BREATHTAKING STYLE, DYNAMIC DESIGN.

EXTERIOR

01 STANDARD | GT

Model shown is Golf Cabriolet GT with optional metallic paint.

- 01 **'Charleston'** 7½J x 18" alloy wheels with 225/40 R18 tyres give an individual and sporty look to the exterior of the Golf Cabriolet GT.
- 02 Optional **Bi-xenon headlights**, for dipped and main beam, include daytime running lights, automatic range adjustment and dynamic curve lighting which compensates for any change in the incline of the body, due to loading, braking or accelerating, ensuring optimum illumination of the road ahead. Headlight washers keep them free from dirt and grime, while a low washer fluid warning light reminds you when you need to add washer fluid. Image shown is Golf Cabriolet GT.
- 03 **Rear light clusters** incorporating LED technology, complement its striking rear design. LEDs not only provide a clear, bright light, but also give a more stylish look to the rear lights.
- 04 The **twin exhaust tailpipe** add charisma and presence, hinting at the sporting prowess and power beneath the bonnet.

Images shown feature optional metallic paint.

04 STANDARD | GT

ENJOY THE MOST STUNNING PLACES IN THE WORLD...

In the **luxurious interior of the GT**, front sports seats with Alcantara seat centre sections and 'Microfibre' side bolsters with height and lumbar adjustment provide maximum support for the driver and front passenger, while aluminium-look pedals, 'Edge' decorative inserts in the dash and door panels, and chrome-plated detailing create a sumptuous interior. Easy entry sliding seats provide access to the rear, while climate control - 2Zone electronic air conditioning with automatic air recirculation ensures a pleasant interior temperature. Thoughtful details such as storage pockets on the rear of front seats, front and rear parking sensors, a rain sensor, automatic dimming interior rear-view mirror and a coat hook enhance comfort and convenience. Finally, the latest generation Composition Media infotainment system will provide all your audio and communication needs, to make every journey even more enjoyable.

...IN TOTAL LUXURY AND STYLE.

01 STANDARD | S | SE | GT | GTI

INTERIOR

- 01** The **50:50 split folding rear seat backrest** adds flexibility, creating space if you need to transport bulky items.
- 02** The **front centre armrest** has an integrated storage compartment ensuring important items are easily to hand and also features a useful 12V socket.
- 03** Practical **drawers under the front seats** offer additional useful storage space.
- 04** Heated front sports seats upholstered in **'Vienna' leather***, with height and lumbar adjustment, create a luxurious interior, with improved sun reflective qualities preventing the seats from heating up in high temperatures.

Images shown feature optional 'Vienna' leather upholstery and metallic paint.
* Some parts of leather interior will contain artificial leather.

03 OPTIONAL | S | SE | GT | GTI

Interior shown is Golf Cabriolet GT with optional 'Vienna' leather upholstery.

04 OPTIONAL | SE | GT | OPTIONAL | GTI - BLACK ONLY

THE SKY AT YOUR FINGERTIPS.

FROM BEAUTIFUL TO BREATHTAKING IN JUST 9.5 SECONDS.

STANDARD | S | SE | GT | GTI

Model shown is Golf Cabriolet GT with optional leather upholstery and metallic paint.

The **fully automatic electric power hood** with integrated heated glass rear windscreen is easily operated using a button conveniently positioned on the centre console. The roof can be completely opened in just 9.5 seconds when stationary, or even at speeds of up to 18mph whilst moving for added convenience. Closing the roof takes only 11.8 seconds and it automatically locks via an electromechanical locking system.

The hood itself is made from three separate layers that combine to produce outstanding visual and acoustic properties: the outer skin, an acoustic insulation layer and the headlining. Constructed in three sections, the two side sections connect to the centre section with longitudinal seams that also assume additional functions as rain gutters, with the roof retracting to an open position using a Z-fold action. The omission of a hood compartment lid results in faster opening and closing of the roof, as well as a larger luggage compartment as the roof does not have to intrude so far into the vehicle.

Images shown feature optional 'Vienna' leather upholstery and metallic paint.

The **wind deflector** allows you to enjoy the convertible driving experience, when the electric power hood is down, by reducing wind noise and protecting you against air turbulence. This smart stylish wind deflector is stored in the boot in its own protective case and can be unfolded and fitted easily in seconds adding a little sophistication and calm to open top driving.

STANDARD | SE | GT | GTI | OPTIONAL | S

ICONIC GTI, WITH AIR TO BREATHE.

Model shown is Golf Cabriolet GTI with optional Tornado Red non-metallic paint.

Interior shown is Golf Cabriolet GTI with optional Tornado Red non-metallic paint.

The Golf Cabriolet GTI features the iconic black honeycomb grille with red louvers and gleaming chrome-look 'GTI' badge. Uniquely shaped front and rear bumpers with integrated front fog lights and honeycomb front air intake complete the 'GTI' styling pack. This sporting pedigree continues with **18 inch 'Monza Shadow' alloy wheels** with a distinctive five spoke design revealing red brake calipers beneath, sports suspension lowered by approximately 22mm front and 15mm at the rear and chrome exhaust tailpipes either side of the black rear diffuser. Safe open-air motoring is paramount in the Golf Cabriolet GTI with the inclusion of XDS electronic differential lock for improved traction and handling. Classic design in combination with dynamic performance are here in the Golf Cabriolet GTI.

Inside, the Golf Cabriolet GTI builds over the well equipped GT, but with the styling that marks it out as an iconic GTI. Beneath the fully automatic electric power hood are sport seats upholstered in classic tartan 'Jacara' cloth, contrast red stitching on the distinctive leather trimmed three-spoke multifunction steering wheel with 'GTI' logo, handbrake and gear knob gaiter. Stylish chrome detailing, 'Edge' decorative inserts and carpet mats, front and rear confirms the GTI credentials.

EQUIPMENT

01 STANDARD | SE | GT | GTI

02 OPTIONAL | S | SE | GT | GTI

03 STANDARD | SE | GT | GTI

01 The climate control – 2Zone electronic air conditioning system with automatic air recirculation features separate temperature controls for both the driver and front passenger, enabling both to adjust the temperature setting according to their individual preference.

02 Park Assist with front and rear parking sensors helps you with bay parking and also parallel parking, into spaces only 1.1m longer than the vehicle, using ultrasonic and audible sensors and an optical display via the vehicle's audio system. All the driver has to do is operate the clutch, accelerator and brake pedals and keep a lookout, while the Golf Cabriolet steers itself into its chosen space.

03 The stylish multifunction leather trimmed three-spoke steering wheel is fitted with ergonomically designed buttons, making it easy to use your vehicle's audio system and your mobile phone. When paddle shift is specified in conjunction with the DSG gearbox, it allows quick and easy gear changes without taking your hands off the steering wheel. Paddle shift is optional on GT models and standard on GTI models. Interior shown is Golf Cabriolet GT.

04 The Composition Media system is equipped with a 6.5 inch colour touch-screen that displays the DAB digital radio information, Think Blue. Trainer – driver tips and journey analysis, car information display, title and cover art display and, for compatible Android smartphones, the SMS functionality which allows you to read, compose and send SMS messages using the touch-screen display while the vehicle is stationary. Bluetooth telephone and audio connection now allows simultaneous pairing of two compatible mobile devices¹, while the MDI (Multi Device Interface) via USB connection for compatible products, SD card reader and single CD player allows music playback from MP3, WMA and AAC files through 8 speakers with 4 x 20 watt output.

04 STANDARD | S | SE | GT | GTI

05 The Discover Navigation touch-screen navigation/radio system builds upon the impressive Composition Media system, but with additional features enabling you to easily manage not only your music, but also navigation data, and a broad range of vehicle information. The system offers preloaded European navigation data, branded points of interest, dynamic navigation based on TMC+, three route options (Fast, Short, Eco), Speed Limit Display², 2D/3D map view and 3-years Car-Net 'Guide and Inform' access³ providing online access to a range of useful information such as traffic, fuel pricing, parking space availability, weather and news feeds will guide you to your chosen destination with ease. Along with the Composition Media system, both systems are also equipped with a proximity sensor that recognises in advance your intention to touch the screen and automatically adjusts the display mode.

06 A rear-view camera, integrated behind the Volkswagen badge on the rear boot lid of the Golf Cabriolet, provides a clear view to the rear of your vehicle, transmitting an undistorted live image to your radio or navigation system's display, enabling you to manoeuvre quickly and easily into the most difficult parking space.

07 Car-Net 'App-Connect'⁴ allows you to integrate a smartphone with your car by allowing mirroring¹ of the display on the infotainment touch-screen via USB connection. It uses the combined functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'™ to replicate the smartphone display, allowing operation of certified apps including audio and voice control (if supported by the app). Please note, there is usage of only certified apps while driving.

05 OPTIONAL | SE | GT | GTI

06 OPTIONAL | SE | GT | GTI

07 OPTIONAL | S | SE | GT | GTI

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

² Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

³ Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.

⁴ Only available with compatible smartphones including iPhone 5 and 6. Please see www.volkswagen.co.uk to check smartphone compatibility.

ALLOY WHEELS

01 STANDARD | S

02 STANDARD | SE

03 STANDARD | GT

04 STANDARD | GTI

- 01** 'Atlanta' 6 1/2 J x 16" alloy wheels with 205/55 R16 tyres add a contemporary look to the exterior of the Golf Cabriolet S.
- 02** 'Porto' 7 J x 17" alloy wheels with 225/45 R17 tyres emphasise the already stylish Golf Cabriolet SE models even further.
- 03** 'Charleston' 7 1/2 J x 18" alloy wheels with 225/40 R18 tyres give an individual and sporty look to the exterior of Golf Cabriolet GT models.
- 04** 'Monza Shadow' 7 1/2 J x 18" alloy wheels with 225/40 R18 tyres enhances the appearance of the sure-footed Golf Cabriolet GTI. Image shown features optional Tornado Red non-metallic paint.

ENGINES AND GEARBOXES

01 STANDARD | S | SE | GT

02 STANDARD | S | SE | GT

- 01** A combination of direct fuel injection and intelligent turbocharging technology ensures **TSI petrol engines** offer high torque and impressive performance.
- 02** **TDI diesel engines**, equipped with common rail technology, combine the advantages of high torque and pulling power with quiet performance, thanks to direct diesel injection.

03 STANDARD | GTI

- 03** A combination of direct fuel injection and intelligent turbocharging technology ensures the GTI's **2.0 litre TSI 220 PS petrol engine** delivers high performance and torque.

04 STANDARD | S | SE | GT

05 STANDARD | S | SE | GT | GTI

- 04** The five or six speed **manual gearbox** transmits engine power smoothly, with short shift distances enabling you to change gear easily and remain comfortably within the correct rev range.
- 05** The six or seven speed **dual-clutch direct shift gearbox (DSG)** shifts smoothly and imperceptibly into the next pre-selected gear within a few hundredths of a second, without disrupting traction. This enables you to change gear faster than a manual and more smoothly than a conventional automatic – making dynamic acceleration twice as much fun.

SOAKING UP THE SUN IS EASY.

Think Blue.

Think Blue.

Start/Stop technology
saves fuel by automatically switching off the engine when the car isn't in motion.

Brake energy recuperation system
makes use of energy that's usually lost when you brake.

Turbocharged engines
deliver more power when you need it and use less fuel when you don't.

Low rolling resistance tyres
reduce the friction between the tyre and the road, meaning it takes less energy – and less fuel – to go further.

Purpose-built BlueMotion cars
include the full range of BlueMotion Technologies as well as an aerodynamically optimised design to reduce wind resistance.

Electric vehicles
comprise both hybrid and fully electric vehicles, offering all the features of their regular counterparts.

*BlueMotion Technologies are available on all Volkswagens and vary between models.

- 01 Front and rear parking sensors** help you park with the greatest of ease. For added convenience the process is aided by an audible warning, visual display via the radio system's screen and reverse activated kerb-view adjustment on the passenger's door mirror.
- 02 An alarm with interior protection** uses sensors to respond to tampering on the bonnet, doors and boot lid whether the soft top is open or closed.
- 03 The ESC (Electronic Stability Control)** recognises critical driving situations and reacts in milliseconds by targeting brake and management systems, controlling the speed of individual wheels and helping to bring the vehicle under control.
- 04 High Beam Assist** ingeniously senses the lights from oncoming vehicles and switches between main and dipped beam accordingly. It also senses vehicles you are approaching from the rear and ensures dipped beam is selected in order not to dazzle vehicles in front.
- 05 The fully integrated rollover protection system** is active whether the soft top roof is open or closed and operates at the slightest hint of a roll or impact. The supporting profiles extend automatically within 0.25 seconds, giving additional protection to occupants.

- 06 The tyre pressure loss indicator** will alert you to any change in tyre pressure via a warning in the multifunction display, advising you to rectify the situation.
- 07 A comprehensive airbag system** comprising driver's and front passenger's airbags, with a front passenger's airbag deactivation switch, front seat side impact airbags and also a driver's knee airbag for added protection particularly in the event of a head-on collision.

There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the compact up!, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there's bound to be at least one that catches your eye.

To see these models and configure your ideal Volkswagen, visit: www.volkswagen.co.uk

Sporty

Golf: As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD and Golf R.

Spacious family cars

New Sharan: The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Golf SV, Golf Estate, new Touran and Passat Estate.

Style

Beetle: The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider Beetle Cabriolet or the Golf Cabriolet.

City run around

up!: The ideal city car. Fun, easy to manoeuvre and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around practicality with more versatility and even more space can be found on the iconic Golf.

Executive

Volkswagen CC: Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative coupé.

All the luxury you need can also be found in the Jetta, and executive comfort in the Passat and Passat Estate – winner of 'European Car of the Year 2015'.

4x4

Touareg: The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it, with four wheel drive technology, '4MOTION' as standard.

Go everywhere, do anything in our four wheel drive alternatives: new Golf Alltrack, Tiguan and Passat and Passat Estate 4MOTION models.

TECHNOLOGY

Technical specification notes

- 01) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 02) Figures are calculated in accordance with manufacturer's criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48.
- 03) With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 04) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.
- 05) The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 06) Our CO₂ and consumption values are provisional and are currently under review. Revised values will be published if necessary. Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the 'On The Road' cost paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

Engines

Front transverse-installed engine

1.2 litre/105 PS ⁽⁰¹⁾ (77 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection engine, two valves per cylinder and turbocharger module with electric boost pressure regulation. Available with a six speed manual transmission

1.4 litre/125 PS ⁽⁰¹⁾ (92 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual or a seven speed automatic DSG transmission

1.4 litre/150 PS ⁽⁰¹⁾ (110 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection twin-charged engine with four valves per cylinder, a supercharger and a turbocharger. Available with a six speed manual or a seven speed automatic DSG transmission

2.0 litre/220 PS ⁽⁰¹⁾ (162 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine. Fitted with four valves per cylinder and a turbocharger. Available with a six speed automatic DSG transmission

2.0 litre/110 PS ⁽⁰¹⁾ (81 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a five speed manual transmission

2.0 litre/150 PS ⁽⁰¹⁾ (110 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a six speed manual or a six speed automatic DSG transmission

Transmission

- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Five or six speed manual, six or seven speed automatic DSG gearbox with double joint half axles
- Five speed manual: 2.0 litre TDI 110 PS
- Six speed manual: 1.2 litre TSI 105 PS, 1.4 litre TSI 125 PS, 1.4 litre TSI 150 PS, 2.0 litre TDI 150 PS
- Six speed automatic DSG: 2.0 litre TSI 220 PS, 2.0 litre TDI 150 PS
- Seven speed automatic DSG: 1.4 litre TSI 125 PS, 1.4 litre TSI 150 PS

Running gear

- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock), ASR (Traction Control) and Countersteer Support
- Front and rear anti-roll bar
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension
- XDS electronic differential lock (GTI models)

Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

Brakes

- ABS (Electronically controlled Anti-lock Braking System) with EBD (Electronic Brake-pressure Distribution)
- Diagonal twin-circuit brake system with front disc brakes (ventilated) and rear disc brakes
- Asbestos-free brake pads
- HBA (Hydraulic Brake Assist)

VOLKSWAGEN SERVICE

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

The Volkswagen Warranty

Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

Body Protection Warranty

The internal body sections and panels of the Golf Cabriolet are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Extended Warranty

If you order the Volkswagen Extended Warranty as an option when buying your new Golf Cabriolet then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

Service Intervals

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

Volkswagen Insurance⁴

We want you to start enjoying your new car from day one and thanks to Volkswagen free five day insurance, you can. Call free on 0330 303 6930 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

Volkswagen Ensurance⁵

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired in a Volkswagen approved repairer, by Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit volkswagen-ensurance.co.uk

Volkswagen Finance⁶

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

Fuel consumption and CO₂ Emissions

Our CO₂ and consumption values are provisional and are currently under review. Revised values will be published if necessary. Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca.

The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer. Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

Tax Free Sales

For full details, please contact your authorised Volkswagen retailer.

Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available.

In particular, controls and some items of equipment are positioned differently for the UK.

The specifications contained in this brochure are for information purposes only and are subject to change.

If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering.

Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

² The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

³ The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

⁴ Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). Registered in England and Wales number: 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK.
