup 2" Michelin tyres for extra handling, comfort and traction on those fast corners.

**BREMBO CALLIPERS.**  
Extremely light and exceptionally precise, Brembo callipers offer significant benefits in terms of stopping capability and weight reduction.

**DYNAMIC DESIGN.**  
Enhance both the look and performance of your CUPRA 290 with 19" 30/3 black alloy wheels and aerodynamic side skirts.

<sup>1</sup>The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

<sup>2</sup>Where law permits.

<sup>3</sup>Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

Model shown: Leon SC CUPRA 290 with optional CUPRA Black-Line, Winter Pack, Electric Sunroof, Adaptive Cruise Control and Dynamic Grey metallic paint.

Submission of dimensions with unladen vehicle weight. Illustration shows 17" (SE trim) alloy wheels and 18" (CUPRA trim). Height and length may vary, please refer to the technical data pages.

# MAKE THE WORLD YOUR OWN

Personalise your new Leon to make the most of your driving and ownership experience. A wide range of accessories is available offering the very latest in-car communications and entertainment technology, styling features to enhance your car's dynamic stance, and practical equipment to help put the life in your lifestyle.

## TAILGATE SPOILER.

Aerodynamic impact-resistant, tough yet sleek, tailgate spoiler. Whether used on its own or with other exterior styling accessories, it will make a lasting impression.

## ONLINE ACCESSORY ORDERING

'click+go' is the quick and easy way to order our most popular SEAT fitted accessories online and at your local dealership. Whenever you see  next to an accessory you can book a fitting appointment at your chosen dealer. Just give us a few details and use the online calendar to confirm a day and time for having your accessories fitted.

\*Bike holder is not available as a click+go item

## 18" BLACK ALLOY.

For maximum personalisation – adding a sporty and purposeful stance.

## BIKE HOLDER<sup>1</sup> AND ROOF BARS.

Aerodynamic aluminium frame for transporting bikes. With anti-theft locking device. Used together with roof bars (sold separately).

## SIDE SKIRTS.

Side skirts emphasise a vehicle's lines, giving a dynamic side view with ground hugging contours. Made of a hard-wearing, flexible material, they can resist high stress.

## FOIL SILL GUARDS.

Sill guards that adapt to the shape of the door sill. An eye-catching addition that keeps the scratches off your pride and joy.

## SPORT TORNADO ALUMINIUM/RED GEARNOB.

SEAT 5/6-speed gearknob in aluminium with a sporty finish. Personalised with Tornado red inserts. Not suitable for vehicles with automatic gearbox.

## DETACHABLE TOW BAR.

Removable tow bar with security system. A colour indicator system makes for easy placement of the hook.

## MUD FLAPS.

Protects the car body from materials projected by the front wheels during driving.

## PROTECTIVE BOOT TRAY.

Flexible piece of protective rubber that perfectly fits and protects the boot area.

## SPARE WHEEL KIT.

Please consult your dealer for which wheel size your car requires.

To view more Leon accessories visit [seat.co.uk/accessories](http://seat.co.uk/accessories) and download a Leon pdf brochure. Or ask your dealer about the printed Accessories range brochure and price list.

## SEAT SERVICE

Taking care  
of your SEAT.

**WHETHER IT'S REGULAR MAINTENANCE OR REPAIR, WE'RE HERE TO HELP YOU.** With our specially-trained technicians, SEAT-approved parts and no-nonsense fixed prices – among a host of other added benefits – you can be confident your car gets the care it deserves.

**You love your SEAT.  
So do we.**

Your SEAT is special to you, and deserves special treatment when it's time for a service or repair. So put it in the hands of people who know and care about your car as much as you do: your SEAT Dealer.

**We offer competitive, transparent, fixed prices that are great value for money.**

We promise that your service or repair will employ all of the following (and plenty more besides), to give your car the care it deserves.

**SEAT Technicians** with specialist training, using SEAT's latest diagnostic and repair technology.

**SEAT-approved parts** will be fitted, complete with two-year warranty.

**A comprehensive check** of SEAT's database for the latest vehicle safety, software and product enhancements.

**Free wash and vacuum** with every service.

**Your approval** prior to any additional work we believe needs to be carried out.

**Easy drop-off and collection**, including loan cars, collection and delivery from your home address, or a courtesy lift.

**Online booking.** Choose a time and place to suit you.

**A SEAT stamp in your service book.** The reassurance that only comes with the real thing.

**Fixed-price servicing and maintenance  
for SEAT cars 1-15 years.**

At SEAT we want to make it easy for you to know what your servicing costs will be up front so that you can keep a tight rein on your budget. That's why **we have transparent fixed prices on a whole range of services and maintenance jobs for SEAT cars.** Book a fixed-price service or maintenance job online by following six simple steps. Visit [seat.co.uk/service](http://seat.co.uk/service) to book and for further information.

Book your service online and get

1st year: **free 1 litre Castrol Edge professional oil top-up kit** worth £18.50

2-15 years: **free SEAT European roadside assistance** worth £245

We are so confident about our prices that if you have any 'It's Fixed' job done with us and then find within seven days and five miles that you could have had it done cheaper, **we will refund the difference.**

**SERVICE PLANS**

Knowing you've got your ongoing servicing costs taken care of is a major bonus in car ownership, and that's where SEAT's fixed-price service plan comes in. Covering all of your scheduled servicing for either two, or three years and the ability to spread the cost **with affordable monthly payments** of £19.99. Visit [seat.co.uk/serviceplans](http://seat.co.uk/serviceplans) for more information.

## SEAT SERVICE

More peace of mind from SEAT.

**TAKE COMFORT FROM OUR EXTENDED WARRANTY AND FREE ACCIDENT MANAGEMENT.** Longer-term ownership of your SEAT is even more appealing with our extended warranty periods, and if you're unfortunate enough to have an accident in your car, we're here to help take the strain with our free accident management Ensurance cover.

### Extended Warranty. Extend your peace of mind.

**It's reassuring to know you're covered for the cost of unexpected car repairs.** And you can enjoy this feeling for up to two years longer with a SEAT Extended Warranty.

When you buy a new SEAT from a SEAT dealer, your new car is covered by a three-year/60,000 miles manufacturer warranty. And if you take out a SEAT Extended Warranty before your new car is registered, **you'll get exactly the same level of cover for up to five years**, at extremely competitive prices.

You can choose a SEAT Extended Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles, whichever is soonest. Plus **it's fully transferable to the new owner** (and subsequent owners) should you sell your car – enhancing the resale value of the car.

For further information and full terms and conditions, go to [seat.co.uk/extendedwarrantyterms](http://seat.co.uk/extendedwarrantyterms)

### Ensurance. Three years free cover for new and used SEATs.

- / One-stop SEAT accident management
- / Dedicated Incident Manager
- / Guarantee that repairs are undertaken by participating SEAT-approved repairers
- / Online claim notification and repair tracking
- / Guarantee that only genuine SEAT parts and paints are used
- / Legal expenses cover
- / Courtesy car where applicable

Ensurance works alongside your main motor insurance policy no matter who it's from, **giving you and your car additional protection.**

For further information and to activate SEAT Ensurance, go to [seat-ensurance.co.uk](http://seat-ensurance.co.uk). After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

# SOLUTIONS PERSONAL CONTRACT PLAN (PCP)

Making your budget go the extra mile

Solutions (PCP) is a flexible finance package that really puts you in the driving seat. Solutions offers flexibility – from your deposit and monthly repayments to what you do with your SEAT at the end of the agreement.

By paying a small deposit (as little as a single month's repayment) over a repayment period from 18 months up to four years, you can enjoy a plan individually suited to your needs and monthly budget.

Solutions takes away the worry about depreciation because a proportion of the value is left until the end of the agreement (the optional final payment), which acts as a guaranteed minimum future value. By doing this means you can lower your monthly repayments or make your budget go even further with a higher spec.

The options are wide open with Solutions.

## DECISION TIME

1. Choose a repayment period and annual mileage.
2. Pay your deposit which can be made up of cash or a part exchange.
3. Agree the number of repayments.

Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

## AT THE END OF YOUR AGREEMENT YOU HAVE 3 OPTIONS

1. Part exchange your existing car for a new SEAT on a Solutions (PCP) contract (subject to status).
2. Pay the optional final repayment and keep your SEAT.
3. Hand the car back (subject to terms and conditions).

## IMPORTANT INFORMATION TO CONSIDER

- / You may end your agreement earlier than the full term. However, depending how far you are in to your agreement will affect the final amount left to pay.
- / If you exceed the anticipated mileage agreed at the start of your agreement and intend to return the vehicle then excess mileage charges will apply.
- / It is important to keep the vehicle in good condition as this will affect the value of the vehicle. You may be charged for any damage that goes beyond fair wear and tear.

## COST OF YOUR CAR

### DEPOSIT

As little as one repayment

### AMOUNT TO FINANCE

Divided into any choice of 18 to 48 fixed repayments

### ADDITIONAL FINAL PAYMENT

You have three choices at the end of your agreement
