TECHNOLOGY TO ENJOY

Welcome to a new world where everything revolves around you. Where innovation and engineering exist to serve your driving pleasure. A world where technology is committed to helping you fully enjoy life.

## MY Mii

And now this new world has brought us the SEAT Mii, a car that will make you see things differently. Once you sit behind the wheel, nothing will ever be the same again.

Starting now, parking spaces will be bigger. Rush hour traffic lighter. Even your favourite restaurants will suddenly seem closer.

The SEAT Mii has been designed to optimise space and efficiency for day-to-day city driving. Fuel bills and running costs are kept down by the lightweight petrol engines. Insurance costs couldn't be lower, with a Group 1E and 3E rating on all 60 PS models (2E & 4E for 75 PS). It's equipped with the latest and best safety technology, and endowed with a surprisingly spacious boot. So it's ready to travel when you are. Life has so much more life with the SEAT Mii.

# KEEP YOUR OPTIONS OPEN

3 or 5-door. Your choice

The SEAT Mii fits effortlessly into its environment. And you'll fit into the SEAT Mii just as easily. Whether you opt for the three-door or five-door model, intelligent interior design optimises every inch of space.

On the three door, with the SEAT Easy Entry System\*, at the flick of a lever the front seats smoothly fold and slide, so your passengers can hop in and out with ease. But sometimes you need to turn that easy access dial right up to five. For picking up friends or taking the dog for a 'walk', the five-door Mii is where compact charisma meets practical city living.

\*Standard on the SE and above.

# SMART AND STYLISH

## The SEAT Mii I-TECH

The I-TECH range signals a new era of smart driving, with the latest technology and exclusive features that deliver even more equipment and design on the road.

The new SEAT Mii I-TECH comes with online technology that connects you to a new driving experience. The SEAT Portable System Live<sup>1</sup> gives you on-line search and up-to-date information about weather and traffic conditions, as well as information about the best places to visit on your journey.

To keep up with the beat, it also comes with 6 speakers. And to keep up with fashion the Mii I-TECH comes with an exclusive I-TECH logo on door sills and B Pillars. On the inside, leather steering wheel, gear knob and dashboard trim in Shira Grey and sumptuous *Barcelona* upholstery keep you comfortable on every drive.

I-TECH

# BECAUSE DESIGN MATTERS

The stylish new Mii by MANGO

When innovative design and technology meet urban fashion, the result is a car that perfectly reflects your style. Check out the Mii by MANGO: the result of a very special collaboration between SEAT and MANGO.

The Mii by MANGO turns heads with its atom grey door mirrors\*, stylish 15" alloy wheels and chrome door strips. Choose from chic Nude or elegant Deep Black paint colours with contrasting exteriors to always show off your best side. The elegant black interior with Nude details, comes with stunning black simil leather and perforated Alcantara seats, while the MANGO Nude topstitching on the leather steering wheel and gear knob are a discreet but very fashionable touch – and a reminder of the iconic brand behind the car.

Packed with those small and elegant details that express your unique style, and a design that is both chic and cutting edge, the new SEAT Mii by MANGO is ready to bring a fashionable new look to the city streets.

**A TOUCH OF SILVER.**  
15" alloy wheels in Silver colour put on a little sparkle on the Deep Black Mii by MANGO.

# NO NEED TO CUT CORNERS

Be bold. Be agile. Be Mii

The SEAT Mii brings an innovative concept into your life: “Fun to Drive”. Its great performance, excellent handling, and perfect adaptability to both the city and the open road that will make you see driving in a new light. And here’s how...

The SEAT Mii range includes two power outputs from one efficient engine size – 1.0 60PS or 75PS – designed to achieve maximum performance with amazingly low fuel consumption. And the latest Ecomotive engines allow you to enjoy more miles with even lower fuel consumption and CO<sub>2</sub> emissions.

A choice of automatic or manual transmission combined with a compact and robust design makes the Mii a nimble and surefooted city driver.

And to ensure you enjoy its extraordinary manoeuvrability at every turn, the SEAT Mii comes equipped with a range of active and passive safety systems. For example the optional Safety Assist scans the traffic ahead and brakes automatically in the event of a potential collision.

When it comes to stopping power, ABS installed as standard, combined with Electronic Stability Control (ESC), make for assured, progressive braking. Which is one less thing for you to worry about, and one more reason why the SEAT Mii really is “fun to drive”.

# CARING FOR YOU AND THE ENVIRONMENT

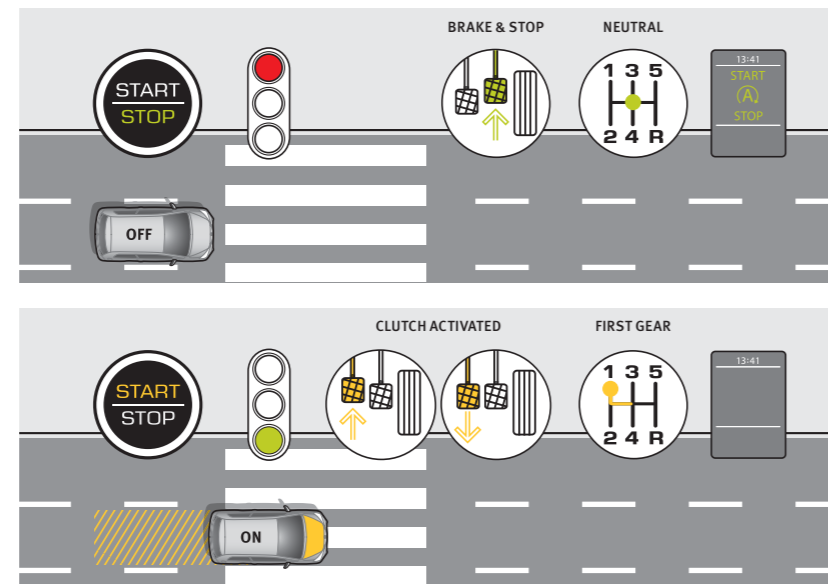

## Efficient engines

At SEAT we take our commitment to protecting the environment seriously. And we've developed the technology to prove it, without sacrificing power or performance.

Thanks to the SEAT Ecomotive engine, you can enjoy driving one of the most fuel-efficient, environmentally friendly vehicles on the market today. Cutting edge technology helps reduce CO<sub>2</sub> emissions, fuel consumption and costs without compromising the excitement of driving a SEAT.

Combined fuel consumption: 61.4-68.9 mpg. Combined CO<sub>2</sub> emissions: 106-95 g/km.  
Model Shown: Mii 3dr SE in Sunflower Yellow.

Ecomotive

### START/STOP SYSTEM.

This system allows you to save fuel and cut down on CO<sub>2</sub> emissions.

Start/Stop System activates when you are in a neutral gear position. The engine turns off completely and remains stopped until you put your foot on the clutch.

To be on the move again, you only need to step on the clutch, shift into first gear and the engine will start automatically.

# PLENTY OF SPACE

Fit it all in

The SEAT Mii offers quality and practicality in a compact format. Choose from a range of upholstery options to match your model. And finish the look with the leather covered steering wheel and gear knob\*.

But if there's one thing that makes a big impression in the SEAT Mii, it's the interior capacity. The spacious cabin has comfortable seating for four, and there's a choice of 5dr or easy entry 3dr models. The generous boot offers 251 litres of capacity, plenty of room to pack for a weekend getaway. But if you need even more space, just fold down the back seats.

\* Standard on SE and above.  
Model Shown on Right: Mii by MANGO 3dr in Nude.

# HAVE THE LATEST THING, FIRST

## SEAT Portable System Live

Designed to make your journey even more entertaining, the SEAT Portable System Live\* includes a complete navigation system, with a five-inch touch screen, voice recognition and Bluetooth® connectivity. As well as live traffic and weather updates, it can direct you to the closest petrol station or the best restaurant in town.

\*Includes one month free Live Services. Lifetime service available for purchase at Garmin Fresh shop. To find out more please contact your Dealer.

### NAVIGATION.

The SEAT Portable System Live\* is equipped with satellite navigation that allows you to select alternative routes using the 5" colour touch screen. You can also use voice command to enter your destination and get real-time traffic information by connecting to online search via Bluetooth® tethering on your smart phone. You can also use hands-free Bluetooth® to access your contact list and make calls through the car's speakers.

### RADIO/CD/MP3.

The media system gives you total control of your SEAT Mii audio environment. Not only can you select radio stations by their name or icon, you can also view a diagram of the car's interior and adjust the volume, bass and treble for each individual area. Activate the CD and MP3 option to navigate through your CD collection song by song, or search for tracks by folder. The system includes a Micro SD slot for your MP3 player as well as Bluetooth® tethering to listen to music also from your mobile, so it's easy to keep your SEAT Mii music library up to date.

### ECO TRAINER.

The SEAT Portable System now incorporates a new function called Eco Trainer, which allows you to monitor and adjust your driving behaviour in terms of impact on the environment and fuel consumption. Choose different challenges on the training function and scroll through tips to find a more fuel-efficient driving style. Once you've finished your drive, use Eco Trainer to check your consumption statistics, save trips and compare the journeys you've made.

### LIVE SERVICES AND SEAT CALL APP.

Stay connected on the road with online search. Get real-time traffic information, including best route recommendations and the current traffic situation, as well as weather updates and access to online destination info along the road. Use the SEAT CALL for one-click access to SEAT Service Mobility and SEAT Customer Care for instant assistance when you need it most.

### TRIP COMPUTER.

All the information you need at the touch of a button. The trip computer monitors the live status of your Mii and the SEAT Portable System\* gives you a heads-up display of the information. For example, instantly check current fuel consumption and projected mileage, so you'll know exactly when the next refill is due and avoid surprises. You'll have access to a host of other key data too, like outdoor temperature, anti-freeze level and a digital rev counter.

# EVERYTHING YOU MIGHT NEED

Making life easier

## HALOGEN HEADLIGHTS.

Night driving, bad weather, or poor light are not a problem. The SEAT Mii's angular halogen headlights light the way, whatever the conditions, wherever you're headed.

## ELECTRICALLY ADJUSTABLE AND HEATED DOOR MIRRORS.

Everything looks different from the SEAT Mii. Adjustable from inside the car, the electrically adjustable and heated door mirrors on SE, Sport and Mii by MANGO models mean you'll soon forget what a fogged mirror looks like.

## CRUISE CONTROL.

The SEAT Mii isn't only a city car. Thanks to the optional cruise control, long-distance travel is now just as comfortable. Set the speed and take your foot off the pedal. It's that easy. Optional as part of Convenience Pack for SE, Sport and Mii by MANGO models.

## SEAT SOUND SYSTEM.

Radio plus CD player with MP3 compatibility and an AUX-in port. Drive your car accompanied by your perfect soundtrack. Your new SEAT Mii can handle your favourite music whatever the format. Available as an option for SE and Sport models.

## SAFETY ASSIST.

Safety Assist scans in front of the vehicle with a laser. It then identifies and calculates the distance between the car and any object ahead. If the system senses it is getting too close to anything, it automatically activates the braking system to help avoid any collisions between 3-19mph. Optional on S, Ecomotive, SE, Sport & Mii by MANGO.

# YOUR STYLE, IN BLACK & WHITE

Make your Mii your own

Some choices in life really are black or white. Smart or casual? Sophisticated or cool? Every day we make the decisions that define how we want the world to see us. And that applies to your Mii as well. The Exterior Colour Packs dress your Mii in classic shades that are never out of fashion. Just choose the one that best suits your style on the streets and make sure your Mii tells the world who you are.

**SE WHITE PACK.**  
Turn heads with a SEAT Mii embellished with elegant white touches: 14" SILVA Alloy Wheels in white, complemented by white door mirrors and white door stickers. Stylish and definitely chic. Available as an option for SE models.

**SE BLACK PACK.**  
Black is black. The exterior mirrors in black give a cool urban look to your ride. A look completed by stunning black 14" SILVA alloy wheels and black door stickers. Available as an option for SE models.

# TOTAL SAFETY

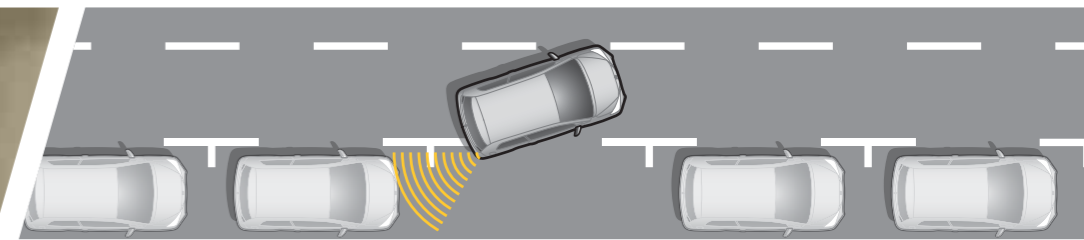

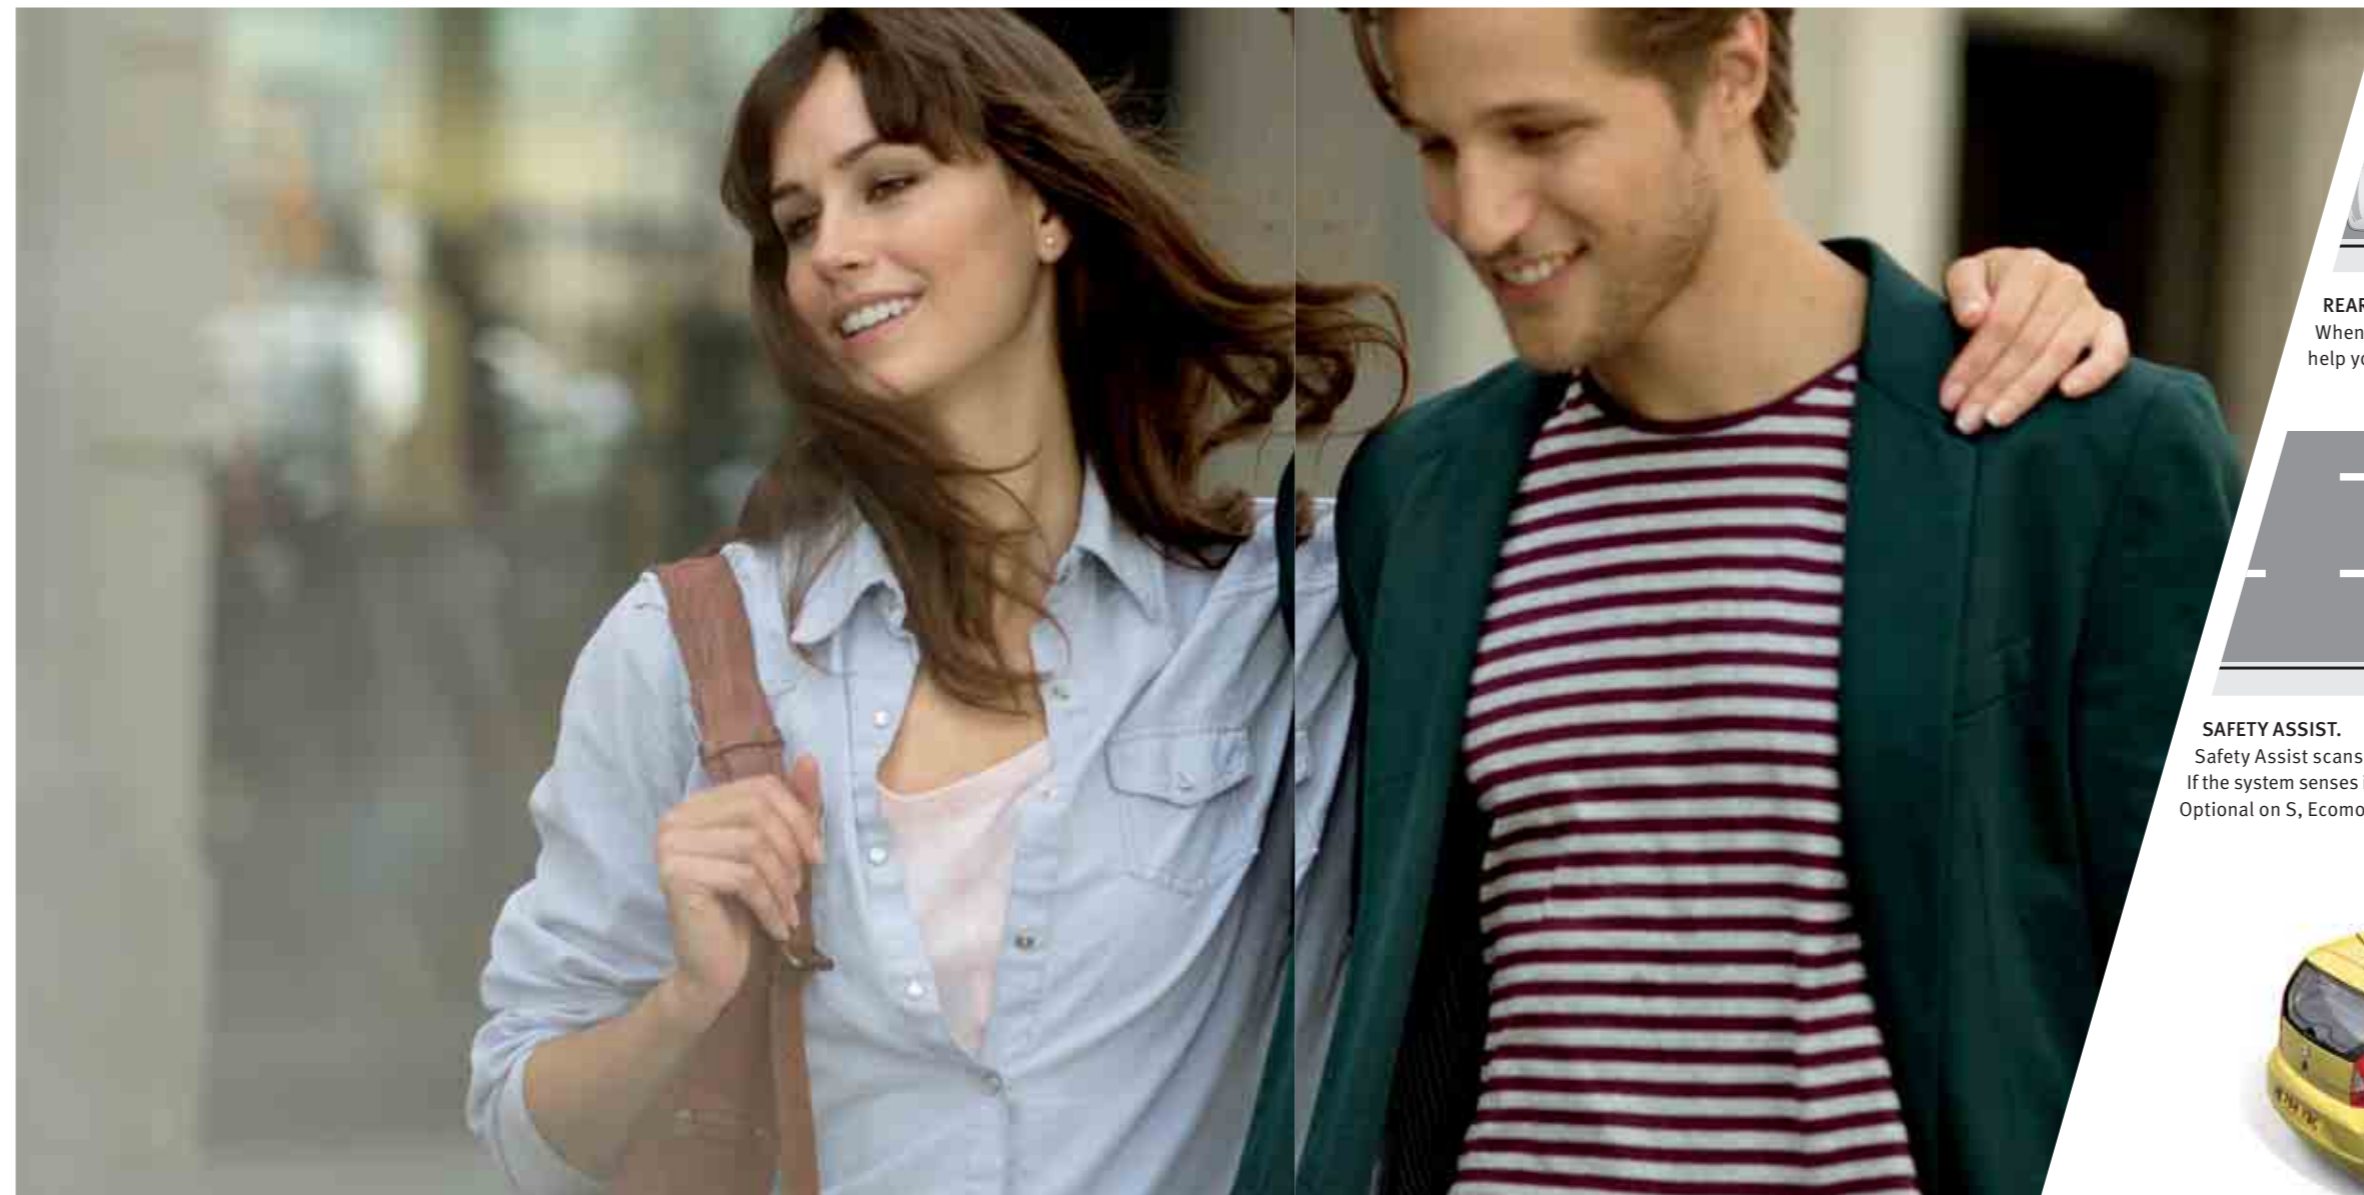

Leave it to us

The SEAT Mii is equipped with the most advanced active and passive safety systems, and has been awarded the maximum five-star Euro NCAP safety rating\*. So you can enjoy every trip worry free.

Electronic Stability Control (ESC), Hill Hold Control (HHC) and tyre pressure monitoring as standard on all trim levels help assure a safer driving experience, in any situation. The option of Safety Assist is available for urban driving.

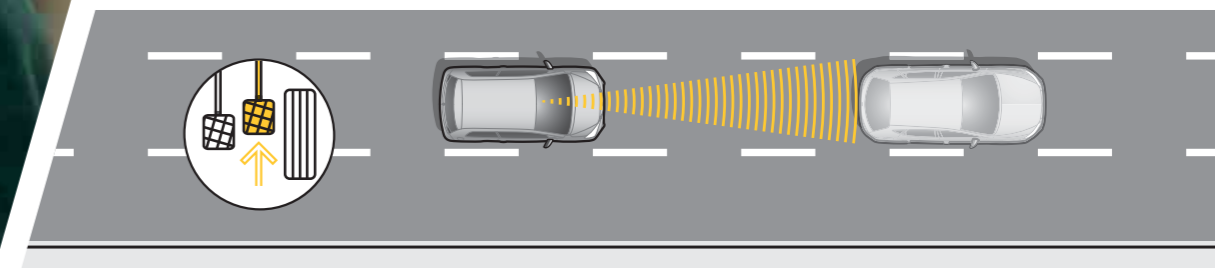

Sit at the wheel of your SEAT Mii and you'll find driver and passenger head and chest airbags. And the seatbelt warning means no one will ever forget to buckle up.

In the back, child safety seats are secured by the iSOFiX and Top Tether anchorage systems, keeping everything tightly in place, right where it should be.

#### REAR PARKING SENSORS.

When you own such a beautiful car, naturally you won't want others to get too close. No problem. The rear parking sensors will help you keep a safe distance between your Mii and the car parked behind you. Optional on Ecomotive, SE and Mii by MANGO.

#### SAFETY ASSIST.

Safety Assist scans in front of the vehicle with a laser. It then identifies and calculates the distance between the car and any object ahead. If the system senses it is getting too close to anything, it automatically activates the braking system to help avoid any collisions between 3-19mph. Optional on S, Ecomotive, SE, Sport & Mii by MANGO.

#### AIRBAGS.

Whether you're taking a long trip or a short one, in company or alone, you'll always be prepared for whatever might happen on the road. Feel totally protected inside your SEAT Mii with twin front head and chest airbags.

<sup>1</sup>The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

<sup>2</sup>Where law permits.

<sup>3</sup>Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

## EXTENDED WARRANTY

Extend your peace of mind

It's reassuring to know you're covered for the cost of unexpected car repairs. And you can enjoy this feeling for up to two years longer with a SEAT Extended Warranty.

When you buy a new SEAT from a SEAT dealer, your new car is covered by a three-year/60,000 miles manufacturer warranty. And if you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover for up to five years, at extremely competitive prices.

You can choose a SEAT Extended Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles, whichever is soonest. Plus it's fully transferable to the new owner (and subsequent owners) should you sell your car – enhancing the resale value of the car.

For further information and full terms and conditions, go to [seat.co.uk/extendedwarrantyterms](http://seat.co.uk/extendedwarrantyterms)

## ENSURANCE

Three years FREE cover for new and used SEATs

- / One-stop SEAT accident management
- / Dedicated Incident Manager
- / Guarantee that repairs are undertaken by participating SEAT-approved repairers
- / Online claim notification and repair tracking
- / Guarantee that only genuine SEAT parts and paints are used
- / Legal expenses cover
- / Courtesy car where applicable

Ensurance works alongside your main motor insurance policy no matter who it's from, giving you and your car additional protection.

For further information and to activate SEAT Ensurance, go to [seat-ensurance.co.uk](http://seat-ensurance.co.uk). After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

# SOLUTIONS PERSONAL CONTRACT PLAN (PCP)

Making your budget go the extra mile

Solutions (PCP) is a flexible finance package that really puts you in the driving seat. Solutions offers flexibility – from your deposit and monthly repayments to what you do with your SEAT at the end of the agreement.

By paying a small deposit (as little as a single month's repayment) over a repayment period from 18 months up to four years, you can enjoy a plan individually suited to your needs and monthly budget.

Solutions takes away the worry about depreciation because a proportion of the value is left until the end of the agreement (the optional final payment), which acts as a guaranteed minimum future value. By doing this means you can lower your monthly repayments or make your budget go even further with a higher spec.

The options are wide open with Solutions.

## DECISION TIME

1. Choose a repayment period and annual mileage.
2. Pay your deposit which can be made up of cash or a part exchange.
3. Agree the number of repayments.

Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

## AT THE END OF YOUR AGREEMENT YOU HAVE 3 OPTIONS

1. Part exchange your existing car for a new SEAT on a Solutions (PCP) contract (subject to status).
2. Pay the optional final repayment and keep your SEAT.
3. Hand the car back (subject to terms and conditions).

## IMPORTANT INFORMATION TO CONSIDER

/ You may end your agreement earlier than the full term. However, depending how far you are in to your agreement will affect the final amount left to pay.

/ If you exceed these in good condition as this will affect the value of the vehicle. You may be charged for any damage that goes beyond fair wear and tear.

## COST OF YOUR CAR

### DEPOSIT

As little as one repayment

### AMOUNT TO FINANCE

Divided into any choice of 18 to 48 fixed repayments

### ADDITIONAL FINAL PAYMENT

SEAT EXTENDED WARRANTY

## THE SEAT WARRANTY

### THREE-YEAR WARRANTY.

All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest) Dealer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT dealer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines. Full details of the three-year warranty are available from your SEAT dealer or repairer.

### SEAT EXTENDED WARRANTY.

If you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover, as the three year warranty, but for up to five years. You can choose a SEAT Extended Warranty to last until the end of the 4<sup>th</sup> year/up to 75,000 miles or until the end of the 5<sup>th</sup> year/up to 90,000 miles, whichever is soonest. SEAT Extended Warranty products are only available at the time of ordering your new SEAT.

### THREE-YEAR PAINT WARRANTY.

The paintwork of the Mii is covered against manufacturing defects for a period of three years. Naturally, the Mii must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

### TWELVE-YEAR BODY PROTECTION WARRANTY.

The internal body sections and panels of the Mii is covered against rusting through from the inside for a period of twelve years. Naturally, the Mii must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

### SEAT PARTS WARRANTY.

SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

## SEAT ACCESSORIES.

Every accessory is designed specifically for SEAT and is fully tested to our high quality standards. All accessories unless otherwise stated come with a two year warranty, extended to three years when purchased and fitted prior to delivery of a brand new vehicle, and what's more, they can be fitted by SEAT approved technicians. Where you see the 'Click & go' icon , the price you see is what you'll pay including fitting, upfront and with no hidden extras! You can order at your SEAT dealer or online at [seat.co.uk/accessories](http://seat.co.uk/accessories).

## SEAT ENSURANCE.

Ensurance works alongside your existing your main motor insurance policy no matter who it's from, giving you three years FREE cover on all new and used SEATs. Activate your policy at [seat-ensurance.co.uk](http://seat-ensurance.co.uk) and get one-stop accident management in the event of an accident or theft. After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

## FIXED-PRICE SERVICING AND MAINTENANCE FOR SEAT CARS 1-15 YEARS.

Fixed prices on a whole range of services and maintenance jobs for SEAT cars are now available at participating SEAT dealers. Visit [seat.co.uk/serviceoffers](http://seat.co.uk/serviceoffers) for further information and to book online.

## SPECIFICATIONS.

Specifications for the Mii refer to Model Year 2016. While SEAT makes every effort to make sure that specifications are accurate at time of going to press (**July '15**), you should always check details with your SEAT dealer as there may have been changes in view of SEAT's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this brochure can therefore be given as guidance only.

## SEAT ASSISTANCE (INCLUDING EUROPEAN COVER).

Any new SEAT purchased and registered in the UK from an authorised SEAT dealer, is covered free by SEAT Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of two years. Your member of the SEAT authorised network will ensure that all servicing and repairs are carried out in accordance with the manufacturer's instructions. Terms and conditions apply.

## SEAT FINANCE.

SEAT Finance specialises in providing funding solutions for SEAT drivers. Whether your SEAT is for private or business use, you can choose from a range of funding options.

Here is our full range of finance products.

- / Solutions – a personal contract plan
- / Hire purchase
- / Finance lease
- / Lease purchase
- / Contract hire

With all of our finance products you can choose one of our fixed-cost maintenance plans designed to help you budget accurately. No matter what finance product you choose, your local SEAT dealer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. SEAT Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

## TEST-DRIVE A SEAT.

To arrange a test drive at your nearest dealer, or for any questions you may have about SEAT, visit our website at [seat.co.uk](http://seat.co.uk) or call us on FREEPHONE 0500 22 22 22.

## FUEL CONSUMPTION INFORMATION.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The individual vehicles have not been tested and there are inevitable differences between individual examples of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driving style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

## VEHICLE EXCISE DUTY AND CO<sub>2</sub> EMISSIONS.

All vehicles first registered on or after 1<sup>st</sup> March 2001 are subject to a form of Vehicle Excise Duty (Road Fund Licence) based on the type of fuel the vehicle uses and its carbon dioxide (CO<sub>2</sub>) emission level, measured in grammes per kilometre (g/km).

## OPTIONAL EQUIPMENT.

Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. Any vehicle ordered with optional equipment (other than metallic paint) will be subject to a 12 week minimum delivery period.
