

# All-New Tucson

 **HYUNDAI** | NEW THINKING.  
NEW POSSIBILITIES.

# NEW THINKING. NEW POSSIBILITIES.

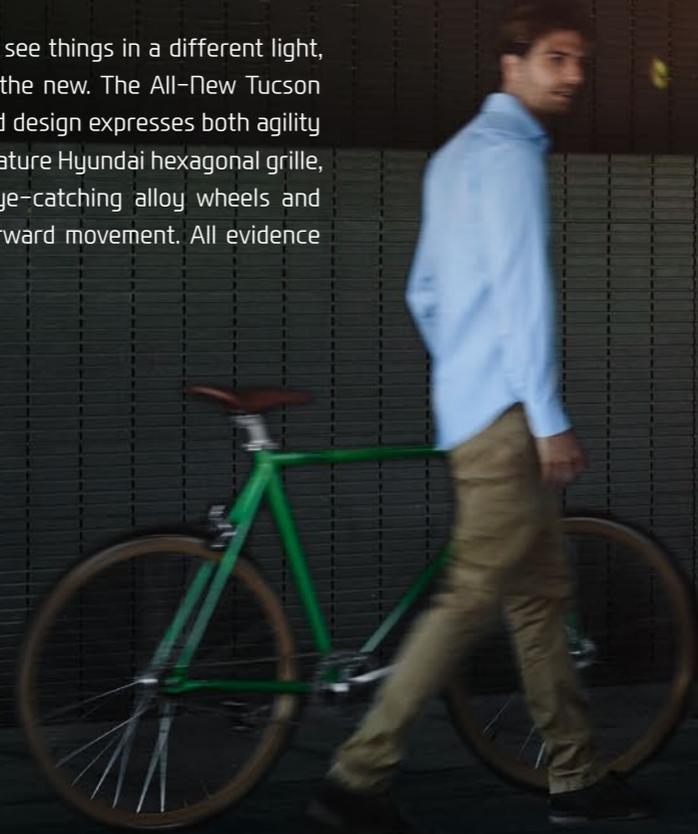

---

At the heart of the Hyundai brand is the desire to think differently and challenge convention. This has led us to distribute cars in over 190 different countries across the world. Our forward thinking philosophy means we're always evolving our approach, to create cars that exceed your expectations. It means that every Hyundai has been engineered to surprise you with its built-in quality. To complement you with its crisply fluidic design. And to protect you, your family and your passengers with its strength. Prepare to enjoy a world of new possibilities.

# A true game changer. The All-New Tucson.

Opening our minds to change allows us to see things in a different light, throw out old assumptions and celebrate the new. The All-New Tucson demonstrates the power of change. Its bold design expresses both agility and elegance in one. It's evident in the signature Hyundai hexagonal grille, distinctive LED daytime running lights, eye-catching alloy wheels and subtly shaped wheel arches that imply forward movement. All evidence that change is a power for good.

# Change is everywhere. Outside and in.

The unmistakably sporty All-New Tucson boasts a rakish roofline and elegant design, without compromising on its generous space. There's plenty of room for a refined premium ambience, comfortable and supportive seats, and intelligently practical features that have been developed to make every drive more relaxing and convenient.

# New from the ground up. A change of pace.

The completely new platform of the All-New Tucson incorporates a wealth of advanced technologies that bring enhanced levels of performance, handling and ride comfort. The engine line-up comprises three diesel and two petrol options. Depending on your engine choice, you'll make the most of a six-speed manual, six-speed automatic or a new seven-speed dual-clutch transmission. The combination of on-demand four-wheel drive on selected models with Advanced Traction Cornering Control (ATCC) ensures the All-New Tucson performs, whatever the conditions.

**Electric parking brake (Premium auto and Premium SE auto).** The compact parking brake control frees up useful interior space between the front seats.

**Dual-Clutch Technology.** The 7-speed Dual-Clutch Transmission (DCT) brings distinct benefits to both performance and fuel efficiency. Available with the 177PS 1.6 T-GDi engine.

**1.6 Turbo GDi.** Developing an impressive 177PS, this new Turbocharged petrol engine delivers the optimum blend of power and efficiency.

**On-demand 4WD (selected models).** When a potential loss of traction is detected, up to 50% of torque is transferred to the rear wheels for improved grip on loose, slippery surfaces and enhanced cornering performance. Torque distribution can be locked in 50:50 mode in extreme conditions.

Intuitive controls and ergonomic design combine to create an uncluttered dashboard with everything at your fingertips. High-grade soft-touch materials complete the premium picture. Shown here with optional red leather seat facings.

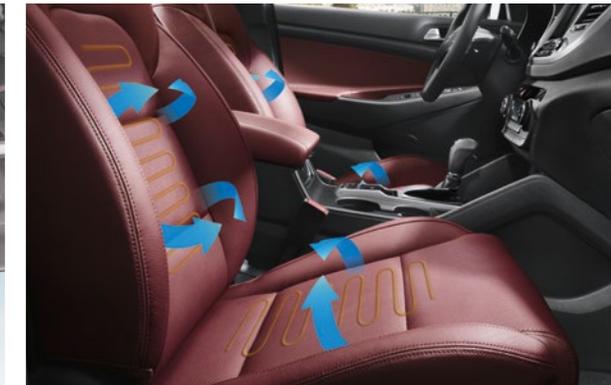

## Raising the game.

Easy on the eye and soft to the touch, you'll appreciate the high quality materials that furnish the interior of All-New Tucson. But it goes beyond the quality of the materials: the list of available premium features will really impress.

**Sunroof – panoramic glass electric tilt & slide (Premium SE).** The extra-large sunroof adds the feel of open-air driving. At the touch of a button you can fill the interior with fresh air and sunlight. An automatic wind deflector minimises noise.

**Ventilated front seats (Premium SE).** Front seats are available with the refreshing cooling effect of seat ventilation and 8-way power adjustment. The driver also benefits from 2-way power lumbar support.

**Heated front seats (SE, SE Nav, Premium and Premium SE) and heated steering wheel (Premium SE).** Nothing is more welcoming on a winter morning than heated seats and a heated steering wheel.

**Reclining rear seats.** Back seat passengers can enjoy levels of comfort usually only available to those in the front. On Premium and Premium SE they're also heated.

# You're in safe hands.

The All-New Tucson comes equipped with a comprehensive range of active and passive safety technologies that combine to keep you safe. For example, Rear Cross Traffic Alert (RCTA) on Premium and Premium SE uses a 180° radar to scan and detect the approach of other vehicles when reversing out of parking spaces with restricted sideways visibility. Acoustic and visual warnings are activated when a moving vehicle is detected - keeping you safe on every occasion.

**Autonomous Emergency Braking (AEB) (Premium and Premium SE).** The radar and camera based Front Collision Warning System (FCWS) alerts the driver of potentially dangerous proximity of vehicles and pedestrians and brakes autonomously if required.

**Blind Spot Detection System (BSD) (Premium and Premium SE).** Sensors mounted in the car's rear detect the proximity of any vehicle obscured in the blind spot, providing a visual alert in the door mirror. If the indicator is activated, an acoustic warning is also triggered.

**Speed Limit Information Function (SLIF) (SE Nav, Premium and Premium SE).** The system recognises roadside signs, cross-checks with navigation data and displays the current speed limit in the navigation screen and the high-resolution TFT display.

**Lane Departure Warning System with Lane Keep Assist (SE, SE Nav, Premium and Premium SE).** Instant visual and acoustic warning, plus corrective steering intervention, when unintentional lane departure is detected.

# Making life easier.

The All-New Tucson is a car that's easy to like. We've also made sure that it's easy to live with. Its elegant design may be sleek on the outside, but it's still roomy on the inside with an abundance of space to suit your everyday needs. The load area is effortlessly accessed via a wide-opening tailgate with optional hands-free operation. Versatility is assured by 60:40 split folding rear seats. And once you're underway, you'll appreciate the benefits of TomTom LIVE® Services on SE Nav and above, and Smart Park Assist on Premium SE automatic.

**Smart Electric Tailgate (Premium SE).** Sensors detect the approach and presence of the key-carrying driver and the tailgate automatically lifts open to provide effortless access to the generous load space.

**Parking System – Smart Park Assist (Premium SE auto).** Activated sensors can identify a viable parallel parking space, and steer the Tucson perfectly into the space. SPAS also steers the car into right angle spaces. You control the pedals, the system does the rest.

**Impressive load area.** Up to 513-litres of boot space (S model) behind the rear seats can be extended to 1,503 litres by folding down the rear seats. They can be split in the ratio 60:40, so you can vary the seating and load carrying to suit your needs.

**New navigation system with TomTom LIVE Services (SE Nav, Premium and Premium SE).** Free 7-year subscription to TomTom LIVE Services provides precise information about traffic, speed cameras, weather and local facilities, all displayed on the 8" touchscreen.

## Hyundai Motor Finance

Hyundai Motor Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist in your car purchase:

### CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

### PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple, you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

**RETURN:** you can hand the car back to us, with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

**RETAIN:** you can pay the optional final payment and the car is yours.

**RENEW:** you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

\* You will not own the vehicle until all payments are made. T&Cs apply. Finance subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Motor Finance, RH1 1SR

## 5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

### 5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer backed, unlimited mileage, 5 Year Warranty\* protects your Hyundai against manufacturing defects\*\* and is fully transferable to the next owner.

### 5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

### 5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

### ADDITIONAL AFTERCARE

A 10 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

\* 5 Year Unlimited Mileage Warranty terms and exclusions apply. Please see [www.hyundai.co.uk](http://www.hyundai.co.uk) or ask your local dealer for full terms and exclusions.

\*\* Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

## Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit [www.motability.co.uk](http://www.motability.co.uk)

## Ownership

We're always thinking about how to make owning a Hyundai an enjoyable experience and that's exactly what you get with a Hyundai Fixed Price Service Plan. As a valued customer, we'll take care of all your Hyundai's scheduled servicing for up to 5 years or 50,000 miles.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered in a single payment that can be included in your finance agreement
- You have a choice to cover your servicing for 3 or 5 years\*
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts

For more information, simply contact your local Hyundai dealer or our Customer Services team, who will be happy to help.

\* Price varies according to model, fuel type and mileage. Only available on vehicles registered on or after 1st March 2013. Price includes VAT where applicable. Time and mileage restrictions apply. Excludes seasonal checks. Terms and conditions apply.

## MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

## Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at [www.hyundai.co.uk](http://www.hyundai.co.uk)

## NEW THINKING. NEW POSSIBILITIES.

At the heart of the Hyundai brand is the desire to think differently and challenge convention. This has led us to distribute cars in over 190 different countries across the world. Our forward thinking philosophy means we're always evolving our approach, to create cars that exceed your expectations. It means that every Hyundai has been engineered to surprise you with its built-in quality. To complement you with its crisply fluidic design. And to protect you, your family and your passengers with its strength. Prepare to enjoy a world of new possibilities.
