NEW AVENSIS

WHERE THE BEST
COMES AS STANDARD

Confidence is not just a suit you put on in the morning.

It's inherent. It allows you to choose what's right for you. Like the new Avensis. A car that stands out from the crowd with a sharp new look and a highly comprehensive package of innovative technology, comfort and safety. Avensis is all about smart thinking.

The new Avensis is once again built at Toyota's state-of-the-art manufacturing facility in Burnaston, Derby. Toyota is proud of its British workforce, and you'll see why from the moment you open the driver's door.

START YOUR DAY

IN THE BEST POSSIBLE SHAPE

Whatever lies ahead – daily commute, client visits or leisurely days out with the kids – the new Avensis comes prepared with sharp, dynamic styling and uncompromising confidence.

From the striking LED headlamps to the eye-catching V-shaped light guides, the bold design points to the agility and get-up-and-go of both Avensis Saloon and Avensis Touring Sports. An aggressive, large grille and new alloy wheels complete the thoroughly stylish Avensis finish.

Models shown: Avensis Touring Sports and Saloon – Business Edition Plus.

WE DON'T DO BUSINESS AS USUAL WE DO EXTRAORDINARY

You don't need a long-distance trip to savour all the benefits of the new Avensis: the interior feels instantly welcoming.

First off, the satin chrome elements on the dashboard create a premium atmosphere, set against beautiful soft-touch materials. The driver will enjoy the tactile leather gear shift and a leather multi-function steering wheel. A new high-resolution colour TFT screen in the instrument panel displays a whole range of handy journey data. You can also access the latest Toyota Touch® 2 multimedia system with its large 8" touchscreen.

Model shown: Avensis Touring Sports – Business Edition.

COMFORT APPROVED BY ALL YOUR SENSES

Relax and unwind in the cleverly composed new Avensis interior.

The distinctive and sophisticated Lunar Grey Alcantara® trim can be combined with either fabric or premium leather. Electrical lumbar support helps to find the right seat position for each driver for all-round comfort and support, especially on longer journeys. And for an even greater sense of airiness in the cabin, the new Avensis can also be fitted with the Toyota Skyview® panoramic roof.

A WORLD OF INFORMATION AND

ENTERTAINMENT AT YOUR FINGERTIPS

TOYOTA TOUCH® 2

Toyota Touch® 2 multimedia system with an all new interface features an easy-to-use high-resolution colour touch-screen with drag and flick capabilities. With standard features like Bluetooth®, MP3 and iPod® connectivity as well as a multimedia management function, you'll never get bored on a journey, long or short. In addition, the standard reversing camera function helps to take the stress out of parking.

TOYOTA TOUCH® 2 WITH GO

Toyota Touch® 2 with Go adds enhanced full map navigation and class-leading connected services. Intuitive navigation provides clear visual display of signposts, junctions and lane guidance as well as speed limit and speed camera warning. Toyota Touch® 2 with Go delivers breakthrough connected services through its wide range of apps, bundled in the new Mobility Pack. All apps are pre-installed and will be provided free of charge for a 12-month period. More details of these great apps are shown on page 14.

TOYOTA TOUCH® 2 WITH GO PLUS

In addition to the functionality of Toyota Touch® 2 with Go, Toyota Touch® 2 with Go Plus provides 3-year free map updates, voice commands for audio phone book and navigation with one-shot address entry, text-to-speech, plus a host of other features and services.

YOUR MULTIMEDIA WORLD...

...STAY INFORMED WHEREVER YOU GO

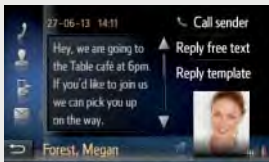

Toyota Real-Time Traffic powered by TomTom

Works on real-time traffic flow to optimise the navigation service. Alerts you to slow-moving or queuing traffic, with the option to re-route your journey to avoid congestion and save time.

Online Applications

Activate apps on your Toyota Touch® 2 with Go and Go Plus navigation systems to keep you informed and entertained. Apps are available for everything from the weather, to fuel costs and available parking places, helping you to drive safely and more economically.

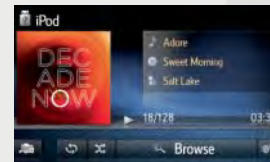

Bluetooth®

Reversing camera

3D city maps*

MP3 & iPod® connectivity

* Only available on Toyota Touch® 2 with Go Plus (Excel grade only).

Google Street View™ and Panoramio™

Provides imagery of your current location, or a location of your choice, allowing you to start navigating directly from the image, so you'll never be lost.

Online Local Search

Point Of Interest database enhanced by an online search facility. Connects to the internet via your phone, allowing you to search easily for the nearest fuel, restaurant, hospital or any type of place of interest.

Toyota Online services and applications are available on Toyota Touch® 2 with Go and Toyota Touch® 2 with Go Plus navigation systems. They require a compatible mobile phone and a data plan with a mobile network operator that permits tethering.

Availability of each service depends on country. Visit us online or at your local dealer to find out more.

TFT screen

Viewing all the information you need, couldn't be more convenient. The highly visible new 4.2" TFT screen, located in the instrument panel, displays useful information such as distance covered, average speed and fuel consumption. Designed to reflect Toyota Touch® 2, the new TFT screen shares the same colour-rich graphics. It mirrors the multimedia system with information on navigation, telephone and music settings and also displays the latest Toyota Safety Sense functions.

HELPFUL, FLEXIBLE, GENEROUS ALL THE TRAITS YOU LOVE

Business trip or family outing – new Avensis accommodates your life effortlessly.

The interior feels exceptionally spacious with plenty of legroom and head space for everyone. For added flexibility, the rear seats split 60/40 on both the Avensis Saloon and Avensis Touring Sports. The spacious Avensis boot has a capacity of 509 litres. You can increase this to 543 litres in the generous Avensis Touring Sports. Whatever you have planned, the new Avensis is designed to work around you.

1. Flat loading space

Creating this much room – 1609* litres to be precise – couldn't be easier. The cargo area simply folds flat for effortless loading.

2. 60/40 split folding rear seats

This perfect seat arrangement for flexible loading also comes in handy for carrying long items.

3. Boot capacity

Up to 543[§] litres of luggage volume, convenient luggage partition net and boot rails with movable hooks, everything to make transporting your items that little bit more effortless.

* Avensis Touring Sports – VDA luggage capacity, rear seat down.

§ Avensis Touring Sports – VDA luggage capacity, rear seat up.

PERFORMANCE OR EFFICIENCY?

BE A WINNER IN BOTH

Avensis' new fuel-efficient, low-emission power trains are designed to meet all your needs.

It's a powerful performer for long-distance journeys, the quick commute and anything in between. All combined with low running costs. In fact, the diesel engines now feature Stop & Start technology to reduce emissions and fuel consumption even further. All the while, the finely tuned suspension and steering ensure responsive handling and excellent ride comfort.

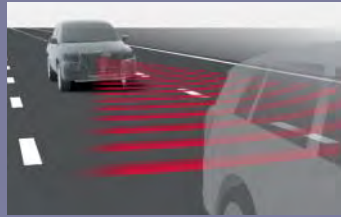

Engine	Power	Fuel consumption*	CO ₂ emissions*	Acceleration	Available on
1.8 litre petrol Valvematic 6 M/T	147 DIN hp	45.6–47.1 mpg	139–143 g/km	9.4–9.7 secs 0–62 mph	Active, Business Edition, Business Edition Plus

For full mpg and CO₂ emissions data please see page 44.

TOYOTA SAFETY SENSE

KEEPING YOU IN SAFE HANDS

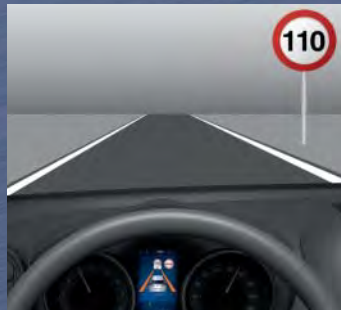

1.

2.

3.

4.

In the new Avensis, you're better protected than ever. Toyota Safety Sense* adds advanced active safety systems for an even safer and more relaxed drive.

Four active safety technologies, Pre-Collision System, Lane Departure Alert, Automatic High Beam and Road Sign Assist are at the heart of Toyota Safety Sense. On top of that, there are of course a wide range of innovative safety systems as standard. For more information on Avensis safety technologies, please scan the QR code® opposite.

1. Pre-Collision System

Toyota Safety Sense's Pre-Collision System uses a camera and laser to detect other vehicles in the road ahead. When the possibility of collision is detected the driver is alerted with audio and visual warnings and brake assistance is activated. If the driver fails to brake in time the brakes automatically engage to prevent or mitigate a collision.

2. Lane Departure Alert

Using a camera to detect the lane markings in the road ahead, Toyota Safety Sense's Lane Departure Alert will alert the driver with audio and visual warnings if the vehicle starts to deviate from its lane without the turn indicator being applied – the driver can then take corrective action.

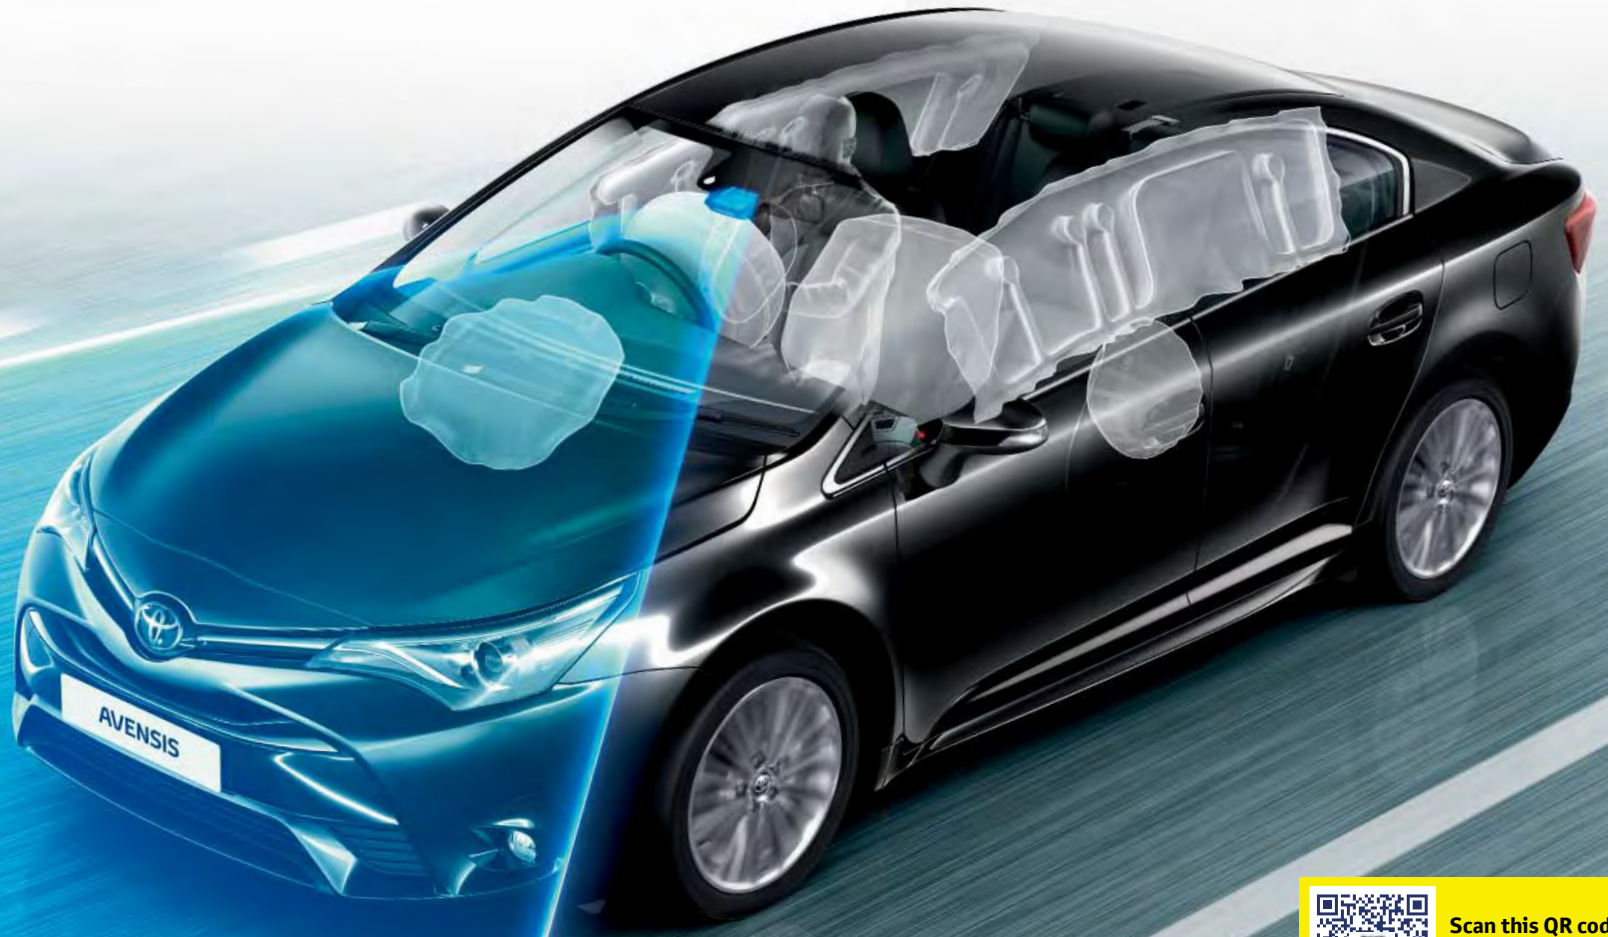

* Standard on all grades. Active grade takes Pre-Collision System only.

3. Automatic High Beam

Toyota Safety Sense's Automatic High Beam is designed to optimise visibility during night driving for all road users. A camera detects the lights of oncoming vehicles and leading traffic whilst also monitoring the brightness of street lights. It switches automatically between high and low beam for safer night-time driving.

4. Road Sign Assist

Toyota Safety Sense's Road Sign Assist monitors the road signs ahead, displaying useful information such as the current speed limit or overtaking restrictions in clear view on the new colour TFT cockpit display. The system also provides a visual and audio warning if you are not following the road sign indication.

Scan this QR code®.
Find out more on
Toyota Safety Sense.

ACTIVE

An impressive array of premium features are part and parcel of Active grade including cruise control and Pre-Collision System (PCS). Inside, you'll enjoy the comfort of air conditioning and a leather steering wheel with integrated controls.

Main features

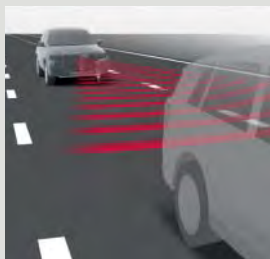

- 16" steel wheels with wheel caps
- Halogen headlamps
- LED daytime running lights (bulb type)
- LED rear combination lights
- Pelham black and grey fabric seats
- Leather steering wheel and gear shift knob
- Front power windows
- Manual air conditioning
- Electrochromatic rear-view mirror
- CD/radio unit with Bluetooth®

- 6 speakers
- Monochrome TFT multi-information display
- Toyota Safety Sense (Pre-Collision System only)
- Hill-start Assist Control (HAC)
- Cruise control

Optional features

- Protection Pack
- Chrome Pack
- Parking Pack (front and rear parking sensors)
- Towing Pack
- Integrated Entertainment Pack

BUSINESS EDITION

Business Edition grade offers you an enhanced Toyota Safety Sense package for even greater protection. You will also enjoy a world of information and entertainment with Toyota Touch® 2 with Go navigation. It features an intuitive 8" display and reversing camera for easy parking.

Main features (additional to Active grade)

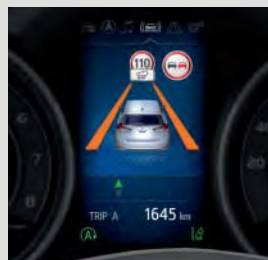

- 17" alloy wheels
- Toyota Touch® 2 with Go navigation system
- Power-retractable door mirrors
- Rain and dusk sensors
- Amberley dark grey fabric seats with Lunar Grey Alcantara® inserts
- Power-adjustable lumbar support on driver's seat
- Full power windows
- Automatic air conditioning
- Front fog lamps
- 8" touchscreen with DAB radio, Bluetooth® and USB/iPod®/Aux connectivity (no CD player)

- Colour TFT multi-information display
- Reversing camera
- Toyota Safety Sense (Pre-Collision System, Lane Departure Alert, Automatic High Beam, Road Sign Assist)

Optional features

- Protection Pack
- Chrome Pack
- Parking Pack (front and rear parking sensors)
- Towing Pack
- Integrated Entertainment Pack

BUSINESS EDITION PLUS

Business Edition Plus grade offers a refined interior available in dark grey leather with Lunar Grey Alcantara® inserts. On the exterior, you'll notice stylish design elements like the full LED headlamps with light guides and fog lamps with cornering function, 17" machined alloys as well as privacy glass.

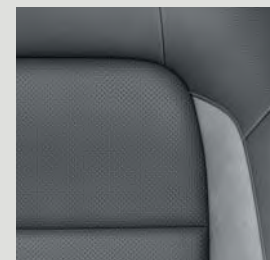

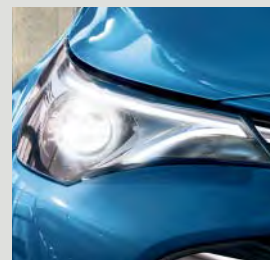

Main features (additional to Business Edition grade)

- 17" machine-faced alloy wheels
- Gresham leather seats with light grey Alcantara® inserts
- LED headlights
- Daytime running lights with LED light guides
- Automatic headlamp levelling
- Front fog lamps with cornering function
- Smart entry and start system
- Privacy glass

Optional features

- Toyota Skyview® panoramic roof (Touring Sports only)
- Protection Pack
- Chrome Pack
- Parking Pack (front and rear parking sensors)
- Towing Pack
- Integrated Entertainment Pack

EXCEL

The Excel grade combines premium comfort features with the highest level of technology. It comes equipped with an Adaptive Front Light System (AFS) as well as sumptuous leather seats, which can be heated and electrically adjusted with the memory function*. A 10-speaker audio system is also standard, while the Avensis Touring Sports adds the Toyota Skyview® panoramic roof to this extensive equipment list.

Main features (additional to Business Edition Plus grade)

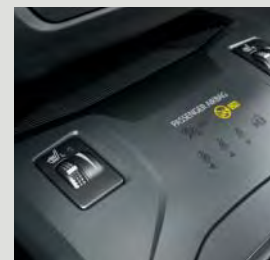

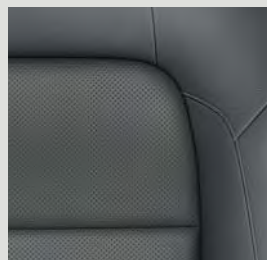

- 18" alloy wheels
- Toyota Touch® 2 with Go Plus navigation
- Toyota Skyview® panoramic roof (Touring Sports only)
- Electronically adjustable heated leather seats with memory function*
- 10 speakers
- Adaptive front light system (AFS)
- Integrated boot rails (Touring Sports only)

Optional features

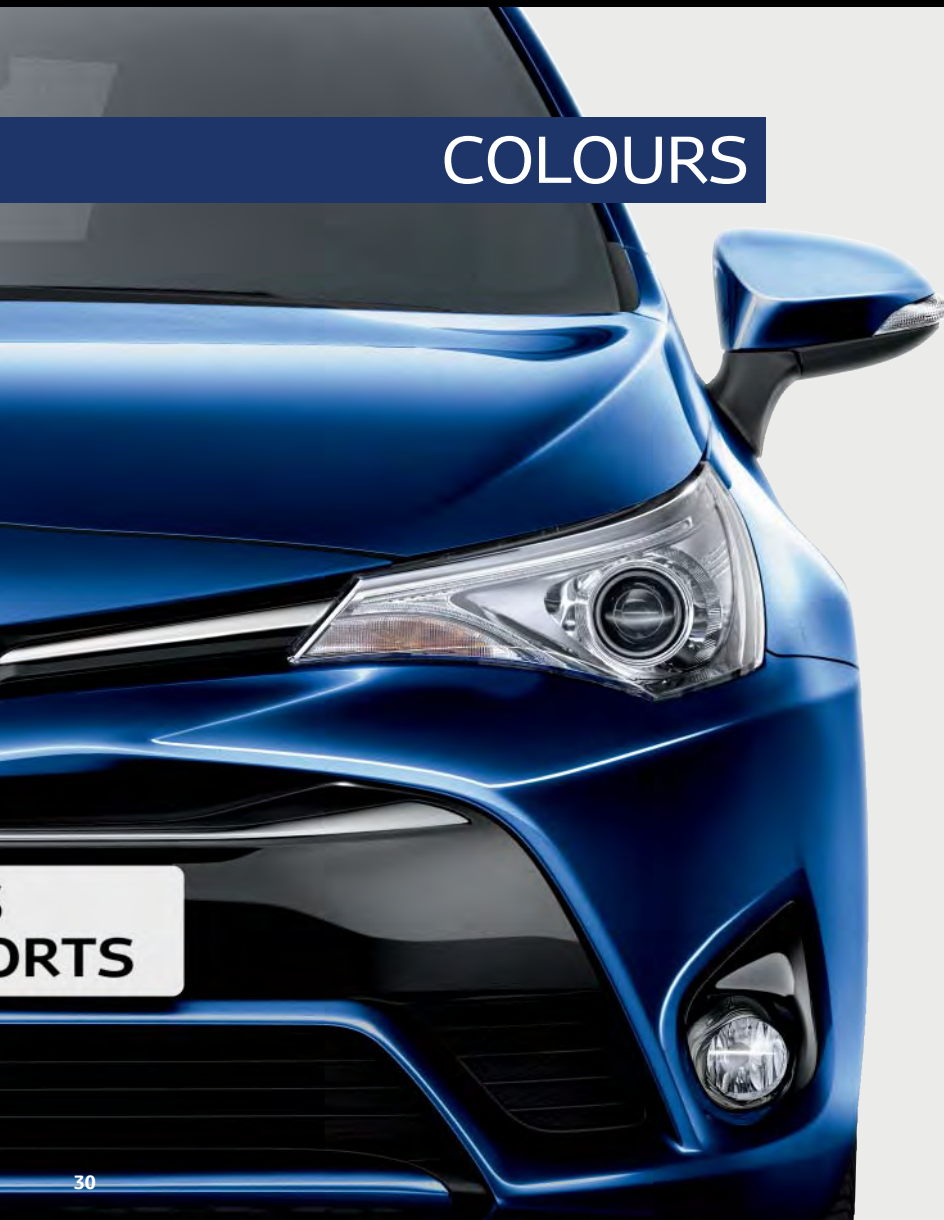

- Protection Pack
- Chrome Pack
- Parking Pack (front and rear parking sensors)
- Towing Pack
- Integrated Entertainment Pack

* Memory function available on driver's seat only.

OPTIONS

PROTECTION PACK

You will want to keep your new Toyota in showroom condition. The cost-effective Protection Pack contains all the essential items you'll need.

Mud flaps

The design minimises water, mud and stones spraying onto your car's body. Includes front and rear.

Boot liner

Made of plastic with raised edges to be water- and mud-resistant.

Front scuff plates

The polished aluminium finish introduces a compelling detail to your car's interior.

Rear bumper plate

With a tough good-looking polished steel finish to protect bumper paintwork when loading or unloading the boot.

CHROME PACK

The look is style, sophistication and attention to detail. The Chrome Pack's side sills and boot trim combine to emphasise the sculpted contours of your Avensis.

Side sills

A dash of chrome skilfully integrated along the side panels.

Rear boot trim

A stylish chrome finish highlights your car's distinctive rear-end design.

TOWING

A choice of fixed or detachable towbar with either 7- or 13-pin wiring.

Towbar – detachable and fixed

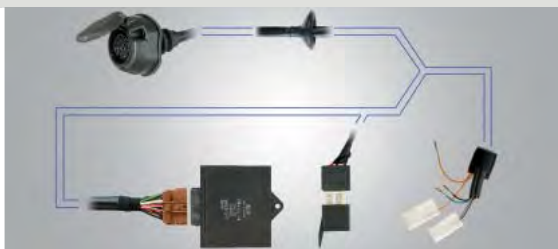

Toyota towbars are available with a fixed or detachable hook. Both provide a strong towing capability and will support the Toyota rear-mounted bicycle holder.

Features

- 1500–2000 kg towing capacity depending on engine type (the towbar is designed for your car's maximum towing capacity).
- Supplied with a protective tow-ball cap bearing the Toyota logo.
- All Toyota towbars can be used to support the 2-bicycle version of the Toyota rear bicycle holder.
- With the detachable towbar, a smart plastic cover is supplied to place over the base when the hook is removed.
- On the detachable towbar, the hook attaches or removes by means of a turning knob that also incorporates a security lock.

Towbar wiring harness

Safety for you and your car is at the heart of the Toyota towbar wiring harness. Individually designed for each Toyota model, the harness seamlessly integrates your car's lights and signals with those on a towed trailer or rear bicycle holder.

Features

- The harness has independent circuitry and a fused module to eliminate the risk of overloading your car's existing electrical system.
- The fused module prevents a fault in the trailer's circuitry affecting your car's systems. For instance, your car's indicators will continue working even if those on the trailer fail.
- Toyota specialists designed the cable route to safely avoid contact with moving car parts, heat, irregular surfaces and metal edges.
- There are no loose or hanging cables that could catch on road obstacles or interfere when loading or unloading the boot.
- Strategic, reinforced cable protection guards against accidental damage and the consequent risks of lighting failure or fire caused by electrical shorting.
- Available with a 7- or 13-pin socket.

Socket adapters (available separately)

If you have an existing trailer or rear bicycle holder, or perhaps you want to hire a trailer when you travel in another country, you may find that the plug socket is different to that on your new car. Such a problem is easily resolved! A Toyota socket adapter enables you to safely and securely connect your car's towbar wiring harness to that of a trailer or bicycle holder even if the plugs don't match.

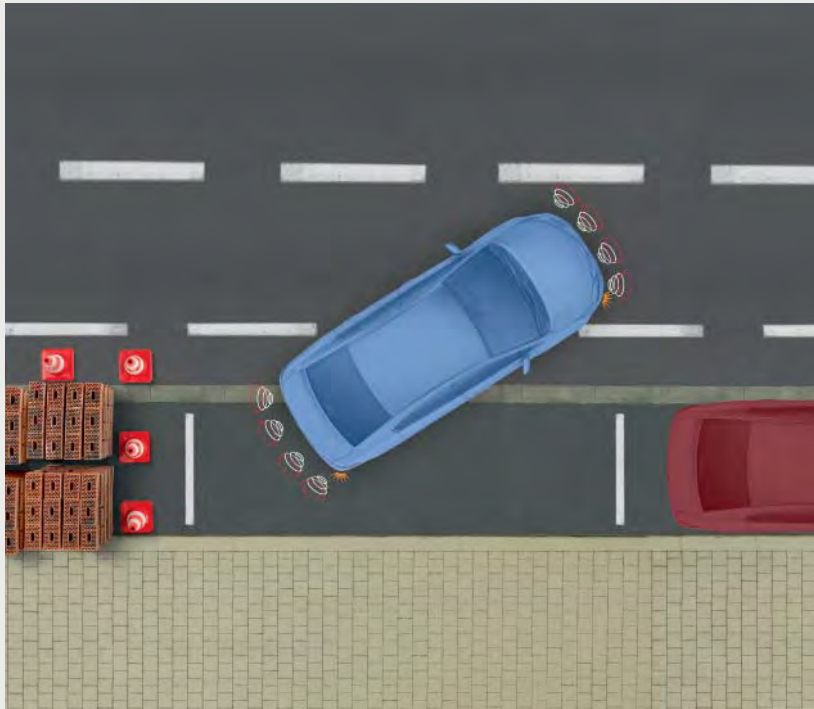

Toyota adapters are designed to provide a durable connection between different types of plug sockets. They are available in three versions:

- 7-pin (car) to 13-pin (trailer).
- 13-pin (car) to 7-pin (trailer).
- 13-pin (car) to 12N-12S double socket (trailer).

OPTIONS

PARKING PACK

You'll find the Toyota parking aid system a big help in avoiding accidental scrapes. The sensors link to in-car warning beepers that become more frequent the closer your vehicle gets to an obstacle. Conveniently, the system can be switched off when you don't need it.

INTEGRATED ENTERTAINMENT PACKS

A rear-seat Toyota entertainment system that you can configure for complete flexibility – featuring a multi-purpose docking station that is compatible with a 7" DVD player and iPad® holder.

Integrated Entertainment options

Twin Master DVD Players

Master & Slave DVD Players

Single Master DVD Player

Single Master DVD Player & iPad® holder

Twin iPad® Holders

Single iPad® Holder

INDIVIDUAL ACCESSORIES

For work, for play, for families and for individuals – Toyota technology accessories are as rewarding as the Avensis itself. They create that essential link between you, your car and your way of life.

Toyota Hotspot

As the name suggests, Toyota Hotspot gives you internet access and effectively turns your car into a mobile hotspot. Simply load the Toyota Hotspot box with a SIM card of your choice and, as long as you're in a 2G/3G area, you'll have instant access to the internet and all the web has to offer.

The Toyota Hotspot connects up to five WiFi-capable devices including laptops, tablets, smartphones and game systems and also enables in-car interaction between them. Importantly, the Toyota Hotspot wires into your car's electrical system to ensure a constant power supply.

- Designed specifically for in-car use and the special demands of temperature variation and vibration.
- Automotive design high speed dual antenna that enhances mobile reception and minimises doppler problems.
- Open to any GSM operator and so allows you to use a SIM card of your choice. It will accept a dedicated data transfer card and, when travelling abroad, you can fit a local card to avoid roaming charges or enable roaming on your card.
- Over-the-air software updating happens almost automatically.
- User-friendly web interface allows personalisation of Toyota Hotspot functions such as the connection parameters.
- Easy to use with a simple on/off switch and coloured diodes to inform of status and activity.
- Securely mounted within your car to avoid trailing wires.
- Free from the technical problems associated with using a smartphone as a hotspot and also the restrictions imposed by internet providers. For example, the Toyota Hotspot does not limit you to just one user surfing the net.
- If purchased prior to first registration of your Avensis, it comes with the same 5-year warranty as your vehicle.

Vehicle shown not to UK specification.

TOURING

Toyota touring accessories are custom-designed to make even more of the Avensis' sense of adventure. Roof-top storage and bicycle holders add extra capability so you can quickly and safely load up and go whenever your passion takes you.

Roof racks

The strong yet lightweight aluminium design creates a firm base for roof-top transportation. It is easy to install and remove and has integral security locking.

Rear bicycle holders

Toyota offers a choice of rear-mounted bicycle holders providing secure transportation and easy loading and unloading.

Roof-mounted bicycle holder

The lockable lightweight design attaches to the Toyota roof rack and has secure wheel and frame grips. It can be fitted on either the left or right side of the car for easy access, and the frame grip adjusts at roof height.

Ski boxes

Thule Motion 800 – gloss black (also in gloss silver)

Thule Pacific 700 – silver grey

For those big snow holidays

Thule ski boxes have been custom-designed to exactly the right length, shape and capacity for securely carrying all your winter sports accessories.

Thule Motion 800

Dimensions: 205 cm L x 84 cm W x 45 cm H

Internal volume: 460 litres

Maximum content weight: 75 kg*

Holds: 5–7 pairs of skis, 4–5 snowboards

Weight: 21 kg

Thule Pacific 700

Dimensions: 232 cm L x 70 cm W x 40 cm H

Internal volume: 420 litres

Maximum content weight: 50 kg*

Holds: 6 pairs of skis, 4 snowboards

Weight: 15 kg

Features

- Opens from both sides for easy loading and unloading.
- High security multi-point central locking system.
- Grip-friendly key cannot be removed until all the locking points are closed.
- Fits the Toyota roof rack and Toyota crossbars on roof rails.
- Internal straps for securing the box contents.
- Made of colour-fast UV-resistant ABS plastic.

Ski & snowboard holders

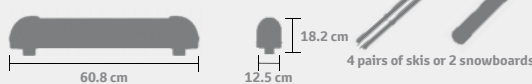

Large ski and snowboard holder

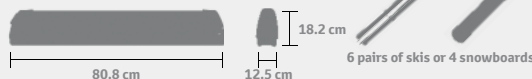

Simply load and go

The holders install easily and lock securely so you can quickly load skis and snowboards whenever the inspiration takes you. They fit onto the Toyota roof rack and Toyota crossbars on roof rails.

Medium size holder

Large size holder

Features

- Weight: 3.2 kg medium, 4.2 kg large.
- Skis secured between soft rubber for grip and to prevent damage.
- Central locking system for maximum security.
- Push release for easy opening with gloved hands.
- Large holder slides to the car side for easy loading and unloading.

Luggage box

Thule Pacific 200 – silver grey

Just right for holidays

For jackets and dresses, shorts, shoes and playthings: a Thule luggage box is perfect to carry all you need for those big holidays and weekends away.

Thule Pacific 200

Dimensions: 175 cm L x 82 cm W x 45 cm H

Internal volume: 410 litres

Maximum content weight: 50 kg*

Weight: 14 kg

Features

- Opens from both sides for convenient loading and unloading.
- High security multi-point central locking system.
- Grip-friendly key cannot be removed until all the locking points are closed.
- Fits the Toyota roof rack and Toyota crossbars on roof rails.
- Internal straps for securing the box contents.
- Made of colour-fast UV-resistant ABS plastic.

* Maximum content weight is based on the Avensis' maximum roof load capacity.

PRACTICAL

1. Dog guard and divider

Create a secure travel space for your dog. The optional divider splits the space so you can carry a dog and luggage or two dogs.

2. Reversible boot mat

The convenience of luxurious velour on one side and waterproof rubber on the other.

3. Corner protectors

Front and rear protection against scrapes.

4. Cargo manager

Slots into your car's boot floor rails to help secure cargo (Excel only).

5. Textile floor mats

Anthracite coloured textile floor mats in a choice of 2 weights offering protection for your car's cabin carpets. Non-slip safety fixings hold the driver's mat firmly in place.

6. Rubber floor mats

Extra strong mats to protect your car's carpets against mud, dirt and sand. The driver's mat has safety fixings to stop it slipping.

OWNING YOUR NEW AVENSIS

Servicing your Toyota

Toyota Fixed Price Servicing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit toyota.co.uk/service

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/service

Toyota Fixed Price Repairs using Genuine Parts

We offer fixed prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your car will always be dealt with by a trained Toyota Technician.

For more information visit toyota.co.uk/repairs

My Toyota

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **My Toyota**. Packed with time saving and convenient features, **My Toyota** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit toyota.co.uk/mytoyota

Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability. To add to the reassurance, every genuine Toyota accessory has a 5-year warranty when purchased together with the vehicle.

For more information visit toyota.co.uk/accessories

Toyota Roadside Assistance

When you buy a Toyota you will automatically receive 12 months' AA Roadside Assistance in the UK and Europe, free of charge. After the first year the cost of Toyota Roadside Assistance is £6 per month if paid by monthly Direct Debit, £68 per annum if paid by annual Direct Debit, and £72 per annum when paid by all other payment methods.

For full terms and conditions please visit toyota.co.uk/roadside/terms

5-Year Toyota Warranty

Every new Toyota comes with a 5-year/100,000-mile (whichever comes first) manufacturer's warranty, covering you against the unlikely event of a manufacturing defect causing a mechanical fault.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/5yearwarranty

Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

Toyota Extended Warranty

You have the choice of either the unlimited mileage cover or the low-user option that restricts you to 10,000 miles per year. You also have a choice between 12 and 24 months' cover (subject to vehicle eligibility). The 24-month option will show a saving over two 12-month Toyota Extended Warranty policies and is available with the low-user option at 10,000 miles per year over 24 months.

The Toyota Extended Warranty can be renewed until the vehicle is eight years old, and if a part covered by the Toyota Extended Warranty suffers electrical or mechanical failure at any time during the term, Toyota is committed to fixing it. You don't pay for replacement parts or labour.

For more information visit toyota.co.uk/extendedwarranty

Toyota Motor Insurance

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Flexible Finance from Toyota Financial Services

All our plans offer easy budgeting and peace of mind and **AccessToyota** brings these benefits together in one flexible package.

Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UZ.

Finance subject to status to over 18s only. Indemnities may be required. Terms and conditions apply.

TFS is authorised and regulated by the Financial Conduct Authority.

Point your smartphone or webcam at the graphic and start a new experience of Avensis.

TOYOTA

ALWAYS A
BETTER WAY

TO EXPERIENCE THE NEW AVENSIS OR FOR MORE INFORMATION ON THE VEHICLE, TOYOTA AND THE ENVIRONMENT OR OUR LATEST OFFERS, PLEASE CONTACT YOUR LOCAL TOYOTA CENTRE OR VISIT TOYOTA.CO.UK/AVENSIS

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre.

Quoted mpg & CO₂ figures: All mpg and CO₂ emissions figures quoted in this brochure are sourced from official EU-regulated test results. These are provided for comparability purposes only and may not reflect your actual driving experience. Fuel consumption varies significantly depending on a number of factors, including driving style, conditions, speed and vehicle weight. In order to allow consumers to compare and make an informed choice between one vehicle and another, there is a European Commission standard (93/116/EC and 692/2008) to measure fuel consumption. This common standard must be adhered to by all manufacturers selling motor vehicles in the EU and is the basis for fuel consumption figures published by each manufacturer. For further information please visit www.dft.gov.uk/vca/fcb/faqs-fuel-consumptio.asp or speak to your local Toyota Centre.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. The After Sales Division is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
