

New ix20

 NEW THINKING.
HYUNDAI NEW POSSIBILITIES.

NEW THINKING. NEW POSSIBILITIES.

At the heart of the Hyundai brand is the desire to think differently and challenge convention. This has led us to distribute cars in over 190 different countries across the world. Our forward-thinking philosophy means we're always evolving our approach to create cars that exceed your expectations. It means that every Hyundai has been engineered to surprise you with its built-in quality. To complement you with its crisply fluidic design. And to protect you, your family and your passengers with its strength. Prepare to enjoy a world of new possibilities.

The ix20 doesn't do boxy. Its dynamic design, spacious interior and efficient drive are enhanced by all the clever little extras inside. It's the stand-out car in its class.

Car shown ix20 Premium in Platinum Silver metallic paint.

The perfect blend of form and function.

The ix20 delivers style without a hint of compromise. It's both sophisticated and practical - another prime example of our fluidic design philosophy. A striking exterior that'll make you want to explore the inside.

Enjoy fluidic design

Chiselled tail lights step out from the bodywork to give it a contemporary feel and elegant curved lines run through the wraparound headlights and underline the hexagonal front grille. But despite its attractive appearance, we didn't choose style over substance. We opted for both. As well as looking the part, its sculpted door mirrors reduce drag, while you'll appreciate stylish 16-inch alloys to top it all off.

Make the most of an entertaining, intuitive experience.

Admire the ix20's tactile surfaces and enjoy a host of technologies that'll make every journey a genuine pleasure. With everything at your fingertips, it's easy to relax and enjoy the ride.

Admire the view inside

You'll quickly notice the cool blue illumination of the instrument panel, while the soft touch feel of the dashboard adds to the smart ergonomics and quality design. Once you're sitting comfortably you'll be able to find the perfect temperature thanks to air conditioning. USB and aux connections allow you to plug in your compatible phone or MP3 player and listen to all your favourite songs. Enjoy a range of impressive features as standard, including Bluetooth® connectivity with voice recognition. Steering wheel audio controls also mean you can keep your ears trained on the music, and your eyes focused on the road ahead. And when you finish your journey, rear parking sensors help you to fit into the tightest of gaps.

Car shown ix20 Premium.

Sit back, relax and enjoy the journey.

With a flexible layout, you can tailor your ix20 experience so it perfectly suits your needs - resulting in comfort and convenience on every trip.

Make yourself at home

The driver's seat is fully adjustable and you'll appreciate a height and reach adjustable steering wheel, so you can get yourself into the perfect driving position. There's plenty of leg, shoulder and head room for you and your front passenger, and we've given just as much consideration to those in the back. Sliding and reclining rear seats can be independently adjusted for all-round convenience. On Premium models you'll also enjoy a sophisticated panoramic sunroof that creates the feel of space and light, as well as privacy glass to add an extra touch of style and security.

Intelligent technologies help you go further between stops.

Feel free to express yourself on the road, knowing that your ix20 is making the most of every last drop. It's all down to clever Blue Drive technologies on manual models, designed to save you time between stops and money at the pumps.

Experience Blue Drive

The ix20 manual models include Intelligent Stop and Go (ISG), which automatically stops the engine when you come to a halt, and restarts it again when you de-press the clutch. It also has low rolling resistance tyres and electric power assisted steering, which is quieter, lighter and saves energy – ultimately reducing emissions. As well as the 1.6 diesel Blue Drive, you can opt for a 1.6 petrol automatic or a 1.4 petrol manual. If you select manual transmission you'll also benefit from an eco-drive indicator which suggests the optimum time to change gear for maximum efficiency. It's our way of giving you more influence over your fuel consumption. With a range of high-tech engines optimised for greater economy, the ix20 is a perfect example of our fuel-saving philosophy.

Car shown ix20 Premium in Platinum Silver metallic paint.

Emergency Stop Signal (ESS)

Tyre Pressure Monitoring System (TPMS)

ISOfix child seat anchorage (outer 2nd row seats)

Impact Sensing Automatic Door Unlocking

6 Airbags (front, front seat side & curtain)

Hill-start Assist Control (HAC)

Electronic Stability Programme (ESP)

You'll know we're looking after you, every step of the way.

The ix20 has it all – style, space, efficiency and versatility. But above all else, it's also extremely safe and secure. We're delighted to say that total peace of mind comes as standard.

Always safety first

There are front, front seat side and curtain airbags, as well as head restraints, seatbelt reminders and front seatbelt pre-tensioners. Hill-start Assist Control (HAC) stops the car rolling back for the first few moments of a hill start, and ISOfix child seat anchorage points will help you keep your young ones safe and sound. The Electronic Stability Programme (ESP) will help bring the car safely under control if you skid, so you'll be able to drive with extra security. Everything is encased by a high tensile steel body shell which offers maximum protection to you and your passengers.

SE Stylish features and intuitive technologies make ix20 the place to be.

SE OFFERS THE FOLLOWING FEATURES AS STANDARD:

- 16" alloy wheels
- 6 airbags – front, front seat side & curtain airbags
- 6 speakers – 2 tweeters, 2 front door, 2 rear door

Hyundai Motor Finance

Hyundai Motor Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple, you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us, with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

* You will not own the vehicle until all payments are made. T&Cs apply. Finance subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Motor Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer backed, unlimited mileage, 5 Year Warranty* protects your Hyundai against manufacturing defects** and is fully transferable to the next owner.

5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* 5 Year Unlimited Mileage Warranty terms and exclusions apply. Please see www.hyundai.co.uk or ask your local dealer for full terms and exclusions.

** Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Ownership

We're always thinking about how to make owning a Hyundai an enjoyable experience and that's exactly what you get with a Hyundai Fixed Price Service Plan. As a valued customer, we'll take care of all your Hyundai's scheduled servicing for up to 5 years or 50,000 miles.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered in a single payment that can be included in your finance agreement
- You have a choice to cover your servicing for 3 or 5 years*
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts

For more information, simply contact your local Hyundai dealer or our Customer Services team, who will be happy to help.

* Price varies according to model, fuel type and mileage. Only available on vehicles registered on or after 1st March 2013. Price includes VAT where applicable. Time and mileage restrictions apply. Excludes seasonal checks. Terms and conditions apply.

MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at www.hyundai.co.uk
